Eligibility

Active Employees
A. All active employees regularly scheduled to work 20 hours or more per week for at least 90 days or longer (except those listed below as ineligible), or a seasonal, temporary, or variable hour employee that has been determined to have been paid for an average of at least 30 hours per week using a 12-month measurement period, and their qualified dependents may participate in the Benefit Options Programs.

Eligible Employee means an individual who is hired by the state, including Universities, and who is regularly scheduled to work at least 20 hours per week for at least 90 days, but does not include:

a. A patient or inmate employed at a state institution;
b. A non-state employee, officer, or reenlisted personnel of the National Guard of Arizona;
c. An individual who fills a position designed primarily to provide rehabilitation to the individual;
d. An individual hired by a state university or college for whom the state university or college does not contribute to a state-sponsored retirement plan unless the individual is:
   i. A non-immigrant alien employee;
   ii. Participating in a medical residency or post-doctoral training program;
   iii. On federal appointment with cooperative extension;
   iv. A retiree who has returned to work under A.R.S. § 38-766.01.

Dependents
The following dependents may be added to your plans:
A. Your legal spouse
B. Your child defined as:
   a. A natural child, adopted child, step child, foster child, a child whom there is court-ordered guardianship or a child with a court order pending adoption who is younger than age 26.
   b. Your child who is disabled and continues to be disabled as defined by 42 U.S.C. 1382c before the age of 26.

If you have a qualified dependent that is not currently enrolled in the Benefit Options Plan, he or she may be added during a future Open Enrollment period. Dependents not enrolled during Open Enrollment cannot be added until the next Open Enrollment unless there is a Qualified Life Event (QLE). You have 31 days from the date of the QLE to change your enrollment through ADOA Benefit Services Division. The change must be consistent with the event. Please refer to the Benefit Services website, benefitoptions.az.gov, for more information about QLEs.

Qualified Medical Child Support Order (QMCSO)
You may not terminate coverage for a dependent covered by a QMCSO.

Dependent Documentation Requirements
Proper documentation may be required after enrollment of a dependent if:

- Your dependent child is approaching age 26 and has a disability. Application for continuation of dependent status must be made to your medical network within 31 days of the child’s 26th birthday. You will need to provide verification that your dependent child has a qualifying permanent disability, which occurred prior to his or her 26th birthday, in accordance with 42 U.S.C. 1382c.
• You are enrolling a dependent whose last name is different from your own, the dependent's coverage will not be processed until supporting documentation such as a marriage license for a spouse, or a birth certificate or court order for a dependent, is provided to the ADOA Benefit Services Division.

Employees are required to provide Social Security Numbers (SSN) for all dependents enrolled in the Benefit Options medical plans. This requirement is in accordance with the Mandatory Insurer Reporting Law (Section 111 of Public Law 110-173) which was effective January 1, 2009.

**Qualified Life Events**

You may only change your benefit elections when you experience a Qualified Life Event. If you have not experienced a QLE, you must wait until the next open enrollment period to make benefit changes. Members have 31 days to enroll or change coverage options if a qualified life event occurs. Events that may be considered include but are not limited to:

- Changes in your marital status: marriage, divorce, legal separation, annulment, death of spouse.
- Changes in dependent status: birth, adoption, placement for adoption, guardianship, death, or dependent eligibility due to age.
- Changes in employment status or work schedule that affect benefits eligibility for you, your spouse, and/or dependents.

**Submitting a Change Request**

Requested benefit changes must be submitted in writing to the Benefit Services Division within 31 calendar days of the event.

**Effective Date of the Change**

The effective date of coverage beginning or ending depends on the type of event following the date the requested change and required documentation is submitted to ADOA- Benefit Services Division.

- **Effective the first day of the first payperiod after completion of the enrollment process**
  - Marriage
  - Divorce, annulment, or legal separation
  - Employment status change

- **Effective the date of the event**
  - Newborn
  - Adopted Child
  - Guardianship
  - Death of dependent
  - Return from Military Leave

Please consult with the Benefit Services Division to determine if the life event you are experiencing qualifies under the Section 125 regulations.

**Dual Coverage**

If you and your spouse are both State employees and/or retirees, dual coverage of an employee, spouse and dependent, is not permitted under this Plan. An employee may elect coverage for their entire family, including the State employee spouse, or each State employee spouse may elect their own coverage.
You cannot enroll as a single subscriber and be enrolled as a dependent on your spouse’s or parent’s policy simultaneously. If an individual is enrolled in this manner, the dual coverage will be terminated and no refunds will be made for the premiums paid.

**Eligibility Audit**

Benefit Services may audit a member’s documentation to determine whether an enrolled dependent is eligible according to the plan requirements. This audit may occur either randomly or in response to uncertainty concerning dependent eligibility. Should you have questions after receiving a request to provide proof of dependent eligibility, please contact the Audit Services Unit within the ADOA Benefit Services Division.

**Subrogation**

Subrogation is the right of an insurer to recover all amounts paid out on your behalf as the insured member. In the event you, as a Benefit Options member, suffer an injury or illness for which another party may be responsible, such as someone injuring you in an accident, and Benefit Options pays benefits as a result of that injury or illness, Benefit Options has the legal right to recover against the party responsible for your illness or injury or from any settlement or court judgment you may receive, up to the amount of benefits paid out by Benefit Options.

As a Benefit Options member, you are required to cooperate with the vendors acting on behalf of ADOA during the subrogation process. Failure to do so may result in legal action by the State to recover funds received by you.

**Return to Work Retirees**

Former retired State employees returning to active State employment can receive health benefits through the Benefit Options Plan. If a retiree returns to work and meets the eligibility guidelines, they can elect to enroll in Active benefits and decline retiree benefits. Leaving State employment is considered a QLE. The QLE then allows members to enroll in retiree benefits again.

**End-Stage Renal Disease**

If you are eligible to enroll in Medicare as an active employee or retiree because of End-Stage Renal Disease (ESRD), the Plan will pay for the first 30 months, whether or not you are enrolled in Medicare and have a Medicare card. At the end of the 30 months, Medicare becomes the primary payer. If a plan member who is eligible for Medicare Part B does not enroll in Medicare Part B, the plan will only pay secondary benefits after 30 months of primary coverage. If you choose a doctor that does not accept assignment from Medicare, your doctor may be allowed to bill you for additional costs up to the Medicare limiting charge.

**Continuing Eligibility through COBRA**

In accordance with the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA), if you experience a loss of coverage due to termination of employment or a qualifying event, you and/or your dependents may extend coverage under the Benefit Options Plan for a limited time.

The following individuals would be considered qualified beneficiaries eligible for COBRA coverage:

1. An employee who had coverage through Benefit Options and lost the coverage because of a reduction in hours of employment or a termination of employment for a reason other than gross misconduct.
2. An employee’s legal spouse, as defined by Arizona Statute, who had coverage through Benefit Options and lost the coverage for any of the following reasons:
   - Death of the employee;
• Termination of the employee’s employment for a reason other than gross misconduct;
• Reduction in the employee’s hours of employment resulting in a loss of eligibility for coverage;
• Divorce or legal separation from the employee;
• The employee becomes eligible for Medicare.
3. An employee’s dependent child who had coverage through Benefit Options and lost the coverage for any of the following reasons:
   • Death of the employee (parent);
   • Termination of the parent’s employment for a reason other than gross misconduct;
   • A reduction in the parent’s hours of employment resulting in a loss of eligibility for coverage;
   • The parents’ divorce or legal separation;
   • The parent becomes eligible for Medicare or,
   • The dependent ceases to be a dependent child as defined by the Benefit Options program.

The ADOA Benefit Services Division will determine final eligibility for COBRA coverage. The ADOA Benefit Services Division will determine whether the life event you are experiencing qualifies under the Section 125 regulations. Please see page 66 for more information regarding COBRA coverage.

ALEX® is an online tool that will help you select the best benefit plan for you and your family. When you talk to ALEX he’ll ask you a few questions about your health care needs, crunch some numbers, and point out what makes the most sense for you. And anything you tell ALEX remains anonymous, so don’t be afraid to really let loose about that weird tooth thing.

How long will this take?
Most users spend about 7 minutes with ALEX, but it really just depends how much guidance you’d like. And ALEX can save your place, so you can leave to get some peanut brittle and then pick up right where you left off.

How should I prepare?
You don’t need to do much of anything. ALEX will ask you to estimate what type of medical care you might need this year (doctor’s visits, surgeries, ER visits, prescriptions, etc.), so you may want to tally those up and talk to your family about their needs, but ALEX can also help you come up with some estimates.

How does ALEX know what plan is best for me?
ALEX takes the amount each plan would cost you out of your paycheck (your premium) and adds that to the amount it would cost for the services you said you might use. Then he’ll recommend the least expensive plan for your needs.

Can I use ALEX on my phone?
Oh yeah, ALEX is optimized for any device you’ve got.

Can I trust ALEX with my secrets?
Yes! Your ALEX experience is totally private. He doesn’t maintain personal info or submit it back to your employer (or anyone else), so it’s completely anonymous.

