The State of Arizona is committed to helping you achieve your best health. Rewards for participating in a wellness program are available to all benefit eligible employees. If you think you might be unable to meet a standard for a reward under this wellness program, you might qualify for an opportunity to earn the same reward by different means. Contact us at wellness@azdoa.gov or 602-771-9355, and we will work with you to find a reasonable alternative to support your participation in the HIP program.

Prizes and awards are subject to Federal and State Income, Social Security, and Medicare Taxes. If you have any questions, please consult your tax advisor.
