STATE OF DELAWARE
The Civil Union and Equality Act of 2011
Effective January 1, 2012

In accordance with Delaware law, insurers are required to provide the following notice to applicants of insurance policies issued in Delaware.

The Civil Union and Equality Act of 2011 ("the Act") creates a legal relationship between two persons of the same sex who form a civil union. The Act provides that the parties to a civil union are entitled to the same legal obligations, responsibilities, protections and benefits that are afforded or recognized by the laws of Delaware to spouses in a legal marriage. The law further provides that a party to a civil union shall be included in any definition or use of the terms "spouse," "family," "immediate family," "dependent," "next of kin," and other terms descriptive of spousal relationships as those terms are used throughout Delaware law. This includes the terms "marriage" or "married," or variations thereon. Insurance policies are required to provide identical benefits and protections to both civil unions and marriages. If policies of insurance provide coverage for children, the children of civil unions must also be provided coverage. The Act also requires recognition of same sex civil unions or marriages legally entered into in other jurisdictions.

For more information regarding the Act, refer to Chapter 2 of Title 13 of the Delaware Code or the State of Delaware website at www.delaware.gov/CivilUnions.

Georgia

The laws of the state of Georgia prohibit insurers from unfairly discriminating against any person based upon his or her status as a victim of family abuse.

STATE OF ILLINOIS
The Religious Freedom Protection and Civil Union Act
Effective June 1, 2011

In accordance with Illinois law, insurers are required to provide the following notice to applicants of insurance policies issued in Illinois.

The Religious Freedom Protection and Civil Union Act ("the Act") creates a legal relationship between two persons of the same or opposite sex who form a civil union. The Act provides that the parties to a civil union are entitled to the same legal obligations, responsibilities, protections and benefits that are afforded or recognized by the laws of Illinois to spouses. The law further provides that a party to a civil union shall be included in any definition or use of the terms "spouse," "family," "immediate family," "dependent," "next of kin," and other terms descriptive of spousal relationships as those terms are used throughout Illinois law. This includes the terms "marriage" or "married," or variations thereon. Insurance policies are required to provide identical benefits and protections to both civil unions and marriages. If policies of insurance provide coverage for children, the children of civil unions must also be provided coverage. The Act also requires recognition of civil unions or same sex civil unions or marriages legally entered into in other jurisdictions.

For more information regarding the Act, refer to 750 ILCS 75/1 *et seq.* Examples of the interaction between the Act and existing law can be found in the Illinois Insurance Facts, Civil Unions and Insurance Benefits document available on the Illinois Department of Insurance's website at www.insurance.illinois.gov.

If, on the date You are to become covered:

- 1) under The Policy;

Your initial coverage under The Policy will begin, and will not be deferred if on the day before the Policy Effective Date, You were insured under the Prior Policy, but on the Policy Effective Date, You were not Actively at Work, and would otherwise meet the Eligibility requirements of The Policy. However, Your Amount of Insurance will be the lesser of the amount of life insurance:

- 1) they had under the Prior Policy; or
- 2) shown in the Schedule of Insurance;

reduced by any coverage amount:

- 1) that is in force, paid or payable under the Prior Policy; or
- 2) that would have been so payable under the Prior Policy had timely election been made.

Change in Coverage: *When may I change my coverage or coverage for my Dependents?*

After Your initial enrollment You may increase or decrease coverage for You or Your Dependents, or add a new Dependent to Your existing Dependent coverage:

- 1) during any Annual Enrollment Period designated by the Policyholder; or
- 2) within 31 days of the date of a Change in Family Status.

- 5) the date the Dependent no longer meets the definition of Dependent;

unless continued in accordance with the continuation provisions.

Continuation Provisions: *Can my coverage and coverage for my Dependents be continued beyond the date it would otherwise terminate?*

Coverage can be continued by Your Employer beyond a date shown in the Termination provision, if Your Employer provides a plan of continuation which applies to all employees the same way. Coverage may not be continued under more than one Continuation Provision.

The amount of continued coverage applicable to You or Your Dependents will be the amount of coverage in effect on the date immediately before coverage would otherwise have ended. Continued coverage:

- 1) is subject to any reductions in The Policy;
- 2) is subject to payment of premium;
- 3) may be continued up to the maximum time shown in the provisions; and
- 4) terminates if The Policy terminates.

