Notice about the Summary of Benefits and Coverage and Uniform Glossary

As part of the Affordable Care Act (ACA), the federal government announced new rules regarding the disclosure of the Summary of Benefits and Coverage (SBC) and Uniform Glossary. These regulations require group health plans and health insurance issuers that offer coverage for groups and individuals to provide access to the SBC and Uniform Glossary. The SBC documents along with the uniform glossary are posted electronically to the Benefit Options Website benefitoptions.az.gov. You may also contact Benefit Services to obtain a copy.

ELIGIBILITY

Domestic Partners and Eligible Dependents

Employees have been offered same-sex domestic partner coverage pursuant to a preliminary injunction in *Diaz v. Brewer, et al.* (Case No.2:09-cv-02402-JWS), which was pending in the U.S. District Court for the District of Arizona. On November 6, 2014 the preliminary injunction was ordered to be dissolved and the case was ordered to be dismissed effective December 31, 2014. As a result, domestic partners will no longer be eligible for coverage in the Benefit Options plans effective January 1, 2015. For those same-sex couples who have not married by December 31, 2014, COBRA will be offered to the same-sex domestic partner at that time.

The following individuals would be considered qualified beneficiaries eligible for COBRA coverage:

1. An employee who had coverage through the State of Arizona and lost the coverage because of a reduction in hours of employment or a termination of employment for a reason other than gross misconduct.
2. An employee's legal spouse, as defined by Arizona Statute who had coverage through the State of Arizona and lost the coverage for any of the following reasons:
 - Death of the employee;
 - Termination of the employee's employment for a reason other than gross misconduct;
 - Reduction in the employee's hours of employment resulting in a loss of eligibility for coverage;
 - Divorce or legal separation from the employee;
 - The employee becomes eligible for Medicare.

3. An employee's dependent child who had coverage through the State of Arizona and lost the coverage for any of the following reasons:

- Death of the employee (parent);
- Termination of the parent's employment for a reason other than gross misconduct;
- A reduction in the parent's hours of employment resulting in a loss of eligibility for coverage;
- The parents' divorce or legal separation;
- The parent becomes eligible for Medicare or,
- The dependent ceases to be a dependent child as defined by the Benefit Options program.

The ADOA Benefit Services Division will determine final eligibility for COBRA coverage.

Qualified Medical Child Support Order (QMCSO)

If a QMCSO exists, you must continue coverage for your dependent pursuant to the Order. You may not terminate coverage for a dependent covered by a QMCSO.

UNDERSTANDING YOUR COBRA COVERAGE

Electing Your COBRA Benefits

Upon termination from State Service, qualified beneficiaries will be notified in writing of their COBRA rights and the deadline for returning their enrollment form(s).

Qualified beneficiaries have the opportunity to continue coverage after a qualifying life event which results in the loss of coverage. Qualified beneficiaries must inform the ADOA Benefit Services Division in writing no later than 60 days after the qualifying life event.

If notification is not received within the 60 days of the qualified life event, the qualified beneficiary will not be entitled to choose COBRA coverage.

COBRA coverage may be elected for some qualified beneficiaries but not others, as long as qualified beneficiaries were covered by the Plan on the date of the event (e.g., termination of employment, death, divorce) that led to the loss of regular coverage.

A parent may elect or reject COBRA coverage on behalf of dependent children living with him or her.

If one of the dependents elects COBRA coverage for him/herself only, the enrollment form must be signed by that dependent unless the dependent is a minor. When the dependent is a minor, the employee-parent must sign the form.

Changing Your COBRA Benefits

If, while you are enrolled for COBRA coverage, you marry, have a child or have a child placed for adoption, you may enroll that spouse or child for coverage for the balance of the period of your COBRA coverage, provided you do so within 30 days after the marriage, birth or placement. Adding a spouse or child may increase the amount you must pay for COBRA coverage.

amount you must pay for COBRA coverage.

A Second Qualified Life Event

If you have a second Qualified Life Event while under COBRA coverage and you were eligible for COBRA coverage as the result of an employee's termination (for other than gross misconduct) or the reduction in hours of an employee, you may be granted an extension of coverage for up to 36 months from the date of termination or reduction in hours.