Definitions of Terms
For the plan year beginning January 1, 2018, employees have the option of choosing from three plans, four Networks with nationwide coverage, and four coverage tiers.

- “Network” describes the company contracted with the State to provide access to a group of providers (doctors, hospitals, etc.) Certain providers may belong to one Network but not another.
- “Plans” are loosely defined as the structure of your insurance policy: the premium, deductibles, copays, and out-of-Network coverage.
- “Tier” describes the number of persons covered by the medical plan.

Choosing the Right Plan
1. Assess the costs you expect in the coming year including: employee premiums, copays, and coinsurance. Refer to page 20 for plan comparisons to help determine costs.
2. Have a conversation with ALEX, to select the most appropriate benefit plan for you and your family. Visit myalex.com/adoa/2018.
3. Determine if your doctors are contracted with the Network you are considering. Each medical Network has a website or phone number to help you determine if your doctor is contracted with the Network.
4. Once you have selected which plan best suits your needs and your budget, make your benefit elections online in YES.

Transition of Care (TOC)
If you are undergoing an active course of treatment with a doctor who is not contracted with one of the Networks, you can apply for transition of care. TOC forms are available on the Benefit Options website benefitoptions.az.gov.

If you are approved, you will receive in-Network benefits for your current doctor during a transitional period after January 1, 2018. Transition of care is typically approved if one of the following applies:

1. You have a life-threatening disease or condition;
2. You have been receiving care and a continued course of treatment is medically necessary;
3. You are in the third trimester of pregnancy; or
4. You are in the second trimester of pregnancy and your doctor agrees to accept our reimbursement rate and to abide by the Plan’s policies, procedures, and quality assurance requirements.

ID Cards
ID cards are provided only to members who are newly enrolled or make a change to their benefit plan. Personal insurance cards arrive 7-14 business days after the benefit becomes effective.

A new card or replacement ID card can be obtained by contacting the appropriate vendor to request a card, print card via the vendor website, or by downloading the vendor app on your mobile device.

Three Medical Plans
There are three medical plans offered by Benefit Options:

- Exclusive Provider Organization (EPO)
- Preferred Provider Organization (PPO)
- High Deductible Health Plan with Health Savings Account (HDHP with HSA)
The EPO Plan
If you choose the EPO plan under Benefit Options you must obtain services from a Network provider. Out-of-Network services are only covered in emergency situations. Under the EPO plan, you will pay the monthly premium and any required copay at the time of service. The EPO plan is available with all four Networks: Aetna, Blue Cross Blue Shield of Arizona, Cigna, and UnitedHealthcare. Choose the Network based on the physicians. The benefit is the same.

The PPO Plan
If you choose the PPO plan under Benefit Options you can see providers in-Network or out-of-Network, but will have higher costs for out-of-Network services. Additionally, there are in-Network and out-of-Network deductibles that must be met before the copay or coinsurance applies. Under the PPO plan, you will pay the monthly premium and the plan deductible or any required copay or coinsurance (percent of the cost) at the time of service. The PPO plan is available with Aetna, Blue Cross Blue Shield of Arizona, and UnitedHealthcare. Choose the Network based on the physicians. The benefit is the same.

HDHP with HSA*
This option is a High Deductible Health Plan for active employees. The Plan allows you to open a Health Savings Account to use for qualified medical expenses with investment options available. Services can be obtained in-Network or out-of-Network, but will have higher costs for out-of-Network services. Additionally, there are in-Network and out-of-Network deductibles that must be met. In-Network preventive services are covered at 100%. More detailed information on the HSA is available on page 18.

*Available to Active Employees and COBRA participants who are not eligible for Medicare.

Understanding the HSA Plan
1. The HSA Plan is a High Deductible Health Plan that works in conjunction with a Health Savings Account:
   • You have the option of establishing a Health Savings Account. To establish this account, members must complete the Customer Identification Process (see page 19).
   • HSA is a special type of savings account that allows tax-free contributions, earnings and healthcare related withdrawals.
2. The HSA offers financial advantages in that, an HSA member:
   • Pays lower employee premiums (paycheck deductions).
   • Receives qualified preventive services at no cost.
   • May have lower out-of-pocket costs.
   • Is eligible to open and contribute to a Health Savings Account.
3. The HSA presents financial considerations in that:
   • HSA members pay copays and/or coinsurance after the deductible is met (qualified preventive services are covered at 100%).
4. The HSA might be right for you if:
   • You want to open a tax-advantaged HSA and save for future healthcare costs.
   • You are willing to accept some degree of financial risk.
   • You can afford to pay a high deductible if necessary.
5. The HSA may be wrong for you if:
   • You prefer copays because they are simple and predictable.
   • You are not willing to accept some degree of financial risk.
- You cannot afford to pay a high deductible.
- You are entitled to benefits under Medicare.

**Non-Permitted Coverage**
1. Members and dependents (including spouses) enrolled in a HSA do not qualify for a traditional Medical Flexible Spending Account; instead they qualify for a Limited Flexible Spending Account. The only qualifying expenses for this Limited Flexible Spending Account are dental and vision care expenses.
2. You cannot have a regular Flexible Spending Account or Health Reimbursement Account. If you or your spouse has one of these you are not eligible to contribute to an HSA.
3. If you are enrolled in Medicare or Medicaid, you are not eligible for an HSA. If you had an HSA when you enrolled in Medicare or Medicaid you can still use the funds. You just cannot contribute to the account. Note: If you are eligible for Medicare but not yet enrolled, you can still contribute to the HSA.
4. If you are enrolled in Tricare you are not eligible for an HSA. (Tricare is health coverage for people in the military.) If you had an HSA when you started on Tricare you can still use the funds. You just cannot contribute to the account.
5. If you receive care from the Veteran’s Administration (VA), that may affect your HSA eligibility. Generally, when you receive VA care you are not eligible for an HSA for the next three months. This means that you cannot contribute for the next three months after having VA care.

**Cost for Services/Prescriptions**
The cost for services/ prescriptions depends on three things (please see table below):
1. Whether the service/prescription is:
   - Qualified Preventive
   - Non-Preventive
   - Emergency
2. Whether the provider is:
   - In-Network
   - Out-of-Network
3. How much you have paid so far during the plan year:
   - Less than the deductible
   - More than the deductible, but less than the out-of-pocket maximum

At the top of the table you can see that:
- In-Network qualified preventive services are covered at no additional cost, even before the deductible is satisfied.
- In-Network qualified preventive prescriptions will cost the regular copay amounts up to the out-of-pocket maximum.
- Once the out-of-pocket maximum is satisfied, in-Network qualified preventive prescriptions are covered at 100% for the remainder of the Plan Year.

In the middle of the table you can see that:
- In-Network emergency services will not be covered until after the deductible is satisfied.
- Once the deductible is satisfied, in-Network emergency services will be 90% covered. The remaining 10% must be paid by the member.
- Once the out-of-pocket maximum is satisfied, in-Network emergency services will be 100% covered (no member cost).
- Before enrolling in the HSA, make sure you fully understand the costs/risks of this type of plan.

**HSA Overview**

The Health Savings Account is only offered if you enroll in the High Deductible Health Plan.

1. You open your Health Savings Account.
   - You maintain ownership even after ending State employment.
   - You can invest the money like you would invest money in an IRA, once funds reach $1,000.
   - Your funds will earn interest.
2. When your HSA is opened, the State will make pay period contributions to your HSA.
   - For Employee only coverage, the State will contribute $27.69 per pay period.
   - For Employee+adult, Employee+child, and Family coverage, the State will contribute $55.38 per pay period.
3. You can make additional contributions to your HSA through:
   - Payroll deductions (pre-tax).
   - Lump-sum deposits (tax deductible).
4. The IRS has released new 2018 Health Savings Account (HSA) Limits. Contribution limits are $3,450 for individuals and $6,900 for family coverage.
5. You can spend HSA funds on a tax-free basis for qualified healthcare-related expenditures (defined by the Internal Revenue Service).
• You can use a debit card.
• Link personal bank account to HSA.
• Non-qualified withdrawals are allowed; however, they may be subject to tax and a 20% penalty.

6. There are some fees associated with the HSA, such as:
• Monthly Account Statements
• Bill payment via check
• Stop payment via check
• Non-sufficient funds

How to Open Your HSA
Your HSA will be established in your name when you enroll in the High Deductible Health Plan and complete the Customer Identification Process (see below for additional information). You will receive a welcome kit by mail 3-4 weeks after the account is opened. The State will start contributing to your account on the first pay cycle following the plan year effective date. State contributions will only be made if you receive a paycheck.

Annual Contribution Limits
Individual: $3,450       Family: $6,900

Using Your HSA
• Use the ASI PayFlex MasterCard to pay for qualified out-of-pocket expenses. (See page 47.)
• Invest your HSA funds in a variety of investment options once the funds reach $1,000.
• You can contribute to the HSA as long as you are enrolled in a qualified health plan (such as the HSA). You may use the HSA funds anytime.

HSA Administrator - PayFlex
PayFlex is the administrator of your HSA account. To find out more about receiving a debit card for the account, see page 47.

