ELIGIBILITY

Domestic Partners

Pursuant to a change in Arizona law, A.R.S. § 38-651(O), domestic partners are not eligible dependents under the State of Arizona's benefit plan. As a result, this Arizona law precludes previously qualified same-sex and opposite-sex domestic partners from receiving benefits that were created by administrative rulemaking in Arizona Administrative Code § R2-5-101(22).

Accordingly, the State of Arizona will not be offering benefits to opposite-sex domestic partners.

The State of Arizona intended that this law apply equally to same-sex domestic partners. However, a United States Federal District Court, in *Diaz v. Brewer, et al.* (2:09-cv-02402 JWS), imposed a preliminary injunction preventing the State of Arizona from implementing A.R.S. § 38-651 (O) as applied to qualified same-sex domestic partners. The case is still in litigation and the State intends to defend its right to fully implement the statute and discontinue offering benefits to all domestic partners.

Important Disclosure and Disclaimer to Qualified Same-Sex-Domestic Partners:

As a result of the U.S. District Court preliminary injunction, the State of Arizona is compelled at this time to continue offering benefits to qualified same-sex domestic partners. Qualified same-sex domestic partners are herein ADVISED and CAUTIONED that the preliminary injunction possibly could be lifted after open enrollment or during the 2013 Plan Year. If that were to occur, the State of Arizona would no longer be compelled by the U.S. District Court injunction and the State of Arizona reserves the right to immediately discontinue offering benefits to same-sex domestic partners during the 2013 Plan Year and thereafter. This also would include dependent children of the non-employee qualified same-sex domestic partner unless those individual(s) were an actual dependent of the State employee as defined under the State's benefit plan. **Qualified same-sex domestic partners and their dependents should not have an expectation that coverage will continue or an expectation that the benefits have vested for an entire plan year because the preliminary injunction may be lifted in the future.**

ELIGIBILITY Continued

Eligible Retirees

The following persons are eligible to participate in the Arizona Benefit Options program:

- A. Retirees receiving a pension under a state-sponsored retirement plan and continuing enrollment in the Retiree health and/or dental plan.
- B. Long-Term Disability (LTD) participants collecting benefits under a state-sponsored plan.
- C. Eligible former elected officials and their qualified dependents if the elected official has at least 5 years of credited service in the Elected Officials Retirement Plan; was covered under a group health or accident plan at the time of leaving office; served as an elected official on or after January 1, 1983; and applies for enrollment within 31 days of leaving office or retiring.
- D. Surviving spouses and qualified dependents provided they were covered at the time of the retiree's death.
- E. Surviving spouses of former elected officials provided they were covered at the time of the official's death.

Eligibility Rules

- A. As an eligible retiree, if you elected ADOA's medical or dental insurance, you may make changes to your plan(s) during Open Enrollment or changes consistent with a Qualified Life Event (QLE).
- B. If you have declined or cancelled ADOA's medical and/or dental coverages in the past, but have maintained either coverage through ADOA, you may re-elect medical and/or dental coverages during an Open Enrollment period.
- C. If you have a qualified dependent that is

not currently enrolled in Arizona Benefit Options, he or she may be added during an Open Enrollment period. Dependents not enrolled during Open Enrollment cannot be added until the next Open Enrollment unless there is a Qualified Life Event (QLE). You have 31 days from the QLE to change your enrollment through the ADOA Benefit Services Division. The change must be consistent with the event. Please refer to the Benefit Services Division website for more information about QLEs.

Eligible Dependents

At Open Enrollment, you may add the following dependents to your plans (proper documentation may be required):

- A. Your legal spouse
- B. Your same-sex domestic partner subject to the following qualifications and proper documentation:

Important Disclosure and Disclaimer:

The State of Arizona is not offering benefits to opposite-sex domestic partners. As a result of the U.S. District Court preliminary injunction (described in detail on page 8 in the "Eligibility" section of this manual), the State of Arizona is compelled at this time to continue offering benefits to qualified same-sex domestic partners. Qualified same-sex domestic partners are ADVISED and CAUTIONED that the preliminary injunction possibly could be lifted after open enrollment or during the 2013 Plan Year. If that were to occur, the State of Arizona would no longer