The extension applies only to qualified beneficiaries, including children of the employee who were born or adopted while the employee was on COBRA coverage. (Qualified beneficiaries include an employee's spouse who was covered by the Plan and an employee's dependent children who were covered by the Plan).

If You and Your Spouse are Both State Employees

Dual coverage is not permitted under this Plan. An employee may elect coverage for their entire family, including the State employee spouse, or each State employee spouse may elect their own coverage.

You cannot enroll as a single subscriber and be enrolled as a dependent on your spouse's policy simultaneously. If you do enroll in this manner, no refunds will be made for the employee contributions.

COBRA Coverage for Dependent Children over 26

If your child is age 26 years old and is no longer eligible to be continued on your coverage, s/he may be eligible for continuation coverage for up to 36 months pursuant to the Consolidated Omnibus Budget Reconciliation Act (COBRA).

UNDERSTANDING YOUR COBRA COVERAGE Continued

The member must notify the Benefit Services Division when a dependent is no longer eligible or fails to meet the criteria for coverage of a dependent and complete an Enrollment/Change form to cancel the dependent from their benefit plan.

A COBRA enrollment form with coverage information and rates will be mailed to the employee's home address on file by the Benefit Services Division.

Your Contributions

By law, while on COBRA coverage, you must pay the total cost of your COBRA coverage. You are charged the full amount of the cost for similarly-situated employees or families – both the employee's and the employer's portion - plus an additional 2% administrative fee.

When to Pay

You must make the first payment within 45 days of notifying the ADOA Benefit Services Division of selection of COBRA coverage. Thereafter, premiums are due on the first day of each month of coverage.

After your first premium payment, you may have a grace period of 30 days from the usual due date to pay the premiums.

UNDERSTANDING YOUR COBRA COVERAGE Continued

MAXIMUM PERIOD OF CONTINUATION OF COVERAGE

Qualifying Event	Qualified Beneficiaries	Maximum Period of Continuation Coverage
Termination (for reasons other than gross misconduct) or reduction in hours of employment	Employee Spouse Dependent Child	18 months*
Employee enrollment in Medicare	Spouse Dependent Child	36 months
Divorce or legal separation	Spouse Dependent Child	36 months
Death of employee	Spouse Dependent Child	36 months
Loss of "dependent child" status under the plan	Dependent Child	36 months

**If during or before the 18th month period of COBRA coverage a dependent is determined to be disabled by the Social Security Administration, COBRA coverage will be extended for up to an additional 11 month period if deemed disabled within 60 days after COBRA begins.*

If a second qualified life event occurs while under COBRA coverage, qualified beneficiaries may be granted an extension of coverage for up to 36 months.

COBRA COVERAGE NOTICE

What is continuation coverage?

Federal law requires that most group health plans (including this Plan) give employees and their eligible dependents the opportunity to continue their health care coverage when there is a “qualifying event” that would result in a loss of coverage under an employer’s plan. Depending on the type of qualifying event, “qualified beneficiaries” can include the employee (or retired employee) covered under the group health plan, the covered employee’s spouse, and the dependent children of the covered employee.

Continuation coverage is the same coverage that the Plan gives to other participants or beneficiaries under the Plan who are not receiving continuation coverage. Each qualified beneficiary who elects continuation coverage will have the same rights under the Plan as other participants or beneficiaries covered under the Plan, including open enrollment and special enrollment rights.

How long will continuation coverage last?

In the case of a loss of coverage due to end of employment or reduction in hours of employment, coverage generally may be continued for up to a total of 18 months. In the case of losses of coverage due to an employee’s death, divorce or legal separation, the employee’s becoming entitled to Medicare benefits or a dependent child ceasing to be a dependent under the terms of the plan, coverage may be continued for up to a total of 36 months. When the qualifying event is the end of employment or reduction of the employee’s hours of employment, and the employee became entitled to Medicare benefits less than 18 months before the qualifying event, COBRA continuation coverage for qualified beneficiaries other than the employee lasts until 36 months after the date of Medicare entitlement. This notice shows the maximum period of continuation coverage

available to the qualified beneficiaries.

Continuation coverage will be terminated before the end of the maximum period if:

- any required premium is not paid in full on time,
- a qualified beneficiary becomes covered, after electing continuation coverage, under another group health plan that does not impose any pre-existing condition exclusion for a pre-existing condition of the qualified beneficiary (note: there are limitations on plans’ imposing a preexisting condition exclusion and such exclusions will become prohibited beginning in 2014 under the Affordable Care Act),
- a qualified beneficiary becomes entitled to Medicare benefits (under Part A, Part B, or both) after electing continuation coverage, or
- the employer ceases to provide any group health plan for its employees.