In no event will the amount of insurance increase while coverage is continued in accordance with the following provisions.

In all other respects, the terms of Your coverage and coverage for Your Dependents remain unchanged.

Leave of Absence: If You are on a documented leave of absence, other than Family and Medical Leave or Military Leave of Absence, Your coverage (including Dependent Life coverage) may be continued for a period of time as determined by Your Employer. If the leave terminates prior to the agreed upon date, this continuation will cease immediately.

Military Leave of Absence: If You enter active military service and are granted a military leave of absence in writing, Your coverage (including Dependent Life coverage) may be continued for a period of time as determined by Your Employer. If the leave ends prior to the agreed upon date, this continuation will cease immediately.

Disability Insurance: If You are working for the Policyholder and:

- 1) are covered by; and
- 2) meet the definition of disabled under;

a Group Disability Insurance Policy, issued by Us to Your Employer or the Arizona State Retirement System Long Term Disability Plan, Your coverage (including Dependent Life coverage) may be continued until the last day of the 12th month after the month in which You became disabled, as defined in the Group Disability Insurance Policy.

With respect to Basic Life Insurance:

Sickness or Injury: If You are not Actively at Work due to sickness or injury, all of Your coverages (including Dependent Life coverage) may be continued for a period of time as determined by Your Employer.

With respect to Supplemental Life Insurance:

Sickness or Injury: If You are not Actively at Work due to sickness or injury, all of Your coverages (including Dependent Life coverage) may be continued:

- 1) for a period of 12 consecutive month(s) from the date You were last Actively at Work; or
- 2) if such absence results in a leave of absence in accordance with state and/or federal family and medical leave laws, then the combined continuation period will not exceed 12 consecutive month(s).

Family Medical Leave: If You are granted a leave of absence, in writing, according to the Family and Medical Leave Act of 1993, or other applicable state or local law, Your coverage(s) (including Dependent Life coverage) may be continued for up to 12 weeks, or 26 weeks if You qualify for Family Military Leave, or longer if required by other applicable law, following the date Your leave commenced. If the leave of absence terminates prior to the agreed upon date, this continuation will cease immediately.

Continuation for Dependent Child(ren) with Disabilities: *Will coverage for Dependent Children with disabilities be continued?*

If Your Dependent Child(ren) reach the age at which they would otherwise cease to be a Dependent as defined, and they are:

- 1) age 26 or older; and
- 2) disabled; and
- 3) primarily dependent upon You for financial support;

then Dependent Child(ren) coverage will not terminate solely due to age. However:

- 1) You must submit proof satisfactory to Us of such Dependent Child(ren)'s disability within 31 days of the date he or she reaches such age; and
- 2) such Dependent Child(ren) must have become disabled before attaining age 26.

Coverage under The Policy will continue as long as:

- 1) You remain insured;
- 2) the child continues to meet the required conditions; and
- 3) any required premium is paid when due.

However, no increase in the Amount of Life Insurance for such Dependent Children will be available.

We have the right to require proof, satisfactory to Us, as often as necessary during the first two years of continuation, that the child continues to meet these conditions. We will not require proof more often than once a year after that.

Waiver of Premium: *Does coverage continue if I am Disabled?*

Waiver of Premium is a provision which allows You to continue Your and Your Dependent's Life Insurance coverage without paying premium, while You are Disabled and qualify for Waiver of Premium.

If You qualify for Waiver of Premium, the amount of continued coverage:

- 1) will be the amount in force on the date You cease to be an Active Employee;
- 2) will be subject to any reductions provided by The Policy; and
- 3) will not increase.

Eligible Coverages: *What coverages are eligible under this provision?*

This provision applies only to:

- 1) Your Basic Life Insurance;
- 2) Your Supplemental Life Insurance; and
- 3) Dependent Life Insurance.

You are not eligible to apply for both the Portability Benefit and Waiver of Premium for the same coverage amount.

Disabled: *What does Disabled mean?*

Disabled means You are prevented by injury or sickness from doing any work for which You are, or could become, qualified by:

- 1) education;
- 2) training; or
- 3) experience.

In addition, You will be considered Disabled if You have been diagnosed with a life expectancy of 12 months or less.