ELIGIBILITY Continued

be compelled by the U.S. District Court injunction and the State of Arizona reserves the right to immediately discontinue offering benefits to qualified same-sex domestic partners during the 2013 Plan Year and thereafter. This also would include dependent children of the non-employee qualified same-sex domestic partner unless those individual(s) were an actual dependent of the State employee as defined under the State's benefit plan. **Qualified same-sex domestic partners and their dependents should not have an expectation that coverage will continue or an expectation that the benefits have vested for an entire plan year because the preliminary injunction may be lifted in the future.**

ELIGIBILITY Continued

- c. Your or your same-sex domestic partner's foster children under the age of 26;
- d. A child placed in your home by court order pending adoption;

Qualified Medical Child Support Order (QMCSO)

If You and Your Spouse are both State Retirees

You cannot enroll as a single subscriber and be enrolled as a dependent on your spouse's policy simultaneously. If you do enroll in this manner, no refunds will be made for the premiums paid.

Subrogation

Subrogation is the right of an insurer to recover all amounts paid out on behalf of you, the insured. In the event you, as a Benefit Options member, suffer an injury or illness for which another party may be responsible, such as someone injuring you in an accident, and Benefit Options pays benefits as a result of that injury or illness, Benefit Options has the legal right to recover against the party responsible for your illness or injury or from any settlement or court judgment you may receive, up to the amount of benefits paid out by Benefit Options. As a Benefit Options member you are required to cooperate with the vendors acting on behalf of ADOA during subrogation process. Failure to do so may result in legal action by the State to recover funds received by you.

Return to Work Retirees

Former retired State employees returning to Active State Employment can receive health benefits through the Benefit Options Health Plan. If a retiree returns to work and meets the eligibility guidelines, they can elect to enroll in Active benefits and decline retiree benefits. Leaving state service is considered a Qualified Life Event (QLE). The QLE then allows them to enroll in retiree benefits again.

CHANGING YOUR BENEFITS

You may only change your benefit elections when you experience a Qualified Life Event (QLE). If you have not experienced a QLE, you must wait until the next open enrollment period to make benefit changes.

Qualifying Life Events

Events that may be considered include but are not limited to:

- A. Changes in your marital status: marriage, divorce, legal separation, annulment, death of spouse;
- B. Changes in dependent status: birth adoption, placement for adoption, guardianship, death, or dependent eligibility due to age.
- C. Changes in employment status or work schedule that affect benefits eligibility for you, your spouse, and/or dependent.

Submitting a Change Request

Requested benefit changes must be submitted in writing to ADOA Benefit Services Division within 31 calendar days of the event.

Effective Date of the Change

The effective date for benefit changes resulting from birth, adoption, or placement for adoption is the date of the event.

The effective date for benefit changes based on all other QLEs is the first day of the next calendar month, following the date the retiree submits the requested change, in writing, to ADOA Benefit Services Division.

Please consult with ADOA Benefit Services Division to determine whether or not the life event you are experiencing qualifies under the regulations.

Premium Changes Due to QLEs

Any change in premiums due to a QLE will be in effect the first of the month following the receipt of all QLE documentation.

Refer to the flow chart on the following page for help in determining the effective dates of qualified life events.

New Retiree's Option of Life Insurance Continuation

As a new retiring State of Arizona employee, you have the option of continuing all or a portion of your Life Insurance coverage with the Hartford. There are two options for continuation of coverage:

- Converting your group Life coverage to your own individual policy.
- Porting your Life coverage which continues as a term life policy. To be eligible for portability, you must terminate employment prior to Social Security Normal Retirement Age.