Customer Identification Process
Payflex is required to confirm some of your personal information prior to establishing your HSA. This includes your correct name, address, date of birth, and Social Security Number. Doing so is required by Section 326 of the USA Patriot Act. It is a process known as the “Customer Identification Process.”

Here are some common reasons that may cause a delay in opening your HSA:
• Addresses that do not match
• P.O. Boxes are not permitted
• Not legally changing your name after a marriage or divorce
• Use of a nickname
• Inconsistent use of your middle initial
• Americanized version of your name
• Different spelling of your name

Please provide any information PayFlex requests to establish your HSA.

The chart below indicates the coverage options and Networks for members who live out-of-state. All four medical Networks offer statewide and nationwide coverage and are not restricted to regional areas. All plans are available in all domestic locations. However, not all plans have equal provider availability, so it is important to check with your current provider to determine if he/she is contracted with your selected Medical Network.

Medical Management

Services Available
When you choose Benefit Options medical insurance you get more than basic healthcare coverage. You get personalized medical management programs at no additional cost. Under the Benefit Options health plan, the medical Network you select during open enrollment serves their specific members.

Professional, experienced staff work on your behalf to make sure you are getting the best possible care and that you are properly educated on all aspects of your treatment.

Utilization Management
Each Medical network provides prior authorization and utilization review for the ADOA Benefit Options plans when members require non-primary care services. Prior to any elective hospitalization and/or certain outpatient procedures, you or your doctor must contact your medical Network for authorization. Please refer to your Plan Document for the specific list of services that require prior authorization. Each Network has a dedicated line to accept calls and inquiries:

- Aetna 1.800.333.4432
- Blue Cross Blue Shield of Arizona 1.800.232.2345 ext. 4320
- Cigna 1.800.968.7366
- UnitedHealthcare 1.800.896.1067

Case Management
Case management is a collaborative process whereby a case manager from your selected medical Network works with you to assess, plan, implement, coordinate, monitor, and evaluate the services you may need.

Often case management is used with complex treatments for severe health conditions. The case manager uses available resources to achieve cost effective health outcomes for both the member and the State of Arizona.

NurseLine
A dedicated team of nurses, physicians, and/or dietitians are available 24/7 for member consultations. Members needing medical advice or who have treatment questions can call the toll-free NurseLine:

- Aetna 1.800.556.1555
- Blue Cross Blue Shield of Arizona 1.866.422.2729, Option 9
- Cigna 1.800.968.7366
- UnitedHealthcare 1.800.401.7396
Disease Management

The purpose of disease management programs is to educate you and/or your dependents about complex or chronic health conditions. The programs are typically designed to improve self-management skills and help make lifestyle changes that promote healthy living.

The following disease management programs are available to all Benefit Options members regardless of their selected Networks:

- Asthma
- Diabetes
- Chronic Obstructive Pulmonary Disease
- Congestive Heart Failure
- Pregnancy/Maternity
- Coronary Artery Disease
- Healthy Back

If you are eligible or become eligible for one of the programs above, a disease manager from your selected Network will assess your needs and work with your physicians to develop a personalized plan. Your personalized plan will establish goals and steps to help you to positively change your specific lifestyle habits and improve your health.

Your assigned disease manager may also:

- Provide tips on how to keep your diet and exercise program on track
- Help you to maintain your necessary medical tests and annual exams
- Offer tips on how to manage and control stress along with the associated symptoms.
- Assist with understanding your doctor’s treatment plan
- Review and discuss medications, how they work and how to use them

Generally, a disease manager will work with you as quickly or as slowly as you like - allowing you to complete the program at your own pace. Over the course of the program, participants learn to incorporate healthy habits and improve their overall health.

Getting Involved
The Benefit Options disease management programs offered through each medical Network identify and reach out through phone calls and/or mail to members who may need help managing their health conditions.

The medical Networks work with the Benefit Options plan to provide this additional service. Participation is optional, private, and tailored to your specific needs. Also, members of the Benefit Options plan who are concerned about a health condition and would like to enroll in one of the covered programs can contact their respective medical Networks directly to self-enroll.

Please refer to your medical Network’s phone number on page 27 if you or your dependent is interested.

Pharmacy Plan Information

MedImpact
If you elect any Benefit Options medical plan, MedImpact will be the Network you use for pharmacy benefits. Enrollment is automatic when you enroll in the medical plan.

MedImpact currently services 50 million members nationwide, providing leading prescription drug clinical services, benefit design, and claims processing since 1989 through a comprehensive Network of pharmacies.

ID Card
You will not receive a pharmacy ID card. The MedImpact Customer Care information can be found on the back of the ID card provided by your medical network.

How it Works
All prescriptions must be filled at a Network pharmacy by presenting your medical card. You can also fill your prescription through the mail order service. The cost of prescriptions filled out-of-Network will not be reimbursed.

No international pharmacy services are covered. Be sure to order your prescriptions prior to your trip and take your prescriptions with you.

The MedImpact plan has a three-tier formulary described in the chart on page 29. The copays listed in the chart are for a 31-day supply of medication bought at a retail pharmacy.

Formulary
The formulary is the list of medications chosen by a committee of doctors and pharmacists to help you maximize the value of your prescription benefit. These generic and brand name medications are available at a lower cost. The use of non-preferred medications will result in a higher copay. Changes to the formulary can occur during the plan year. Medications that no longer offer the best therapeutic value for the plan are deleted from the formulary. Ask your pharmacist to verify the current copay amount at the time your prescription is filled.

To see what medications are on the formulary, go to benefitoptions.az.gov or contact the MedImpact Customer Care Center and ask to have a copy sent to you. Sharing this information with your doctor helps ensure you are getting the best value, which saves money for you and your plan.

Finding a Pharmacy
To find a pharmacy refer to benefitoptions.az.gov. See online features for more information.

The MedImpact Customer Care Center is available 24 hours a day, 7 days a week. The toll-free telephone number is 1.888.648.6769.
**Pharmacy Mail Order Service**

A convenient and less expensive mail order service is available for employees who require medications for ongoing health conditions or who will be in an area with no participating retail pharmacies for an extended period.

Here are a few guidelines for using the mail order service:

- Submit a 90-day written prescription from your physician.
- Request up to a 90-day supply of medication for two and a half copays (offer available to HSA members only when copays apply).
- Payments can be made by check or credit card: VISA, MasterCard, American Express, or Discover.
- Register your e-mail address to receive information on your orders.
- Order refills online at walgreens.com or via phone at 1.866.304.2846. Have your insurance card ready when you call!

**Choice90**

With this program, employees who require medications for an on-going health condition can obtain a 90-day supply of medication at a local retail pharmacy for two and a half copays. For more information, contact MedImpact Customer Care Center at 1.888.648.6769.

**Medication Prior Authorization**

Prescriptions for certain medications may require clinical approval before they can be filled, even with a valid prescription. These prescriptions may be limited to quantity, frequency, dosage or may have age restrictions. The authorization process may be initiated by you, your local pharmacy, or your physician by calling MedImpact at 1.888.648.6769.

**Step Therapy Program**

Step Therapy is a program which promotes the use of safe, cost-effective and clinically appropriate medications. This program requires that members try a generic alternative medication that is safe and equally effective before a brand name medication is covered. For a complete list of drugs under this program, please refer to the formulary at benefitoptions.az.gov.

**Specialty Pharmacy Program**

Certain medications used for treating chronic or complex health conditions are handled through the Walgreens Specialty Pharmacy Program. This program assists you with monitoring your medication needs and provides patient education.

The program includes monitoring of specific injection drugs and other therapies requiring complex administration methods and special storage, handling, and delivery.

Specialty medications are limited to a 31-day supply and may be obtained only at a Walgreens retail pharmacy or through the Walgreens Specialty Central Fill facility by calling 1.888.782.8443.

A Specialty Care Representative may contact you to facilitate your enrollment in the Specialty Pharmacy Program. You may also enroll directly into the program by calling 1.888.782.8443.
**Limited Prescription Drug Coverage**
Prescription drug coverage will generally be limited to medications that do not have an equally effective over-the-counter substitute.

**Non-Covered Drugs**
Certain medications are not covered as part of the Benefit Options Plan. If you find such a drug has been prescribed for you, discuss an alternative treatment with your doctor.

**Extended Vacation or Travel Abroad**
Whether you go to a retail pharmacy or use mail order for your prescriptions, you will need to notify MedImpact in writing of why you are requesting an additional supply of medication, the date when you are leaving, and how long you plan to be gone. MedImpact will be able to authorize a VACATION OVERRIDE allowing you to have the extra medication you will need provided you have the appropriate number of refills remaining.

Order refills at least two weeks in advance of your departure. If there is a problem, such as, not enough refills, you will have enough time to phone your physician. If you are using Mail Order, contact MedImpact at least three weeks in advance.

Copays will be the same as you would normally pay times the number of refills you need.

If you are already out of town and need a prescription call MedImpact. Tell the representative you are out of town and need to find a participating pharmacy in the area where you are located. You will need the zip code where you are visiting. In most cases, you will have several choices.