Conditions for Qualification: *What conditions must I satisfy before I qualify for this provision?*

To qualify for Waiver of Premium You must:

- 1) be covered under The Policy and be under age 65 when You become Disabled;
- 2) be Disabled and provide Proof of Loss that You have been Disabled for 6 consecutive month(s), starting on the date You were last Actively at Work; and
- 3) provide such proof within one year of Your last day of work as an Active Employee.

In any event, You must have been Actively at Work under The Policy to qualify for Waiver of Premium.

When Premiums are Waived: *When will premiums be waived?*

If We approve Waiver of Premium, We will notify You of the date We will begin to waive premium. In any case, We will not waive premiums for the first 6 month(s) You are Disabled. We have the right to:

- 1) require Proof of Loss that You are Disabled; and
- 2) have You examined at reasonable intervals during the first 2 years after receiving initial Proof of Loss, but not more than once a year after that.

If You fail to submit any required Proof of Loss or refuse to be examined as required by Us, then Waiver of Premium ceases.

However, if We deny Your application for Waiver of Premium, You may be eligible to:

- 1) continue coverage under the Portability Benefit; or
- 2) convert coverage in accordance with the Conversion Right;

for You and Your Dependents.

If You cease to be Disabled and return to work for a total of 5 days or less during the first 6 month(s) that You are Disabled, the 6 month(s) waiting period will not be interrupted. Except for the 5 days or less that You worked, You must be

Disabled by the same condition for the total 6 month(s) period. If You return to work for more than 5 days, You must satisfy a new waiting period.

Benefit Payable before Approval of Waiver of Premium: *What if I die or my Dependent dies before I qualify for Waiver of Premium?*

If You or Your Dependent die within one year of Your last day of work as an Active Employee, but before You qualify for Waiver of Premium, We will pay the Amount of Life Insurance which is in force for the deceased person provided:

- 1) You were continuously Disabled;
- 2) the Disability lasted or would have lasted 6 month(s) or more; and
- 3) premiums had been paid for coverage.

Waiver Ceases: *When will Waiver of Premium cease?*

We will waive premium payments and continue Your coverage, while You remain Disabled, until the date You attain age 70 if Disabled prior to age 65.

We will waive premium payments for Your Dependent Life Insurance and continue such coverage, while You remain Disabled, until the earliest of the date:

- 1) You die;
- 2) You no longer qualify for Waiver of Premium;
- 3) The Policy terminates;
- 4) Your Dependents are no longer in an Eligible Class, or Dependent coverage is no longer offered; or
- 5) Your Dependent no longer meets the definition of Dependent.

What happens when Waiver of Premium ceases?

When the Waiver of Premium ceases:

- 1) if You return to work in an Eligible Class, as an Active Employee, then You may again be eligible for coverage for Yourself and Your Dependents as long as premiums are paid when due; or
- 2) if You do not return to work in an Eligible Class, coverage will end and You may be eligible to exercise the Conversion Right for You and Your Dependents if You do so within the time limits described in such provision. The Amount of Life Insurance that may be converted will be subject to the terms and conditions of the Conversion Right. Portability will not be available.

Effect of Policy Termination: *What happens to the Waiver of Premium if The Policy terminates?*

If The Policy terminates before You qualify for Waiver of Premium:

- 1) You may be eligible to exercise the Conversion Right, provided You do so within the time limits described in such provision; and
- 2) You may still be approved for Waiver of Premium if You qualify.

If The Policy terminates after You qualify for Waiver of Premium:

- 1) Your Dependent coverage will terminate; and
- 2) Your coverage under the terms of this provision will not be affected.

BENEFITS

Life Insurance Benefit: *When is the Life Insurance Benefit payable?*

If You or Your Dependents die while covered under The Policy, We will pay the deceased person's Life Insurance Benefit after We receive Proof of Loss, in accordance with the Proof of Loss provision.

The Life Insurance Benefit will be paid according to the General Provisions of The Policy.

Non-Smoker Benefit: *When is the Non-Smoker Benefit payable?*

We will pay a Non-Smoker Benefit amount if You:

- 1) are insured for Supplemental Life; and
- 2) have not used tobacco or tobacco products during the six month period immediately preceding your death, as evidenced by Your medical or hospital records or by a death certificate.

The specific amount for this Benefit is shown in the Schedule of Insurance.