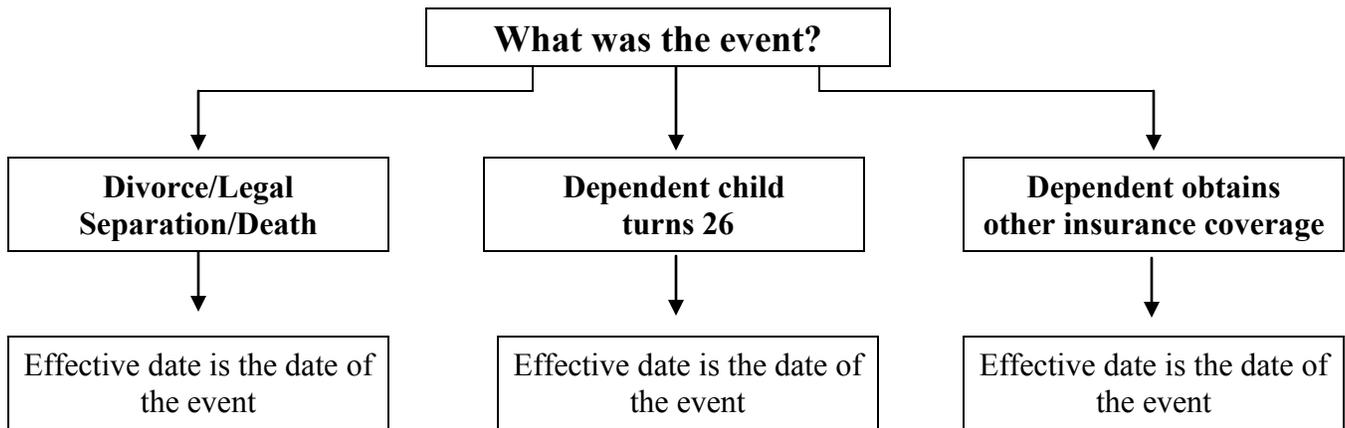

To apply for Conversion or Portability, you must apply within 31 days of the termination of your Life Insurance or within 15 days of the date you receive the COBRA notification. For questions or to apply, call The Hartford at 1.877.320.0484.

UNDERSTANDING YOUR INSURANCE COST

Calculating your monthly costs, premium benefit, and pension check can be simple. Each retiree's circumstances are different, but understanding how all the pieces work together will make it an easy process. First, premium benefit for the basic program varies depending on your years of service with the State of Arizona, the retirement system you are enrolled in, and the insurance plan in which you enroll. Second, ADOA, ASRS, and PSPRS offer retiree health insurance plans. Premiums differ depending on the plan option selected and whether you are enrolled in single or family coverage.

The worksheet below will help you determine the amount of insurance premiums that will be deducted from your monthly pension check. In the event your pension check does not cover the net premium, you will be identified as a direct pay member and will be required to pay ADOA or the insurance vendors.

What You Should Know About Premium Payments

You are responsible to pay all premiums. Failure to keep your premiums current will result in cancellation of your insurance coverage. If the sum of your premium benefit subsidy and pension is greater than or equal to the total monthly premium, you will be considered a non-direct pay member. Non-direct pay members do not receive a bill.

- If you are an LTD member or Surviving Spouse not receiving a pension check from a recognized state retirement plan, you are a direct pay member. You are responsible for the payment of your premium(s) by the first of each month. The monthly premium is stated on your enrollment form.
- If your monthly pension check has insufficient funds to cover your health insurance premiums, then premiums will not be deducted. You will then become a direct pay member. The ADOA Benefit Services Division will mail a bill to you. It will be your responsibility to pay any outstanding premiums to the ADOA Benefit Services Division. If you do not receive a bill by the twenty-fifth day of the month, you must contact the ADOA Benefit Services Division.

- Should the retirement system begin deducting your premium from your pension check and you have also received a bill as a direct pay member, please contact the ADOA Benefit Services Division. Please see the section entitled, “Information for Direct Pay Members.”

New Retirees/LTD Members

- Depending on when the Retirement System receives your benefit elections, you may owe one or more months of health and/or dental premiums. After enrolling, check your pension check deductions. If, by your second pension check, the deduction has not occurred or the deduction is incorrect, immediately contact the ADOA Benefit Services Division at 602.542.5008.

Information for Direct Pay Members

If you are or become a direct pay member, you will receive a billing notice regarding future premium payments. If you do not receive a billing notice within 60 days, please call the ADOA Benefit Services Division at 602.542.5008.

Vision Premium Payments

If you elect vision coverage, you will be billed directly from Avesis. Vision premiums are NOT deducted from any pension checks.

Calculating Your Premium Benefit Subsidy

The Arizona State Retirement System (ASRS), the Public Safety Personnel Retirement System (PSPRS), the Elected Officials Retirement Plan (EORP) and the Corrections Officer Retirement Plan (CORP) may provide payment toward insurance premiums for eligible members and dependents who elect health coverage through the ADOA Benefit Services Division. The chart below reflects the maximum monthly premium benefit available for eligible members and their qualified dependents.