If your medication is lost, stolen, or damaged, replacement medication is not covered.

Flexible Spending Accounts

Employees have the option to enroll in Health Care and/or Dependent Care (child care) Flexible Spending Accounts (FSAs) administered by ASI. The FSAs allow you to pay eligible out-of-pocket Health Care and dependent care expenses with pre-tax dollars, reducing your taxable wages and, therefore, decreasing your taxes.

It is important to set aside only as much money in your FSA as you intend to use each plan year. Any monies not claimed by the employee within the specified period will be forfeited in accordance with the IRS Regulations. You specify the annual dollar amount of your earnings to be deposited to each account. This amount is deducted in 26 equal payments, one each pay period. New Hire deductions are spread out over remaining pay periods left in the year.

At your request, your FSA reimbursement may be deposited into your checking or savings account by enrolling in direct deposit. To obtain an application, visit the ASI website at asiflex.com. A description of each type of account is provided below.

- **ASI Flex Card**
  You may apply to use a debit card to access your funds. Please see page 47.

UNIVERSITY FACULTY AND STAFF: Please refer to your Human Resources website for the Flexible Spending Account options available to you.

**Health Care FSA**

This account allows you to set aside pre-tax dollars to pay for copays, coinsurance, deductibles, prescriptions, over-the-counter health care products, dental and vision care services. Over-the-counter medications are eligible with a prescription from your physician.

Note: Members and dependents (including spouses) enrolled in a Health Savings Account (HSA) do not qualify for a traditional Health Care FSA; instead they qualify for a Limited Purpose Flexible Spending Account. The only qualifying expenses for a Limited Purpose Flexible Spending Account are dental and vision care expenses. Please see page 45 for more details.

**Dependent Care FSA**

A dependent care FSA can be used to pay for out-of-pocket child care expenses for children under the age of 13. Also, you can use the account to pay for care for older dependents that live with you at least eight hours each day and require assistance with daily living.

Note: Dependent health and/or other expenses should be submitted through the Health Care FSA not the dependent care FSA. IRS regulations may require your contribution be reduced by ADOA because of IRS non-discrimination testing requirements.

There are additional IRS rules that apply to your dependent care FSA contributions. You may be eligible to claim the dependent care tax credit on your federal income tax return. Consult a tax advisor to determine if participating in this program or taking the dependent care tax credit gives you the greater advantage.

Before you incur an expense, determine if it is eligible for reimbursement on the ASI website, asiflex.com.
Deciding How Much to Deposit
Estimate the amount you expect to pay during the plan year for eligible, uninsured out-of-pocket health and/or dependent expenses. This estimated amount cannot exceed the established limits (Health Care limit = $2,650; Dependent Care limit = $5,000). Be conservative in your estimates, since any money remaining in your accounts will be forfeited. You can avoid forfeitures by planning carefully and contributing only the amount to cover routine, predictable expenses.

Note: IRS Regulations may require your contribution be reduced by ADOA because of IRS non-discrimination testing requirements.

Limited Purpose Flexible Spending Account
The Limited Purpose Flexible Spending Account (FSA) is a money-saving option available only to members who are enrolled in a Health Savings Account (HSA). You have the option to open a Limited Purpose Flexible Spending Account administered by ASI.

Members including dependents enrolled in an HSA are not allowed to enroll in a traditional Health Care Flexible Spending Account.

Limited FSA Highlights
- Allows you to set aside pre-tax dollars, reducing your taxable wages and, therefore, decreasing your taxes.
- You can specify the annual dollar amount to be deposited. This amount is deducted in 26 equal payments, one each pay period.
- At your request, your FSA reimbursement may be deposited into your checking or savings account by enrolling in Direct Deposit. To obtain an application, visit the ASI website at asiflex.com or sign into your online account and update your personal settings.
- Unclaimed funds are forfeited in accordance with the IRS regulations.

Purpose
The limited purpose health FSA works the same way as our traditional FSA with the difference that it limits what expenses are eligible for reimbursement. Dental and Vision care costs are the only reimbursable expenses covered under the limited purpose health FSA.

Before you incur an expense under your limited purpose health FSA, determine if it is eligible for reimbursement on the ASI website, asiflex.com.

Submitting Claims
You will need to fill out your claim form and attach copies of itemized invoices or your insurance plan explanation of benefits for services you received. You may file claims as soon as you incur charges and services have been provided. To submit a claim, you can:

- File a claim using the ASIFlex mobile app on your smart phone or tablet. Just snap a picture of your documentation and submit through the app!
- Submit your claims online at asiflex.com. You need your ASI-assigned PIN, along with your State of Arizona employee identification number (EIN), if you have not previously set up a user name and password. Just scan your documentation and submit through your online account.
- Fax your claim and documentation, toll-free to ASI at 1.877.879.9038.
- Mail the claim form and documentation to the location indicated on the claim form.

Reimbursement
Your reimbursement can be by direct deposit or check. An email or text notification of your reimbursement can be sent to you if you elect direct deposit.

To sign up for direct deposit, just sign into your account at ASIFlex.com and update your personal settings! We encourage you to also sign up for secure, electronic communication.

Claims are processed within two business days of receipt. However, processing time will depend upon the volume of the claims received.
You have from January 1, 2018 through December 31, 2018 to use account funds. All the claims for health care and dependent care expenditures must be filed with ASI prior to March 31, 2019 for reimbursement.

**ASIFlex Card**
For 2018, we are offering a new option for health care FSA participants—an ASIFlex Card debit card. Your debit card will be pre-loaded with the entire amount of the deductions you selected for the plan year. This makes it much more convenient to use your health care FSA contributions.

The ASIFlex Debit Card is a limited-use benefit card that will allow you to pay the merchant or health care provider directly from your health care FSA account. The card is accepted at health care and retail providers that accept VISA®.

At the point-of-sale, simply present your card for payment. The advantage of the card is that you do not have to pay with cash or personal credit card. The merchant will process the transaction; then the card company will report the transaction to ASIFlex.

Use of the debit card is not paperless, and documentation is required in many cases. ASIFlex will notify you if documentation is required. Only provide documentation to ASIFlex upon request.

You may apply for an ASIFlex Card with by filling out the application form and submitting it to ASIFlex. Just sign into your account and click on the card image to locate the application.

**End of Employment**
Your coverage ends at the end of the pay period of your last deduction when you leave employment. If your employment ends prior to the end of the plan year, any expenses must be incurred prior to your termination date for you to receive reimbursement.

Life Insurance

The Hartford
The Hartford is the Benefit Options vendor for Life Insurance. The Hartford is one of the largest insurance companies and serves millions of customers worldwide with over 200 years in business.

Basic Life Insurance and AD&D
You are automatically covered for $15,000 of basic life insurance provided by the State at no cost to you.

Non-smokers will receive an additional $1,000; eligibility is determined at the point of claim.

The State also pays for $15,000 of Accidental Death and Dismemberment (AD&D) insurance coverage. A $15,000 Seat Belt Benefit may also be payable if you die in an automobile accident and are wearing a seat belt. You are automatically covered in these three programs if benefit eligible.

Supplemental Life Insurance
Supplemental coverage is available in increments of $5,000 if you would like additional insurance beyond the $15,000 that the State already provides to you. Your cost for supplemental life and AD&D insurance is based on your age as of January 1st (the first day of the plan year). Premiums for supplemental life coverage above $35,000 are paid on an after-tax basis.

You may elect to increase or decrease your supplemental life and AD&D coverage only during Open Enrollment.

You may increase coverage in increments of $5,000 up to $20,000 not to exceed the maximum benefit of $500,000 or three times your annual salary, whichever is less. You can also decrease your coverage in increments of $5,000 or cancel coverage.

Your employee supplemental AD&D coverage amount is the same as the supplemental life amount that you elect.

In the event of your death, employee life and AD&D benefits are paid to your designated beneficiary. It is important to keep your beneficiary information current. If you choose more than one beneficiary, you can specify the amount paid or a percent paid to each beneficiary. You may change your beneficiary online during enrollment.

Remember: adding a beneficiary does not automatically delete a previously-designated beneficiary. If you wish to change a previously designated beneficiary, you must actively do so while enrolling or as needed throughout the year. Changes can be made on the Y.E.S. website.

Dependent Life Insurance
You may purchase life insurance coverage for your dependents in the amount of $2,000, $4,000, $6,000, $10,000, $12,000, $15,000, or $50,000. You do not have to elect any supplemental coverage with The Hartford for yourself in order to choose this dependent plan for up to $15,000. For the $50,000 coverage, you must have a combined basic and supplemental coverage of at least $50,000. Each person will be covered for the amount you choose for a small employee premium. In the event of a claim, you are automatically the beneficiary.
**Life Insurance Waiver of Premium**

The Hartford provides a Waiver of Premium provision under the Life Insurance provided to eligible State of Arizona employees. Waiver of Premium is a provision which allows insured employees to continue the employee’s and the employee’s dependent’s Life Insurance coverage without paying a premium if the employee:

- becomes disabled (as defined in the Life Insurance Policy) prior to age 65 and provides proof within one year,
- remains disabled for at least six consecutive months (elimination period). Premium payment is required during the elimination period.