Suicide: *What benefit is payable if death is a result of suicide?*

If You or Your Dependent commit suicide while sane or insane, We will not pay any Supplemental Amount of Life Insurance or Supplemental Amount of Dependent Life Insurance for the deceased person which was elected within the 2 year period immediately prior to the date of death. This applies to initial coverage and elected increases in coverage. It does not apply to benefit increases that resulted solely due to an increase in Earnings.

This 2 year period includes the time group life insurance coverage was in force under the Prior Policy.

We will refund all premiums paid for that portion of your Life Insurance which is excluded from payment under this suicide exclusion.

Accelerated Benefit: *What is the benefit?*

In the event that You or Your Dependent are diagnosed as Terminally Ill while the Terminally Ill person is:

- 1) covered under The Policy for an Amount of Life Insurance of at least \$10,000; and
- 2) under age 60;

We will pay the Accelerated Benefit amount as shown below, provided We receive proof of such Terminal Illness.

You must request in writing that a portion of the Terminally Ill person's Amount of Life Insurance be paid as an Accelerated Benefit.

The Amount of Life Insurance payable upon the Terminally Ill person's death will be reduced by any Accelerated Benefit Amount paid under this benefit.

You may request a minimum Accelerated Benefit amount of \$3,000, and a maximum of \$500,000. However, in no event will the Accelerated Benefit Amount exceed 80% of the Terminally Ill person's Amount of Life Insurance. This option may be exercised only once for You and only once for each of Your Dependents.

For example, if You are covered for a Life Insurance Benefit Amount under The Policy of \$20,000 and are Terminally Ill, You can request any portion of the Amount of Life Insurance Benefits from \$3,000 to \$16,000 to be paid now instead of to Your beneficiary upon death. However, if You decide to request only \$3,000 now, You cannot request the additional \$13,000 in the future.

A person who submits proof satisfactory to Us of his or her Terminal Illness will also meet the definition of Disabled for Waiver of Premium.

In the event:

- 1) You are required by law to accelerate benefits to meet the claims of creditors; or
- 2) if a government agency requires You to apply for benefits to qualify for a government benefit or entitlement;

You will still be required to satisfy all the terms and conditions herein in order to receive an Accelerated Benefit.

If You have executed an Assignment of rights and interest with respect to Your or Your Dependent's Amount of Life Insurance, in order to receive the Accelerated Benefit, We must receive a release from the assignee before any benefits are payable.

Terminal Illness or Terminally Ill means a life expectancy of 12 months or less.

Proof of Terminal Illness and Examinations: *Must proof of Terminal Illness be submitted?*

We reserve the right to require satisfactory Proof of Terminal Illness on an ongoing basis. Any diagnosis submitted must be provided by a Physician.

If You or Your Dependents do not submit proof of Terminal Illness satisfactory to Us, or if You or Your Dependents refuse to be examined by a Physician, as We may require, then We will not pay an Accelerated Benefit.

No Longer Terminally Ill: *What happens to my coverage if I am no longer Terminally Ill or my Dependent is no longer Terminally Ill?*

If You or Your Dependents are diagnosed by a Physician as no longer Terminally Ill and:

- 1) return to an Eligible Class, coverage will remain in force, provided premium is paid;
- 2) do not return to an Eligible Class, but You continue to meet the definition of Disabled, coverage will remain in force, subject to the Waiver of Premium provision; or

3) are not in an Eligible Class, but You do not continue to meet the definition of Disabled, coverage will end and You may be eligible to exercise the Conversion Right, if You do so within the time limits described in such provision. In any event, the amount of coverage will be reduced by the Accelerated Benefit paid.

Conversion Right: *If coverage under The Policy ends, do I have a right to convert?*

If Life Insurance coverage or any portion of it under The Policy ends for any reason, You and Your Dependents may have the right to convert the coverage that terminated to an individual conversion policy. Conversion is not available for:

- 1) the Accidental Death and Dismemberment Benefits; or
- 2) any Amount of Life Insurance for which You or Your Dependents were not eligible and covered; under The Policy.

If coverage under The Policy ends because:

- 1) The Policy is terminated; or
- 2) Coverage for an Eligible Class is terminated;

then You or Your Dependent must have been insured under The Policy for 5 years or more, in order to be eligible to convert coverage. The amount which may be converted under these circumstances is limited to the lesser of:

- 1) \$2,000; or
- 2) the Life Insurance Benefit under The Policy less any Amount of Life Insurance for which You or Your Dependent may become eligible under any group life insurance policy issued or reinstated within 30 days of termination of group life coverage.