No basic premium benefit is provided to Retirees in the University Optional Retirement Plan or to PSPRS or CORP members who are LTD members.

Your retirement system will determine if you are eligible for a premium benefit and the amount to which you may be entitled. To determine your basic premium benefit, you need to know:

- Your years of credited service in your retirement system or plan if you are an ASRS or EORP member (years of service is not a criterion for CORP and PSPRS members).
- Your coverage type (i.e., single or family coverage).
- Medicare eligibility.

Your Pension Check

Pension checks are issued by ASRS or PSPRS. Before either of the retirement systems print and mail your pension check to you, they apply your premium subsidy (refer to the worksheet on page 20). Once the premium subsidy is added into your pension check, the retirement system pays for your dental premium first. ASRS or PSPRS will apply remaining money to pay for your medical premium.

- If your pension is large enough to cover the cost of both your dental and medical premiums, you will be mailed a check for any remaining money.
- If your pension is not enough to pay for the full cost of your dental and medical premiums you will become a direct pay member.

Please refer to the “Payments” column of the pension check Payment Summary.

Below is an example of an ASRS summary statement. Please note, under the Payment Sources column, the inclusion of additional monies reflected in the premium benefit (HI PREM BENEFIT). This amount is the premium benefit to which you may be entitled and it reduces the full monthly medical and/or dental premiums you pay. Also note, under the deductions column, the full health insurance premium for your medical and/or dental coverage (HLTH INS PREM). Though the total premium for health insurance is shown, you are only paying the net premium after the premium benefit is applied.

MEDICARE PART A & B

To help you calculate, use the three step worksheet on page 20. If you feel your pension check is not accurate, you must notify your Retirement System (ASRS or PSPRS) as soon as possible. If your enrollment is not processed until after the third of the month, it is possible the correct premiums will not be deducted from your pension check until the month following the effective date of your enrollment or change.

Eligibility

Medicare is health insurance available to people who are:

- Age 65 or over.
- Under age 65 with disabilities (receiving LTD from a State-sponsored LTD plan or SSI).
- Diagnosed with End-Stage Renal Disease.

Medicare eligibility is determined by the Social Security Administration. Many people automatically receive Part A and Part B. If you receive benefits from Social Security, you will receive Part A and Part B starting the first day of the month you turn 65. If you are under the age of 65 and disabled, you automatically receive Parts A and B after you receive disability benefits from Social Security. You should receive your Medicare card in the mail 3 months before your 65th birthday or your 25th month of disability.

Eligibility Notification

If you become eligible to receive Medicare due to a disability, receive your Medicare Card prior to your 65th birthday, or there is a change in your Medicare status, you must contact the ADOA Benefit Services Division with this information.

When you receive your new Medicare card, you must provide a copy of it to the Benefit Services Division. Medicare does not communicate directly with ADOA.

Parts of Medicare

The different parts of Medicare help you cover specific health services. Medicare has the following parts:

Medicare Part A (Hospital Insurance)

- Helps cover inpatient care in hospitals
- Helps cover skilled nursing facility, hospice, and home healthcare

Medicare Part B (Medical Insurance)

- Helps cover doctors' services and outpatient care
- Helps cover some preventative services to help maintain your health (See Chart on page 26)

Medicare Part C (Medicare Advantage Plans)

- A health coverage choice run by private companies approved by Medicare
- Includes Part A, Part B, and usually other coverage including prescription drugs

Medicare Part D (Prescription Drug Coverage)

- Helps cover the cost of prescription drugs
- May help lower your prescription drug costs and help protect against higher costs in the future

***If you enroll in either Medicare Part C or Part D plan, you will not be eligible for Benefit Options Medical Coverage. (Example: if you enroll in the Humana Part D Plan, you are not eligible to Enroll with any of the ADOA Medical Plans.)**

MEDICARE PART A & B Continued

Medicare Payments

- You will not typically have a monthly premium for Part A if you or your spouse paid Medicare taxes while working.
- You must pay the standard Medicare Part B premium.

ADOA Benefit Options does not pay for Medicare Part B claims. If you decline or disenroll from Medicare Part B, you will be financially responsible for ALL Part B claims.

Medicare and ADOA

If you have Medicare A & B during open enrollment, you may elect either the EPO or PPO plan offered at the “with Medicare” premium.