Coverage continues while the employee remains disabled for the duration specified in the contract even if the Group Life Policy terminates. Any dependent coverage will terminate if the Group Life Policy terminates.

**What does disabled mean?**

Disabled means you are prevented by injury or sickness from doing any work for which you are, or could become qualified by education, training, or experience.

In addition, you will be considered disabled if you have been diagnosed with a life expectancy of 12 months or less.

The Hartford makes the determination of disability to qualify for Waiver of Premium for your Life Insurance.

**Filing a Life Insurance Waiver of Premium Claim**

If you are enrolled in The Hartford Long-Term Disability (LTD) plan, a Waiver of Premium will be automatically considered and no claim filing will be required. Approval for LTD does not automatically approve Waiver of Premium for Life Insurance.

If you are not enrolled in The Hartford Long-Term Disability (LTD) plan because you are an Arizona State Retirement System (ASRS) participant, and you expect to be out for longer than 90 days from the date of illness or injury, it is necessary for you to initiate review for Waiver of Premium. Call The Hartford at 1.866.712.3443, 7am to 6pm, Monday through Friday.

*Note: This summary is an overview of the Waiver of Premium provision under the State of Arizona Life Insurance policy with The Hartford. It is provided for illustrative purposes only and is not a contract. In the event of any difference between the summary and the Insurance certificate-booklet, the terms of the Insurance certificate-booklet apply.*

You can learn more by visiting thehartford.com/arizona or calling 1.866.712.3443.

Short-Term Disability

The Hartford

Benefit Options offers short-term disability insurance by The Hartford. STD Insurance is voluntary insurance where you pay the entire premium.

If you are unable to work due to a non-work-related injury (as determined by The Hartford), you may receive a weekly benefit for up to 26 weeks. If you are unable to work due to illness or pregnancy, you may receive a weekly benefit after your benefit waiting period for up to 18 or 22 weeks. The STD benefit pays up to 66-2/3% of your weekly pre-disability earnings. You must meet the actively-at-work provision.

How STD Works

If you elect Short-Term Disability (STD) insurance and The Hartford determines you are unable to work due to illness, pregnancy, or a non-work-related injury, you may receive a weekly benefit for up to 26 weeks for an injury, 22 or 18 weeks for illness. The STD benefits will pay up to 66-2/3% of your pre-disability earnings during your disability. The weekly minimum benefit is $57.69; the weekly maximum benefit is $769.27. There are no pre-existing conditions or limitations. You must meet the actively-at-work provision.

Offsets to Paid Benefits

Paid benefits will be offset after the benefit elimination period is exhausted by any sick, annual and donated leave paid to you.

<table>

<tbody>
<tr>
<td>$57.69</td>
<td>$769.27</td>
</tr>
</tbody>
</table>

Benefits are reduced by 100% of any sick, annual, and donated leave paid to you after the benefit waiting period.

If The Hartford has determined an overpayment has been paid, The Hartford has the right to recover any amount from you. You have the obligation to refund The Hartford any such amount. Contact your agency regarding the requirements for using sick and annual time when on a leave of absence.

Coverage Effective Dates

If you previously waived STD coverage and enroll during Open Enrollment, your insurance becomes effective on January 1, 2018.

Benefit Effective Dates/Waiting Periods

Your benefits will start on your first day of disability due to non-work-related injury or the 31st day of disability due to illness or pregnancy, if coverage was elected during your initial new hire/eligibility enrollment period. If you elect coverage after your initial new hire/eligibility enrollment period and become disabled during the first 12 months of being covered under the plan, your benefits will start on the 61st day of disability due to illness or pregnancy.

Disabled and Working Benefits

The Hartford STD program allows you to return to work and receive up to 100% of your pre-disability earnings between the STD benefit and your current weekly earnings.
Weekly Benefit Calculations under the Disabled and Working Formula

Example:
Assume an employee's covered earnings (base earnings) are $1,000 a week (A). The employee wants to return to work part-time and can do so on a reduced schedule; the employee is now making $300 a week (B). The STD benefit is 66 2/3% of an employee's covered earnings ($1,000 (A) X 66 2/3%) $667 (C).

Filing a claim is as simple as visiting thehartford.com/arizona or calling 1.866.712.3443.

UNIVERSITY FACULTY AND STAFF: To assist you in making an informed decision, please refer to your Human Resources website to compare both the state-sponsored and university-sponsored plans.
Long-Term Disability

As a benefits-eligible employee, you are automatically enrolled in one of the State’s two Long-Term Disability (LTD) programs (participation is mandatory). The retirement system to which you contribute determines the LTD program available to you. Refer to the list below for the name of your LTD program:

**Arizona State Retirement System (ASRS) Participants**

Broadspire is administered through ASRS. Your LTD benefit will pay up to 66-2/3% of your income earnings during your disability as determined by Broadspire and based on supporting medical documentation. Your benefits may be subject to an offset based on Social Security payments, retirement benefits and other disability benefits. LTD benefits can be paid until age 65 or until you are able to return to work after your disability as determined by Broadspire.

Medical documentation of your disability is required to continue your payment of benefits. You may learn more about the LTD plan offered by ASRS by visiting: azasrs.gov or calling 602.240.2000 or 1.800.621.3778 if outside of Phoenix. For hearing impaired, please call TTY 602.240.5333.

**Participants in Other State Retirement Systems**

- Public Safety Personnel Retirement System (PSPRS)
- Corrections Officer Retirement Plan (CORP)
- Elected Officials Retirement Plan (EORP)
- Optional Retirement Plans of the Universities (TIAA-CREF, and Fidelity Investments)
- Non-ASRS Participants

The Hartford is the vendor for Long-Term Disability administered through Benefit Options to non-ASRS participants. Your LTD benefit may pay up to 66-2/3% of your monthly pre-disability earnings with a maximum benefit of $10,000 per month during your disability as determined by The Hartford and based on supporting medical documentation.

Your benefits may be subject to an offset based on Social Security payments, retirement benefits and other income benefits. LTD benefits can be paid until age 65 or until you are able to return to work after your disability as determined by The Hartford. Medical documentation of your disability is required to continue your payment of benefits. You can learn more about the LTD plan offered by The Hartford by visiting thehartford.com/arizona or calling 1.866.712.3443.

If you are facing a possible long-term disability, you should contact The Hartford within 90 days from the date of your illness or injury. You will be provided the information you need to apply for LTD benefits. This could include a waiver of insurance premiums or you may be eligible for life insurance conversion (converting your supplemental policy from a group policy to an individual one). Although your life and/or disability insurance premiums may be waived, your medical, dental and vision insurance premiums are not waived. You are still responsible for payment of these premiums. Failure to remit timely premium payments will result in the termination of your benefits.

**Changing Retirement Systems**

Changing jobs between state agencies or within a single agency may result in a change to your retirement system. Please be aware that this change could impact your LTD coverage.

Deferred Compensation Plan
You’ve probably heard of the different types of retirement plans: 457(b), 403(b), 401(a) and Roth 457 Deferred Compensation Plans. As an employee of the State of Arizona, Deferred Compensation Plans were created specifically for you.

The Plans
The State of Arizona offers retirement plans for employees like you to set aside money from each paycheck toward retirement. These plans can help bridge the gap between what you have in your pension and Social Security, and how much you’ll need in retirement. The available plans include:

- 457(b) Traditional Deferred Compensation Plan – tax-deferred, available to State employees.
- 457(b) Roth Deferred Compensation Plan — after-tax, available to State employees.
- 401(a) Deferred Compensation Plan – tax-deferred, and available to State employees meeting certain age requirements. This plan also has an irrevocable requirement where, once you start making contributions, you cannot stop them or change the amount of the deductions until you sever employment.
- 403(b) Deferred Compensation Plan – tax-deferred, and available to State employees who work at the Arizona Department of Education or the School for the Deaf & Blind. Not available for the University faculty and staff (please refer to your Human Resources website for more information about the University-sponsored voluntary 403(b) retirement savings program.)

How It Works
There are three simple steps to participating in a deferred compensation plan:

1. **Enroll in your plan** – It’s easy to participate in deferred compensation. You can enroll on-line or on paper, just visit ArizonaDC.com for either option. Contributions are automatically deducted from each paycheck and deposited to your account, so you don’t have to remember to write a check. Use the Paycheck Impact Calculator, available at ArizonaDC.com, to see how saving pre-tax will affect your paycheck.

2. **Invest your money** – Once you are enrolled, you can choose from a wide variety of funds from the list of investment options available within your plan. After enrollment, you can use the Morningstar® Retirement Manager™ to get a personalized retirement strategy, including recommendations for your retirement income goal, savings rate and portfolio asset mix. Keep in mind, any investment involves risk and there’s no guarantee that any fund will achieve its investment objectives.