If coverage under The Policy ends for any other reason, the full amount of coverage which ended may be converted.

Insurer, as used in this provision, means Us or another insurance company which has agreed to issue conversion policies according to this Conversion Right.

Conversion: *How do I convert my coverage or coverage for my Dependents?*

To convert Your coverage or coverage for Your Dependents, You must:

- 1) complete a Notice of Conversion Right form; and
- 2) have your Employer sign the form.

The Insurer must receive this within:

- 1) 31 days after Life Insurance terminates; or
- 2) 15 days from the date Your Employer signs the form;

whichever is later. However, We will not accept requests for Conversion if they are received more than 91 days after Life Insurance terminates.

After the Insurer verifies eligibility for coverage, the Insurer will send You a Conversion Policy proposal. You must:

- 1) complete and return the request form in the proposal; and
- 2) pay the required premium for coverage;

within the time period specified in the proposal.

Any individual policy issued to You or Your Dependents under the Conversion Right:

- 1) will be effective as of the 32nd day after the date coverage ends; and
- 2) will be in lieu of coverage for this amount under The Policy.

Conversion Policy Provisions: *What are the Conversion Policy provisions?*

The Conversion Policy will:

- 1) be issued on one of the Life Insurance policy forms the Insurer is issuing for this purpose at the time of conversion; and
- 2) base premiums on the Insurer's rates in effect for new applicants of Your class and age at the time of conversion.

The Conversion Policy will not provide:

- 1) the same terms and conditions of coverage as The Policy;
- 2) any benefit other than the Life Insurance Benefit; and
- 3) term insurance.

However, Conversion is not available for any Amount of Life Insurance which was, or is being, continued:

- 1) in accordance with the Waiver of Premium provision;
- 2) under a certificate of insurance issued in accordance with the Portability provision; or
- 3) in accordance with the Continuation Provisions;

until such coverage ends.

Death within the Conversion Period: *What if I or my Dependents die before coverage is converted?*

We will pay the deceased person's Amount of Life Insurance You would have had the right to apply for under this provision if:

- 1) coverage under The Policy terminates;
- 2) You or Your Dependent die within 31 days of date coverage terminates; and
- 3) We receive Proof of Loss.

If the Conversion Policy has already taken effect, no Life Insurance Benefit will be payable under The Policy for the amount converted.

Portability Benefits: *What is Portability?*

Portability is a provision which allows You and Your Dependents to continue coverage under a Group Portability policy when coverage would otherwise end due to certain Qualifying Events.

Qualifying Events: *What are Qualifying Events?*

Qualifying Events for You are:

- 1) Your employment terminates for any reason prior to Normal Retirement Age; or
- 2) Your membership in an Eligible Class under The Policy ends.

Qualifying Events for Your Dependents are:

- 1) Your employment terminates, for any reason prior to Normal Retirement Age; or
- 2) Your death;
- 3) Your membership in a class eligible for Dependent coverage ends;
- 4) He or she no longer meets the definition of Dependent. However a Dependent Child who reaches the limiting age under The Policy is not eligible for Portability.

Electing Portability: *How do I elect Portability?*

You may elect Portability for Your coverage after Your coverage ends because You had a Qualifying Event. You may also elect Portability for Your Dependent coverage if Your Dependent has a Qualifying Event. The Policy must still be in force in order for Portability to be available.

In order for Dependent Child coverage to be continued under this provision, You or Your Spouse must elect to continue coverage.

To elect Portability for You or Your Dependents, You must:

- 1) complete and have Your Employer sign a Portability application; and
- 2) submit the application to Us, with the required premium.

This must be received within:

- 1) 31 days after Life Insurance terminates; or
- 2) 15 days from the date Your Employer signs the application;

whichever is later. However, Portability requests will not be accepted if they are received more than 91 days after Life Insurance terminates.

After We verify eligibility for coverage, We will issue a certificate of insurance under a Portability policy. The Portability coverage will be:

- 1) issued on one of the forms then being issued by Us for Portability purposes; and
- 2) effective on the day following the date Your or Your Dependent's coverage ends.

The terms and conditions of coverage under the Portability policy will not be the same terms and conditions that are applicable to coverage under The Policy.