Medicare Primary

If you are retired and receiving a pension check from a recognized State-sponsored Retirement Plan, OR you are receiving LTD benefits from a State-sponsored disability plan (Sedgwick, The Standard, CIGNA, or The Hartford):

- Medicare is primary coverage
- Benefit Options is secondary coverage

How it Works

Medicare A and B will only pay 80% of covered charges once you have met your deductible. Doctors often charge patients the remaining portion of the bill that Medicare has not paid. If you enroll in the Benefit Options plan the remaining portion less copays (20%) will be covered since Benefit Options becomes the secondary payor. The Benefit Options will pay up to the total allowable amount less copays

as determined by the Plan. The Benefit Options plan also incorporates MedImpact for pharmacy coverage if you elect medical insurance. Through MedImpact pharmacy coverage, there are no annual limits or caps on preferred or non-preferred medications. Copays are \$10, \$20, or \$40. See page 44 for pharmacy benefits.

Copays

A copay is a portion paid by the member to share in the cost of medical services, supplies and prescriptions. Cost sharing helps Benefit Options with healthcare costs. Medicare also applies cost sharing. For covered services, the Benefit Options plans absorb the Medicare deductible you would otherwise pay for hospital and medical services. The Benefit Options program will pay up to the total allowable amount as determined by the Plan. Most physicians charge 20% above the amount covered by Medicare. Copays are required for all plan members regardless of Medicare eligibility or disability. Your medical provider understands medical payments will be reduced by the copay. Therefore, the copay must be made at the time the services are rendered.

Medicare Crossover Program

Medicare Crossover is a process by which Medicare automatically forwards medical claims to your health plan after they have paid as the primary payor. All vendors have a Medicare Crossover program. Please call the number on the back of your card and let them know you would like to enroll in the Medicare Crossover program.

MEDICARE PART D

The Medicare Modernization Act (MMA) established on January 1, 2006 a voluntary prescription drug benefit known as Medicare Part D. This benefit is offered to all Medicare-eligible Retirees or LTD members enrolled in Medicare Part A, Medicare Part B, or both Parts A and B.

The ADOA Benefit Options Medical Plan offers a prescription plan which is expected to pay out as much as standard Medicare prescription coverage pays, and is therefore considered Creditable Coverage.

You are not required to enroll in Medicare Part D.

Low Income Assistance

If you have limited income and resources, you may qualify for extra assistance through Medicare. Most people who qualify will pay no premiums, no deductibles, and will not pay copays over \$5 for each prescription. You may qualify if your income is below 150% of the poverty line applicable to the size of the family involved or your resources are less than \$11,990 if you are single or \$23,970 if you are married and living with your spouse. You automatically qualify if you:

- Have Medicare and full coverage from a state Medicaid program that currently pays for your prescriptions.
- Get help from your state Medicaid program paying your Medicare premiums (or belong to a Medicare Savings Program).
- Get Supplemental Security Income. If you would like more information or to see if you qualify for assistance, call

1.800.722.1213, log on to socialsecurity.gov, or visit your local Social Security Office.

The ADOA Benefit Options program provides equal to or better coverage than what is offered through Medicare Part D:

- You will not have to pay a separate monthly premium for Medicare Part D;
- You will not have to pay an annual deductible;
- You will not need to pay a percentage of your prescription costs; and
- Your medications will remain at the current \$10, \$20, and \$40 copay levels. Learn more about our Pharmacy Plan on page 39.

For more information about Medicare Part D visit medicare.gov or call 1.800.633.4227

MEDICAL PLAN INFORMATION

Understanding Your Options

For the plan year beginning January 1, 2013 retirees have the option of two plans and four networks. The word “network” describes the company contracted with the State to provide access to a group of providers (e.g., doctors, hospitals). Certain providers may belong to one network but not another. Plans are loosely defined as the structure of your insurance policy: the premium, deductibles, copays, and out-of-network coverage associated with your medical benefit.

	EPO	PPO
Aetna	X	X
BCBSAZ/AmeriBen*	X	X
CIGNA	X	
UnitedHealthcare	X	X

*Blue Cross Blue Shield of Arizona network administered by AmeriBen.

How the Plans Work

As noted below there are two medical plans offered to retirees under Benefit Options. They are the Exclusive Provider Organization (EPO) and the Preferred Provider Organization (PPO).