3. **Receive income** – Many public employees retire earlier than those in the private sector, and if that’s the case, you’ll want to invest enough to live in retirement on your terms. When investing in a 457(b) plan, distributions are available upon severance from employment, regardless of age! Before you begin taking payments, review our Retirement Checklist (available on ArizonaDC.com in our Library) to make sure you’re ready to transition from saving to spending.

Why Participate?
The State of Arizona Deferred Compensation Plans help put you in control of when, where and how much you invest. And that’s just the beginning—here are four more reasons why it’s smart to participate in your deferred compensation plan:

- You can start anytime – Your deferred compensation plans will work for you whether you're approaching retirement or just getting started.
• Every little bit helps – Even investing a small amount of money can really add up over time. And if you increase your contributions on a regular basis, the overall impact to your paycheck may not seem too painful.

• Consider putting raises or bonuses into deferred compensation – it’s an easy way to invest a little more.

• This plan is made for you – Unlike other retirement plans, a 457(b) deferred compensation plan takes into account that you may retire sooner than workers in the private sector. Generally, you don’t have to worry about paying a penalty for retiring early or beginning to take income from the plan before age 59½ (unlike 401(k) plans). Withdrawals are taxable income to you in the year the payments are made.

• You will get On Your Side service – Nationwide is ready and willing to answer your questions. They have been helping public sector employees save for retirement for more than 30 years and their local Retirement Specialists have helped educate thousands of employees about investing through their retirement plans. Feel free to call today — they do not charge a fee to work with a Retirement Specialist.

**COBRA Coverage**

**Electing Your COBRA Benefits**
Upon termination from State Service, qualified beneficiaries will be notified in writing of their COBRA rights and the deadline for returning their enrollment form(s).

Qualified beneficiaries can continue coverage after a qualifying life event which results in the loss of coverage. Qualified beneficiaries must inform the ADOA Benefit Services Division in writing no later than 60 days after the qualifying life event.

If notification is not received within the 60 days of the qualified life event, the qualified beneficiary will not be entitled to choose COBRA coverage.

COBRA coverage may be elected for some qualified beneficiaries but not others, if qualified beneficiaries were covered by the Plan on the date of the event (e.g., termination of employment, death, divorce) that led to the loss of regular coverage.

A parent may elect or reject COBRA coverage on behalf of dependent children living with him or her.

If one of the dependents elects COBRA coverage for him/herself only, the enrollment form must be signed by that dependent unless the dependent is a minor. When the dependent is a minor, the employee-parent must sign the form.

**Changing Your COBRA Benefits**
If you have a Qualified Life Event while you are enrolled for COBRA coverage, such as marriage, birth of a child, or adoption, you enroll that spouse or child for the coverage for the balance of the period of your COBRA coverage, provided you do so within 30 days after the marriage, birth or placement. Adding a spouse or child may increase the amount you must pay for COBRA coverage.

**Second Qualified Life Event**
If you have a second Qualified Life Event while under COBRA coverage and you were eligible for COBRA coverage as the result of an employee’s termination (for other than gross misconduct) or the reduction in hours of an employee, you may be granted an extension of coverage for up to 36 months from the date of termination or reduction in hours.

The extension applies only to qualified beneficiaries, including children of the employee who were born or adopted while the employee was on COBRA coverage. (Qualified beneficiaries include an employee’s spouse who was covered by the Plan and an employee’s dependent children who were covered by the Plan). Qualified beneficiaries must inform the ADOA Benefit Services Division no later than 31 days from the QLE.

**COBRA for Dependent Children over 26**
If your child is age 26 years old and is no longer eligible to continue on your coverage, he/she may be eligible for continuation coverage for up to 36 months pursuant to the Consolidated Omnibus Budget Reconciliation Act (COBRA).
The member must notify the Benefit Services Division when a dependent is no longer eligible or fails to meet the criteria for coverage of a dependent and complete an Enrollment/Change form to cancel the dependent from their benefit plan.

A COBRA enrollment form with coverage information and rates will be mailed to the employee’s home address on file by the Benefit Services Division.

**Your Contributions**
By law, while on COBRA coverage, you must pay the total cost of your COBRA coverage. You are charged the full amount of the cost for similarly-situated employees or families – both the employee’s and the employer’s portion - plus an additional 2% administrative fee.

**When to Pay**
You must make the first payment within 45 days of notifying the ADOA Benefit Services Division of selection of COBRA coverage. Thereafter, premiums are due on the first day of each month of coverage.

After your first premium payment, you may have a grace period of 30 days from the usual due date to pay the premiums.

Continuation Coverage Explained

Federal law requires that most group health plans (including this Plan) give employees and their eligible dependents the opportunity to continue their health care coverage when there is a “qualifying event” that would result in a loss of coverage under an employer’s plan. Depending on the type of qualifying event, “qualified beneficiaries” can include the employee (or retired employee) covered under the group health plan, the covered employee’s spouse, and the dependent children of the covered employee.

Continuation coverage is the same coverage that the Plan gives to other participants or beneficiaries under the Plan who are not receiving continuation coverage. Each qualified beneficiary who elects continuation coverage will have the same rights under the Plan as other participants or beneficiaries covered under the Plan, including open enrollment and special enrollment rights.

Continuation Coverage Duration

In the case of a loss of coverage due to end of employment or reduction in hours of employment, coverage generally may be continued for up to a total of 18 months. In the case of losses of coverage due to an employee’s death, divorce or legal separation, the employee’s becoming entitled to Medicare benefits or a dependent child ceasing to be a dependent under the terms of the plan, coverage may be continued for up to a total of 36 months. When the qualifying event is the end of employment or reduction of the employee’s hours of employment, and the employee became entitled to Medicare benefits less than 18 months before the qualifying event, COBRA continuation coverage for qualified beneficiaries other than the employee lasts until 36 months after the date of Medicare entitlement. This notice shows the maximum period of continuation coverage.
available to the qualified beneficiaries. Continuation coverage will be terminated before the end of the maximum period if:

- Any required premium is not paid in full on time,
- A qualified beneficiary becomes covered, after electing continuation coverage, under another group health plan that does not impose any pre-existing condition exclusion for a pre-existing condition of the qualified beneficiary (note: there are limitations on plans’ imposing a preexisting condition exclusion and such exclusions will become prohibited beginning in 2014 under the Affordable Care Act),
- A qualified beneficiary becomes entitled to Medicare benefits (under Part A, Part B, or both) after electing continuation coverage, or
- The employer ceases to provide any group health plan for its employees.

Continuation coverage may also be terminated for any reason the Plan would terminate coverage of participant or beneficiary not receiving continuation coverage (such as fraud).

**Extending COBRA Continuation Coverage Period**

If you elect continuation coverage, an extension of the maximum period of coverage may be available if a qualified beneficiary is disabled or a second qualifying event occurs. You must notify Member Services at 602.542.5008 or 800. 304.3687 of a disability or a second qualifying event in order to extend the period of continuation coverage. Failure to provide notice of a disability or second qualifying event may affect the right to extend the period of continuation coverage.

An 11-month extension of coverage may be available if any of the qualified beneficiaries is determined by the Social Security Administration (SSA) to be disabled. The disability must have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of continuation coverage. You or another member of your family must notify the ADOA Benefit Services Office of the disability determination by the Social Security Administration before the end of the 18-month COBRA coverage period. Each qualified beneficiary who has elected continuation coverage will be entitled to the 11-month disability extension if one of them qualifies. If the qualified beneficiary is determined by SSA to no longer be disabled, you must notify the Plan of that fact within 30 days after SSA’s determination.

**Second Qualifying Event**

An 18-month extension of coverage will be available to spouses and dependent children who elect continuation coverage if a second qualifying event occurs during the first 18 months of continuation coverage. The maximum amount of continuation coverage available when a second qualifying event occurs is 36 months. Such second qualifying events may include the death of a covered employee, divorce or separation from the covered employee, the covered employee’s becoming entitled to Medicare benefits (under Part A, Part B, or both), or a dependent’s child ceasing to be eligible for coverage as a dependent under the Plan. These events can be a second qualifying event only if they would have caused the qualified beneficiary to lose coverage under the Plan if the first qualifying event had not occurred. You must notify the Plan within 60 days after a second qualifying event occurs if you want to extend your continuation coverage. Qualified beneficiaries must inform the ADOA Benefit Services Division no later than 60 days from the QLE.

To elect continuation coverage, you must complete the Election Form and furnish it according to the directions on the form. Each qualified beneficiary has a separate right to elect continuation coverage.

**COBRA Continuation Coverage Election**

To elect continuation coverage, you must complete the Election Form and furnish it according to the directions on the form. Each qualified beneficiary has a separate right to elect continuation coverage. For example, the employee’s spouse may elect continuation coverage even if the employee does not. Continuation coverage may
be elected for only one, several, or for all dependent children who are qualified beneficiaries. A parent may elect to continue coverage on behalf of any dependent children. The employee or the employee’s spouse can elect continuation coverage on behalf of all the qualified beneficiaries.