Limitations: *What limitations apply to this benefit?*

You may elect to continue 50%, 75%, or 100% of the Amount of Life Insurance which is ending for You or Your Dependent. This amount will be rounded to the next higher multiple of \$1,000, if not already a multiple of \$1,000. However, the Amount of Life Insurance that may be continued will not exceed:

- 1) \$500,000 for You;
- 2) \$50,000 for Your Spouse ; or
- 3) \$10,000 for Your Dependent Child(ren).

If You elect to continue 50% or 75% now, You may not continue any portion of the remaining amount under this Portability provision at a later date. In no event will You or Your Spouse be able to continue an Amount of Life Insurance which is less than \$5,000.

Portability is not available for any Amount of Life Insurance for which You or Your Dependents were not eligible and covered.

In addition Portability is not available if You or Your Dependents are entering active military service.

Effect of Portability on other Provisions: *How does Portability affect other Provisions?*

Portability is not available for any Amount of Life Insurance which was, or is being, continued in accordance with the:

- 1) Conversion Right;
- 2) Waiver of Premium Provision; or
- 3) Continuation provisions;

under The Policy. However, if:

- 1) You elect to continue only a portion of terminated coverage under this Portability provision; or
- 2) the Amount of Life Insurance exceeds the maximum Portability amount;

then the Conversion Right may be available for the remaining amount.

The Waiver of Premium provision will not be available if You elect to continue coverage under this Portability provision.

STATE OF ILLINOIS
The Religious Freedom Protection and Civil Union Act
Effective June 1, 2011

The Religious Freedom Protection and Civil Union Act ("the Act") creates a legal relationship between two persons of the same or opposite sex who form a civil union. The Act provides that the parties to a civil union are entitled to the same legal obligations, responsibilities, protections and benefits that are afforded or recognized by the laws of Illinois to spouses. This includes the terms "marriage" or "married," or variations thereon. Insurance policies are required to provide identical benefits and protections to both civil unions and marriages. If policies of insurance provide coverage for children, the children of civil unions must also be provided coverage. The Act also requires recognition of civil unions or same sex civil unions or marriages legally entered into in other jurisdictions.

Vermont:

1. **Purpose:** Vermont law requires that health insurers offer coverage to parties to a civil union that is equivalent to coverage provided to married persons.
Definitions, Terms, Conditions and Provisions: The definitions, terms, conditions or any other provisions of the policy, contract, certificate and/or riders and are hereby superseded as follows:
 - a) Terms that mean or refer to a marital relationship, or that may be construed to mean or refer to a marital relationship, such as "marriage", "spouse", "husband", "wife", "dependent", "next of kin", "relative", "beneficiary", "survivor", "immediate family" and any other such terms, include the relationship created by a civil union established according to Vermont law.
 - b) Terms that mean or refer to the inception or dissolution of a marriage, such as "date of marriage", "divorce decree", "termination of marriage" and any other such terms include the inception or dissolution of a civil union established according to Vermont law.
 - c) Terms that mean or refer to family relationships arising from a marriage, such as "family", "immediate family", "dependent", "children", "next of kin", "relative", "beneficiary", "survivor" and any other such terms include family relationships created by a civil union established according to Vermont law.
 - d) "Dependent" means a spouse, a party to a civil union established according to Vermont law, and a child or children (natural, stepchild, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a civil union established according to Vermont law.
 - e) "Child or covered child" means a child (natural, step-child, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a civil union established according to Vermont law.

CAUTION: FEDERAL LAW RIGHTS MAY OR MAY NOT BE AVAILABLE

Vermont law grants parties to a civil union the same benefits, protections and responsibilities that flow from marriage under state law. However, some or all of the benefits, protections and responsibilities related to health insurance that are available to married persons under federal law may not be available to parties to a civil union. For example, federal law, the Employee Income Retirement Security Act of 1974 known as "ERISA", controls the employer/employee relationship with regard to determining eligibility for enrollment in private employer health benefit plans. Because of ERISA, Act 91 does not state requirements pertaining to a private employer's enrollment of a party to a civil union in an ERISA employee welfare benefit plan. However, governmental employers (not federal government) are required to provide health benefits to the dependents of a party to a civil union if the public employer provides health benefits to the dependents of married persons. Federal law also controls group health insurance continuation rights under COBRA for employers with 20 or more employees as well as the Internal Revenue Code treatment of health insurance premiums. As a result, parties to a civil union and their families may or may not have access to certain benefits under the policy, contract, certificate, rider or endorsement that derive from federal law. You are advised to seek expert advice to determine your rights under this contract.