The EPO Plan

If you choose the EPO plan under Benefit Options you must obtain services from a network provider. Out-of-network services are only covered in emergency situations.

Under the EPO plan, you will pay the monthly premium and any required copay at the time of service. The EPO plan is available with all four networks: Aetna,

BlueCross Blue Shield of Arizona network administered by AmeriBen, CIGNA and UnitedHealthcare.

The PPO Plan

If you choose the PPO plan under Benefit Options you can see providers in-network or out-of-network, but will have higher costs for in-network and out-of-network services. Additionally, there is an in-network and out-of-network deductible that must be met. Under the PPO plan, you will pay the monthly premium and any required copay or coinsurance (percent of the cost) at the time of service. The PPO plan is available with Aetna, Blue Cross Blue Shield of Arizona network administered by AmeriBen, and UnitedHealthcare.

Choosing the Best Plan for You and Your Family

The first thing to know when making your medical benefit elections with Benefit Options is that the coverage is the same for all choices. This means that the same services are covered under the EPO and PPO, but the network of providers is different. To choose the right plan:

1. Assess the costs you expect in the coming year including: monthly premiums, copays, and out-of-pocket. Refer to pages 18-19 for monthly premiums and page 34 for the plan comparisons to help determine cost.
2. Determine if your doctors and specialists are contracted with the network you are considering. Each medical network has a

MEDICAL PLAN INFORMATION

Continued

website or phone number (under Contacts) for you to determine if your doctor is contracted.

3. Once you have selected which plan best suits your needs and your budget, make your benefit elections by completing the 2013 Enrollment Form.

Transition of Care (TOC)

If you are undergoing an active course of treatment with a provider who is not contracted with one of the new networks, you can apply for transition of care. If you are approved, you will receive in-network benefits for your current provider during a transitional period after January 1, 2013. Transition of care is typically approved if one of the following applies:

1. You have a life threatening disease or condition;
2. You have been receiving care and a continued course of treatment is medically necessary;
3. You are in the third trimester of pregnancy; or
4. You are in the second trimester of pregnancy and your doctor agrees to accept our reimbursement rate and to abide by the Plan's policies, procedures, and quality assurance requirements.

TOC forms are available on the Benefit Options website benefitoptions.az.gov.

MEDICAL MANAGEMENT

Services Available

When you choose Benefit Options medical insurance you get more than basic healthcare coverage. **You get personalized medical management programs at no additional cost.** Under the Benefit Options health plan, there are four medical management vendors: American Health Holding (AHH), Aetna, CIGNA, and UnitedHealthcare. Each vendor serves their specific members based on which medical network you select during enrollment.

The four vendors provide medical management services as follows:

- American Health Holding (AHH) serves Blue Cross Blue Shield of Arizona administered by AmeriBen members only
- Aetna serves only Aetna members
- CIGNA serves only members enrolled with the CIGNA network
- UnitedHealthcare serves only UnitedHealthcare members

Professional, experienced staff work on your behalf to make sure you are getting the best care possible and that you are properly educated on all aspects of your treatment.

Utilization Management

AHH, Aetna, CIGNA, and UnitedHealthcare provide prior authorization and utilization review for the ADOA Benefit Options plan when members require non-primary care services. Prior to any elective hospitalization and/or certain outpatient procedures, you or your doctor must contact your designated medical management vendor for Authorization. Please refer to your Plan

Document posted at benefitoptions.az.gov for the specific list of services that require prior authorization. Each vendor has a dedicated line to accept calls and inquiries:

American Health Holding 1.866.244.8977

Aetna 1.800.333.4432

CIGNA 1.800.968.7366

UnitedHealthcare 1.800.896.1067

Case Management

Case management is a collaborative process whereby a case manager from your designated medical management vendor works with you to assess, plan, implement, coordinate, monitor, and evaluate the services you may need. Often case management is used with complex treatments for severe health conditions. The case worker uses available resources to achieve cost effective health outcomes for both the member and the Benefit Options plan.

Disease Management

The purpose of disease management programs is to educate you and/or your dependents about complex or chronic health conditions. The programs are typically designed to improve self-management skills and help make lifestyle changes that promote healthy living.