In considering whether to elect continuation coverage, you should take into account that you have special enrollment rights under federal law. You have the right to request special enrollment in another group health plan for which you are otherwise eligible (such as a plan sponsored by your spouse’s employer) within 30 days after your group health coverage ends because of the qualifying event listed above. You will also have the same special enrollment right at the end of continuation coverage if you get continuation coverage for the maximum time available to you.

**COBRA Continuation Coverage Cost**

Generally, each qualified beneficiary may be required to pay the entire cost of continuation coverage. The amount a qualified beneficiary may be required to pay may not exceed 102 percent (or, in the case of an extension of continuation coverage due to a disability, 150 percent) of the cost to the group health plan (including both employer and employee contributions) for coverage of a similarly situated plan participant or beneficiary who is not receiving continuation coverage. The required payment for each continuation coverage period for each option is described in this notice.

**Making COBRA Continuation Coverage Payments**

**First payment for continuation coverage**

If you elect continuation coverage, you do not have to send any payment with the Election Form. However, you must make your first payment for continuation coverage no later than 45 days after the date of your election. (This is the date the Election Notice is post-marked, if mailed.) COBRA begins the day after your active coverage ends and is not effective until payment is made. If you do not make your first payment for continuation coverage in full no later than 45 days after the date of your election, you will lose all continuation coverage rights under the Plan. You are responsible for making sure that the amount of your first payment is correct. You may contact Member Services at 602.542.5008 or 800.304.3687 to confirm the correct amount of your first payment.

**Periodic payments for continuation coverage**

After you make your first payment for continuation coverage, you will be required to make periodic payments for each subsequent coverage period. The amount due for each coverage period for each qualified beneficiary is shown in this notice. The periodic payments can be made monthly. Under the Plan, each of these periodic payments for continuation coverage is due on the 1st day for that coverage period. You may instead make payments for continuation coverage for the following coverage periods, due on the following dates: If you make a periodic payment on or before the first day of the coverage period to which it applies your coverage under the Plan will continue for that coverage period without any break. Billing statements are mailed as a courtesy. If you do not receive a bill, you may call Member Services at 602.542.5008 or 800.304.3687 for assistance.

**Grace periods for periodic payments**

Although periodic payments are due on the dates shown above, you will be given a grace period of 30 days after the first day of the coverage period to make each periodic payment. Your continuation coverage will be provided for each coverage period as long as payment for that coverage period is made before the end of the grace period for that payment.
**Submitting Payments**
All Payments shall be made via check or money order payable to ADOA - HITF. If you fail to make a periodic payment before the end of the grace period for that coverage period, you will lose all rights to continuation coverage under the Plan.

Payment address:
Arizona Department of Administration - Health Insurance Trust Fund (HITF)
100 N. 15th Ave., #302
Phoenix, AZ  85007

**Declining COBRA Coverage**
To decline COBRA coverage, return the COBRA enrollment form with the “I decline COBRA coverage‘ option marked. COBRA coverage will not be available to you once it is declined.

**Enrolling in another group health plan**
You may be eligible to enroll in coverage under another group health plan (like a spouse’s plan), if you request enrollment within 30 days of the loss of coverage.

If you or your dependent chooses to elect COBRA continuation coverage instead of enrolling in another group health plan for which you’re eligible, you’ll have another opportunity to enroll in the other group health plan within 30 days of losing your COBRA continuation coverage.

**What factors should I consider when choosing coverage options?**
When considering your options for health coverage, you may want to think about:

- **Premiums:** Your previous plan can charge up to 102% of total plan premiums for COBRA coverage. Other options, like coverage on a spouse’s plan or through the Marketplace, may be less expensive.
- **Provider Networks:** If you’re currently getting care or treatment for a condition, a change in your health coverage may affect your access to a particular health care provider. You may want to check to see if your current health care providers participate in a network as you consider options for health coverage.
- **Drug Formularies:** If you’re currently taking medication, a change in your health coverage may affect your costs for medication – and in some cases, your medication may not be covered by another plan. You may want to check to see if your current medications are listed in drug formularies for other health coverage.
- **Severance Payments:** If you lost your job and got a severance package from your former employer, your former employer may have offered to pay some or all your COBRA payments for a period. In this scenario, you may want to contact the Department of Labor at 1-866-444-3272 to discuss your options.
- **Service Areas:** Some plans limit their benefits to specific service or coverage areas – so if you move to another area of the country, you may not be able to use your benefits. You may want to see if your plan has a service or coverage area, or other similar limitations.
- **Other Cost-Sharing:** In addition to premiums or contributions for health coverage, you probably pay copayments, deductibles, coinsurance, or other amounts as you use your benefits. You may want to check to see what the cost-sharing requirements are for other health coverage options. For example, one option may have much lower monthly premiums, but a much higher deductible and higher copayments.

If you fail to return an enrollment form, your right to COBRA coverage will expire after 60 days from the date on of the notice. If you have any questions or need additional information, please visit: benefitoptions.az.gov or cms.hhs.gov/COBRAContinuationofCOV.
This does not fully describe continuation coverage or other rights under the Plan. More information about continuation coverage and your rights under the Plan is available on page 66 or in your summary plan description.

For more information about your rights under COBRA, the Health Insurance Portability and Accountability Act (HIPAA), and other laws affecting group health plans, visit the U.S. Department of Labor’s Employee Benefits Security Administration (EBSA) website at dol.gov/ebsa or call their toll-free number at 1.866.444.3272.

**Keep Your Plan Informed of Address Changes**

To protect you and your family’s rights, you should keep the Plan Administrator informed of any changes in your address and the addresses of family members. You should also keep a copy, for your records, of any notices you send to the Plan Administrator.

**Health Insurance Marketplace**

You may be able to get coverage through the Health Insurance Marketplace that costs less than COBRA continuation coverage.

*What is the Health Insurance Marketplace?*

The Marketplace offers “one-stop shopping” to find and compare private health insurance options. In the Marketplace, you could be eligible for a new kind of tax credit that lowers your monthly premiums and cost-sharing reductions (amounts that lower your out-of-pocket costs for deductibles, coinsurance, and copayments) right away, and you can see what your premium, deductibles, and out-of-pocket costs will be before you decide to enroll. Through the Marketplace you’ll also learn if you qualify for free or low-cost coverage from Medicaid or the Children’s Health Insurance Program (CHIP). You can access the Marketplace for your state at HealthCare.gov. Coverage through the Health Insurance Marketplace may cost less than COBRA continuation coverage. Being offered COBRA continuation coverage won’t limit your eligibility for coverage or for a tax credit through the Marketplace.

*When can I enroll in Marketplace coverage?*

You always have 60 days from the time you lose your job-based coverage to enroll in the Marketplace. That is because losing your job-based health coverage is a “special enrollment” event. After 60 days, your special enrollment period will end and you may not be able to enroll, so you should act right away. In addition, during what is called an “open enrollment” period, anyone can enroll in Marketplace coverage.

*If I sign up for COBRA continuation coverage, can I switch to coverage in the Marketplace? What about if I choose Marketplace coverage and want to switch back to COBRA continuation coverage?*

If you sign up for COBRA continuation coverage, you can switch to a Marketplace plan during a Marketplace open enrollment period.

You can also end your COBRA continuation coverage early and switch to a Marketplace plan if you have another qualifying event such as marriage or birth of a child through something called a “special enrollment period.” However, be careful though - if you terminate your COBRA continuation coverage early without another qualifying event, you’ll have to wait to enroll in Marketplace coverage until the next open enrollment period, and could end up without any health coverage in the interim.

If you sign up for Marketplace coverage instead of COBRA continuation coverage, you cannot switch to COBRA continuation coverage under any circumstances.
Once you’ve exhausted your COBRA continuation coverage and the coverage expires, you’ll be eligible to enroll in Marketplace coverage through a special enrollment period, even if Marketplace open enrollment has ended.

To find out more about enrolling in the Marketplace, such as when the next open enrollment period will be and what you need to know about qualifying events and special enrollment periods, visit HealthCare.gov or call 1.800.318.2596.
Legal Notices

General COBRA Notice
This notice has important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. This notice explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect your right to get it. When you become eligible for COBRA, you may also become eligible for other coverage options that may cost less than COBRA continuation coverage.

The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you and other Members of your family when group health coverage would otherwise end. For more information about your rights and obligations under the Plan and under federal law, you should review the Plan’s Summary Plan Description or contact the Benefit Services Division.

You may have other options available to you when you lose group health coverage. For example, you may be eligible to buy an individual plan through the Health Insurance Marketplace. By enrolling in coverage through the Marketplace, you may qualify for lower costs on your monthly premiums and lower out-of-pocket costs. Additionally, you may qualify for a 30-day special enrollment period for another group health plan for which you are eligible (such as a Spouse’s plan), even if that plan generally doesn’t accept late enrollees.

What is COBRA continuation coverage?
COBRA continuation coverage is a continuation of Plan coverage when it would otherwise end because of a life event. This is also called a “qualifying event.” Specific qualifying events are listed later in this notice. After a qualifying event, COBRA continuation coverage must be offered to each person who is a “qualified beneficiary.” You, your Spouse and your Dependent Children could become qualified beneficiaries if coverage under the Plan is lost because of the qualifying event. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

If you’re an Employee, you’ll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- Your hours of employment are reduced, or
- Your employment ends for any reason other than your gross misconduct.