If, on the date You are to become covered:

Coverage can be continued by Your Employer beyond a date shown in the Termination provision, if Your Employer provides a plan of continuation which applies to all employees the same way. Coverage may not be continued under more than one Continuation Provision.

In all other respects, the terms of Your coverage and coverage for Your Dependents remain unchanged.

Leave of Absence: If You are on a documented leave of absence, other than Family and Medical Leave or Military Leave of Absence, Your coverage (including Dependent Accidental Death and Dismemberment coverage) may be continued for a period of time as determined by Your Employer. If the leave terminates prior to the agreed upon date, this continuation will cease immediately.

Military Leave of Absence: If You enter active military service and are granted a military leave of absence in writing, Your coverage (including Dependent Accidental Death and Dismemberment coverage) may be continued for a period of time as determined by Your Employer. If the leave ends prior to the agreed upon date, this continuation will cease immediately.

With respect to Basic Accidental Death and Dismemberment Insurance:

Sickness or Injury: If You are not Actively at Work due to sickness or injury, all of Your coverages (including Dependent Accidental Death and Dismemberment coverage) may be continued for a period of time as determined by Your Employer.

With respect to Supplemental Accidental Death and Dismemberment Insurance:

Sickness or Injury: If You are not Actively at Work due to sickness or injury, all of Your coverages (including Dependent Accidental Death and Dismemberment coverage) may be continued:

- 1) for a period of 12 consecutive month(s) from the date You were last Actively at Work; or
- 2) if such absence results in a leave of absence in accordance with state and/or federal family and medical leave laws, then the combined continuation period will not exceed 12 consecutive month(s).

Spouse Continuation: *Can coverage for my Spouse be continued in the event of my death?*

If You die while Your Spouse is covered under The Policy, Your surviving Spouse may continue:

- 1) his or her coverage; and
- 2) coverage of Your Dependent Child(ren) who were covered by The Policy on the date of Your death.

We must receive Your Spouse's written request and the required premium to continue the coverage within 31 days of the Premium Due Date next following the date of Your death.

Solely for the purpose of continuing the coverage, Your Spouse will be considered the insured person. However, Your Spouse's or any of the Dependent Child(ren)'s coverage will not continue beyond:

- 1) a date the coverage would otherwise have ended under the Dependent Termination provision; or
- 2) the Premium Due Date next following the date Your Spouse remarries.

Dependent Continuation: *Can coverage for my Dependents be continued if I die?*

If You die while insured under The Policy, the Accidental Death and Dismemberment Insurance coverage for Your Dependents in force at the time of Your death may be continued, until the earliest of:

- 1) the date the coverage would otherwise have ended under the Dependent Termination provision;
- 2) the date Your Spouse remarries, dies, or obtains coverage under another group plan; or
- 3) 5 years from Your date of death.

Coverage continued under this provision will be Contributory Coverage and may not be increased.

Continuation for Dependent Child(ren) with Disabilities: *Will coverage for Dependent Children with Disabilities be continued?*

If Your Dependent Child(ren) reach the age at which they would otherwise cease to be a Dependent as defined, and they are:

- 1) age 26 or older; and
- 2) disabled; and
- 3) primarily dependent upon You for financial support;

then Dependent Child(ren) coverage will not terminate solely due to age. However:

- 1) You must submit proof satisfactory to Us of such Dependent Child(ren)'s disability within 31 days of the date he or she reaches such age; and
- 2) such Dependent Child(ren) must have become disabled before attaining age 26.

Coverage under The Policy will continue as long as:

- 1) You remain insured;
- 2) the child continues to meet the required conditions; and
- 3) any required premium is paid when due.

However, no increase in the Amount of Dependent Accidental Death and Dismemberment Insurance for such Dependent Children will be available.

We have the right to require proof, satisfactory to Us, as often as necessary during the first two years of continuation, that the child continues to meet these conditions. We will not require proof more often than once a year after that.

Conversion Right: *If my coverage under The Policy ends, do I have a right to conversion?*

If You or Your Dependents cease to be covered under The Policy because You cease to be eligible for coverage and:

- 1) The Policy has not terminated; and
- 2) You have paid any required premium;