The following disease management programs are available to all Benefit Options members regardless of their selected networks:

- Asthma
- Diabetes

MEDICAL MANAGEMENT Continued

- Chronic Obstructive Pulmonary Disease
- Congestive Heart Failure
- Pregnancy/Maternity
- Coronary Artery Disease

If you are eligible or become eligible for one of the programs listed, a disease manager from your designated medical management vendor will assess your needs and work with your physicians to develop a personalized plan. Your personalized plan will establish goals and steps to help you to positively change your specific lifestyle habits and improve your health.

Your assigned disease manager may also:

- Provide tips on how to keep your diet and exercise program on track
- Help you to maintain your necessary medical tests and annual exams
- Offer tips on how to manage stress and help control the symptoms of stress
- Assist with understanding your doctor's treatment plan
- Review and discuss medications, how they work and how to use them.

Generally a disease manager will work with you as quickly or as slowly as you like, allowing you to complete the program at your own pace. Over the course of the program participants learn to incorporate healthy habits and improve their overall health.

Getting Involved

The Benefit Options disease management programs offered through American Health Holding, Aetna, CIGNA, and UnitedHealthcare identify and reach out through phone calls and/or mail to members who may need help managing their health conditions. The disease management companies work with the Benefit Options plan to provide this additional service.

Participation is optional, private, and tailored to your specific needs. Also, members of the Benefit Options plan who are concerned about a health condition and would like to enroll in one of the covered programs can contact their respective disease management vendors directly to self enroll. Please refer to the your medical management vendor's phone number on page 36 if you or your dependent is interested.

PHARMACY PLAN INFORMATION

MedImpact

If you elect any Benefit Options medical plan, MedImpact will be the network you use for pharmacy benefits. Enrollment is automatic when you enroll in a medical plan and there is no separate cost.

MedImpact currently services 33 million members nationwide, providing leading prescription drug clinical services, benefit design, and claims processing since 1989 through a comprehensive network of pharmacies.

How it works

All prescriptions must be filled at a network pharmacy by presenting your medical card. You can also fill your prescription through the mail order service. **The cost of prescriptions filled out-of-network will not be reimbursed.**

No international pharmacy services are covered. Be sure to order your prescriptions prior to your trip and take them with you.

The MedImpact plan has a three-tier formulary described in the chart on page 44. The copays listed in the chart are for a 30-day supply of medication bought at a retail pharmacy.

Generic and brand name medications

If a name brand medication is prescribed by a physician as “substitution permissible” and a generic version of the medication is available, members who elect to purchase the brand name medication will pay the copay

and the difference between the cost of the brand-name medication and the cost of the generic version.

For example: The cost of a brand name medication is \$100 and the cost of the generic version is \$30 with a \$10 copay. When prescribing the medicine, if the physician indicates that either the brand name or the generic equivalent is acceptable, then the cost for the brand name will be \$80 (\$100 brand name - \$30 generic + \$10 copay) if the member elects the brand name, or \$10 for the generic version. If the physician specifically prescribes the brand name to the member and does not allow for any substitution of a generic version, the member will have to **pay the generic copay and the difference between the cost of the brand name and the generic.**

Generic drugs help you save money without compromising quality. The United States Food and Drug Administration (FDA) require generics to be as safe and effective as their brand name counterparts. Nearly 50% of all prescriptions in the U.S. are now filled with generic medications. Your doctor may choose to prescribe a generic for you, or, if he or she recommends a brand name, you can ask if a generic is available. Pharmacists will usually substitute a generic for a brand name, unless otherwise directed by your doctor or prohibited by law. You will pay the lowest copay for generic drugs. Generic drug prices on average are 20 to 50 percent lower than their brand-name counterparts, so your choice of generics can help keep the Plan’s costs down and benefits high.

Formulary

A formulary is a list of medications chosen by a committee of doctors and pharmacists to help you maximize the value of your prescription benefit. These generic and brand name medications are available at a lower cost. The use of non-preferred medications will result in a higher copay. Changes to the formulary can occur during the plan year. Medications that no longer offer the best therapeutic value for the plan are deleted from the formulary. Ask your pharmacist to verify the current copay amount at the time your prescription is filled. To see what medications are on the formulary, go to benefitoptions.az.gov or contact the MedImpact Customer Care Center and ask to have a copy sent to you. Sharing this information with your doctor helps ensure you are getting the best value for the medications you need, which saves money for you and your Plan.