If you are the Spouse of an Employee, you will become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- Your Spouse dies;
- Your Spouse’s hours of employment are reduced;
- Your Spouse’s employment ends for any reason other than his or her gross misconduct;
- Your Spouse becomes entitled to Medicare benefits (under Part A, Part B, or both); or
- You become divorced or legally separated from your Spouse.

Your Dependent Children will become qualified beneficiaries if they lose coverage under the Plan because of the following qualifying events:
• The parent-Employee dies;
• The parent-Employee’s hours of employment are reduced;
• The parent Employee’s employment ends for any reason other than his or her gross misconduct;
• The parent-Employee become entitled to Medicare benefits (Part A, Part B, or both);
• The parents become divorced or legally separated; or
• The Child stops being eligible for coverage under the Plan as a “Dependent Child”

Sometimes, filing a proceeding in bankruptcy under title 11 of the United States Code can be a qualifying event.
If a proceeding in bankruptcy is filed with respect to the Benefit Options Plan, and that bankruptcy results in a
loss of coverage of any Retired Employee covered under the Plan, the Retired Employee will become a qualified
beneficiary. The Retired Employee’s Spouse, Surviving Spouse, and Dependent Children will also become
qualified beneficiaries if bankruptcy results in the loss of their coverage under the Plan.

Health Insurance Marketplace Coverage Options

General information
When key parts of the health care reform law (the Affordable Care Act or ACA) take effect in 2014, there will be
a new way to buy health insurance: through the health insurance marketplace. To assist you as you evaluate
options for you and your family, this notice provides some basic information about the new marketplaces and
employment based health coverage offered by your employer.

What is the health insurance marketplace?
The marketplace is designed to help you find health insurance that meets your needs and fits your budget. The
marketplace offers "one-stop shopping" to find and compare private health insurance options. You can enroll for
health insurance coverage through the Marketplace during an enrollment period that begins in October 2013.
Coverage can begin as early as January 1, 2014.

Can I save money on my health insurance premiums in the marketplace?
You may qualify to save money and lower your monthly premium, but only if your employer does not offer
coverage, or offers coverage that doesn’t meet certain standards. The savings on your premium that you’re
eligible for depends on your household income.

Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?
Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be
eligible for a tax credit through the Market place and may wish to enroll in your employer’s health plan.
However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-
sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain
standards. If the cost of a plan from your employer that would cover you (and not any other members of your
family) is more than 9.69% of your household income for that year, or if the coverage your employer provides
does not meet the “minimum value” standard set by the Affordable Care Act, you may be eligible for a tax
credit.

Note: If you purchase a health plan through the marketplace instead of accepting health coverage offered by
your employer, then you will lose any employer contribution to the State of Arizona Benefit Options Plan. Also,
this employer contribution – as well as your employee contribution to State of Arizona Benefit Options Plan – is
often excluded from income for Federal and State income tax purposes. Future enrollment in the State of
Arizona Benefit Options Plan will be limited to open enrollment (which typically happens in the fall).

How can I get more information?
For more information about your coverage offered by your employer, please check your summary plan description or contact the Arizona Department of Administration Benefit Services Division contact information included in employer information chart.

The marketplace can help you evaluate your coverage options, including your eligibility for coverage through the marketplace and its cost. Visit www.HealthCare.gov for more information, including an online application for health insurance coverage and a Health Insurance Marketplace in your area.

**Information about health coverage offered by your employer**

If you decide to complete an application for coverage in the marketplace, you will be asked to provide the information included in the chart below. This employer information is numbered to correspond to the marketplace application.

Here is some basic information about health coverage offered by this employer:

- As your employer, we offer a health plan to some employees and dependents. Eligible employees and dependents are defined in the EPO, PPO and HSA plan descriptions (Article 3 Eligibility and Participation) posted on the Benefit Options website www.benefitoptions.az.gov
- This coverage provided meets the minimum value standard, and the cost of this coverage is intended to be affordable.

If you decide to shop for coverage in the marketplace, www.HealthCare.gov will guide you through the process. The employer information you can enter when you visit www.HealthCare.gov will help you determine if you can get a subsidy (in the form of a tax credit) to lower your monthly premiums for coverage purchased through the marketplace.

**Newborns’ and Mothers’ Protection Act of 1996 Notice**

Under federal law, group health plans and health insurance issuers offering group health insurance generally may not restrict benefits for any hospital length of stay in connection with childbirth for the mother or the newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, the plan or issuer may pay for a shorter stay if the attending physician (e.g., your physician, nurse, or a physician assistant), after consultation with the mother, discharges the mother or her newborn earlier. Also, under federal law, plans and insurers may not set the lever of benefits or out-of-pocket costs so
that any later portion of the 48-hour stay is treated in a manner less favorable to the mother or newborn than any earlier portion of the stay.

In addition, a plan or issuer may not, under federal law, require that a physician or other health care provider obtain authorization for prescribing a length of stay up to 48 hours (or 96 hours). However, to use certain providers or facilities, or to reduce your out-of-pocket costs, you may be required to obtain precertification. Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage through the Benefit Options program and about your options under Medicare’s prescription drug coverage. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare’s prescription drug coverage: Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.

ADOA has determined that the prescription drug coverage offered by the Benefits Options Plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare Drug Plan.

When Can You Join a Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15 to December 7. However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two-month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens to Your Current Coverage If You Decide to Join a Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current Benefit Options coverage will be affected. If you enroll in a Medicare Part D Plan, you will not be eligible for Benefit Options medical coverage.

If you do decide to join a Medicare drug plan and drop your current Benefit Options coverage, be aware that you and your dependents will not be able to get this coverage back.

When Will You Pay a Higher Premium (Penalty) To Join a Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with Benefit Options and do not join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium.
You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

**Wellness Program Notice**

Health Impact Program (HIP) is a voluntary wellness program available to all employees. The program is administered according to federal rules permitting employer-sponsored wellness programs that seek to improve employee health or prevent disease, including the Americans with Disabilities Act of 1990, the Genetic Information Nondiscrimination Act of 2008, and the Health Insurance Portability and Accountability Act, as applicable, among others. If you choose to participate in the wellness program you will be asked to complete a voluntary health risk assessment or "HRA" that asks a series of questions about your health-related activities and behaviors and whether you have or had certain medical conditions (e.g., cancer, diabetes, or heart disease). You will also be asked to complete a biometric screening, which will include screening for height, weight, blood pressure and a blood test – lipid profile – including cholesterol, glucose, and an optional Prostate Specific Antigen (PSA) and Hemoglobin A1C screens. You are not required to complete the HRA or to participate in the blood test or other medical examinations.

However, employees who choose to participate in the wellness program will receive an incentive of up to $200 for completing 500 activity points. Although you are not required to complete the HRA or participate in the biometric screening, only employees who do so will be eligible to receive the Health Impact incentive.

Additional incentives of prize drawings may be available for employees who participate in certain health-related activities or events or achieve certain health outcomes if applicable. If you are unable to participate in any of the health-related activities or achieve any of the health outcomes required to earn an incentive, you may be entitled to a reasonable accommodation or an alternative standard. You may request a reasonable accommodation or an alternative standard by contacting Wellness at wellness@azdoa.gov.

The information from your HRA and the results from your biometric screening will be used to provide you with information to help you understand your current health and potential risks, and may also be used to offer you services through the wellness program, such as health coaching. You also are encouraged to share your results or concerns with your own doctor.

Medical information that personally identifies you that is provided in connection with the wellness program will

Your health information will not be sold, exchanged, transferred, or otherwise disclosed except to the extent permitted by law to carry out specific activities related to the wellness program, and you will not be asked or required to waive the confidentiality of your health information as a condition of participating in the wellness program or receiving an incentive. Anyone who receives your information for purposes of providing you services as part of the wellness program will abide by the same confidentiality requirements. The only individual(s) who will receive your personally identifiable health information is (are) registered nurses and health coaches in order to provide you with services under the wellness program.

**Women's Health and Cancer Rights Act Notice**

The Women’s Health and Cancer Rights Act of 1998 (WHCRA) was signed into law on October 21, 1998. The WHCRA requires group health plans that provide coverage for mastectomies to also provide coverage for reconstructive surgery and prostheses following mastectomies.

Because the Plan health plan offers coverage for mastectomies, WHCRA applies to the Plan. The law mandates that a participant who is receiving benefits, on or after the law’s effective date, for a covered mastectomy and who elects breast reconstruction in connection with the mastectomy will also receive coverage for:

1. Reconstruction of the breast on which the mastectomy has been performed;
2. Surgery and reconstruction of the other breast to produce a symmetrical appearance; and
3. Prosthesis and treatment of physical complications of all stages of mastectomy, including lymphedemas.

This coverage will be provided in consultation with the patient and the patient’s attending physician and will be subject to the same annual deductible, coinsurance and/or copayment provisions otherwise applicable under the Plan.