Step Therapy Program

Step Therapy is a program which promotes the use of safe, cost-effective and clinically appropriate medication.

For a complete list of drugs under this program, please refer to the formulary at benefitoptions.az.gov.

VISION PLAN INFORMATION

Coverage for vision is available through Avesis. This year Benefit Options is offering the voluntary Avesis Advantage Program or the Avesis Discount Program.

Avesis Advantage Program

Retirees are responsible for the full Premium of this voluntary plan.

Program Highlights

- Yearly coverage for a vision exam, glasses or contact lenses
- Extensive provider access throughout the state
- \$300 allowance for LASIK surgery
- Unlimited discounts on additional optical purchases

How to use the Advantage Program

1. Find a provider – You can find a provider using the Avesis website *avesis.com* or by calling customer service at 1.888.759.9772. Although you can receive out-of-network care as well, visiting an in-network provider will allow you to maximize your vision care benefit.
2. Schedule an appointment – Identify yourself as an Avesis member under the State of Arizona when scheduling your appointment.

Out-of-Network Benefits

If services are received from a nonparticipating provider, you will pay the provider in full at the time of service and submit a claim to Avesis for reimbursement.

The claim form and itemized receipt should be sent to Avesis within three months of the date of service to be eligible for reimbursement. The Avesis claim form can be obtained at the website *avesis.com*. Reimbursement will be made directly to the member.

Avesis Discount Program

If you do not enroll in the fully-insured plan, you will automatically receive an Avesis discount card at no cost. This program will provide each member with substantial discounts on vision exams and corrective materials. **No enrollment is necessary.**

How to use the Discount Program

1. Find a provider – Go to *avesis.com* or call customer service at 1.888.759.9772.
2. Schedule an appointment – Identify yourself as an Avesis discount card holder under the State of Arizona.

In-Network Benefits Only

Avesis providers who participate in the Avesis Discount Vision Care Program have agreed to negotiated fees for products and services. This allows members to receive substantial discounts on the services and materials they need to maintain healthy eyesight.

Providers not participating in the program will not honor any of the discounted fees. The member will be responsible for full retail payment.

For a complete listing of covered services, please refer to the plan descriptions at *benefitoptions.az.gov*.

LONG-TERM DISABILITY MEMBERS

When receiving Long-Term Disability (LTD) benefits, for purposes of health, dental, and vision benefits, LTD members are considered “Retirees” and will fall under all premiums, processes and guidelines as retired members.

No Longer Eligible for LTD Benefits and Not Able to Retire

Your eligibility in the Benefit Options plan terminates the end of the month in which you lose eligibility. You may wish to contact your retirement system to determine if you are eligible to enroll in their health plan. It is your responsibility to notify us when your LTD entitlement ends.

Returning to Work

Your return to work will be considered a Qualified Life Event. You must make your new benefit elections within 31 days of your return to work. Please contact your agency Human Resources personnel for further instructions immediately after you lose your LTD eligibility status.

Waiver of Premiums

A Waiver of Premium only applies to life insurance and does not apply to your health, dental and vision benefits. Even if your life insurance premiums are waived, you are still responsible for payment of your medical, dental, and vision monthly premiums. Your Waiver of Premium eligibility is determined by the LTD carrier.

Please contact your LTD carrier with any questions and to learn if you are eligible for a Waiver.

Disability Benefits from Social Security and Eligibility for Medicare

If you have been receiving disability benefits from Social Security or the Railroad Retirement Board for 24 months, you will be automatically entitled to Medicare Part A and Part B beginning the 25th month of the disability benefit entitlement. You will not need to do anything to enroll in Medicare.

Your Medicare card will be mailed to you about 3 months before your Medicare entitlement date. You must mail a copy of your Medicare card to the ADOA Benefit Services Division within 31 days of receiving the card.

If you are under age 65 and have a disease such as Lou Gehrig’s Disease (ALS), you will be entitled to Medicare the first month you receive disability benefits from Social Security or the Railroad Retirement Board. For more information, call the Social Security Administration at 1.800.772.1213.

Receiving Social Security Disability

The Benefit Options health plans require all Medicare-eligible members to enroll in both Part A (hospital insurance) and Part B (medical insurance). For more information, contact the Social Security Administration or the ADOA Benefit Services Division.