Continuation coverage may also be terminated for any reason the Plan would terminate coverage of participant or beneficiary not receiving continuation coverage (such as fraud).

How can you extend the length of COBRA continuation coverage?

If you elect continuation coverage, an extension of the maximum period of coverage may be available if a qualified beneficiary is disabled or a second qualifying event occurs. You must notify Member Services at 602.542.5008 or 800.304.3687 of a disability or a second qualifying event in order to extend the period of continuation coverage. Failure to provide notice of a disability or second qualifying event may affect the right to extend the period of continuation coverage.

COBRA COVERAGE NOTICE

Continued

An 11-month extension of coverage may be available if any of the qualified beneficiaries is determined by the Social Security Administration (SSA) to be disabled. The disability has to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of continuation coverage. You or another member of your family must notify the ADOA Benefit Services Division of the disability determination by the Social Security Administration before the end of the 18 month COBRA coverage period. Each qualified beneficiary who has elected continuation coverage will be entitled to the 11-month disability extension if one of them qualifies. If the qualified beneficiary is determined by SSA to no longer be disabled, you must notify the Plan of that fact within 30 days after SSA's determination.

Second Qualifying Event

An 18-month extension of coverage will be available to spouses and dependent children who elect continuation coverage if a second qualifying event occurs during the first 18 months of continuation coverage. The maximum amount of continuation coverage available when a second qualifying event occurs is 36 months. Such second qualifying events may include the death of a covered employee, divorce or separation from the covered employee, the covered employee's becoming entitled to Medicare benefits (under Part A, Part B, or both), or a dependent's child ceasing to be eligible for coverage as a dependent under the Plan. These events can be a second qualifying event only if they would have caused the qualified beneficiary to lose coverage under the Plan if the first qualifying event had not occurred. You must notify the Plan within 60 days after a second qualifying event occurs if you want to extend your continuation coverage.

How can you elect COBRA continuation coverage?

To elect continuation coverage, you must complete the Election Form and furnish it according to the directions on the form. Each qualified beneficiary has a separate right to elect continuation coverage. For example, the employee's spouse may elect continuation coverage even if the employee does not. Continuation coverage may be elected for only one, several, or for all dependent children who are qualified beneficiaries. A parent may elect to continue coverage on behalf of any dependent children. The employee or the employee's spouse can elect continuation coverage on behalf of all of the qualified beneficiaries.

In considering whether to elect continuation coverage, you should take into account that you have special enrollment rights under federal law. You have the right to request special enrollment in another group health plan for which you are otherwise eligible (such as a plan sponsored by your spouse's employer) within 30 days after your group health coverage ends because of the qualifying event listed above. You will also have the same special enrollment right at the end of continuation coverage if you get continuation coverage for the maximum time available to you.

How much does COBRA continuation coverage cost?

Generally, each qualified beneficiary may be required to pay the entire cost of continuation coverage. The amount a qualified beneficiary may be required to pay may not exceed 102 percent (or, in the case of an extension of continuation coverage due to a disability, 150 percent) of the cost to the group health plan (including both employer and employee contributions) for coverage of a similarly situated plan participant or beneficiary who is not receiving continuation coverage.

COBRA COVERAGE NOTICE

Continued

The required payment for each continuation coverage period for each option is described in this notice.

When and how must payment for COBRA continuation coverage be made?

First payment for continuation coverage

If you elect continuation coverage, you do not have to send any payment with the Election Form. However, you must make your first payment for continuation coverage not later than 45 days after the date of your election. (This is the date the Election Notice is post-marked, if mailed.) COBRA begins the day after your active coverage ends and is not effective until payment is made. If you do not make your first payment for continuation coverage in full not later than 45 days after the date of your election, you will lose all continuation coverage rights under the Plan. You are responsible for making sure that the amount of your first payment is correct. You may contact Member Services at 602.542.5008 or 800.304.3687 to confirm the correct amount of your first payment.

Periodic payments for continuation coverage

After you make your first payment for continuation coverage, you will be required to make periodic payments for each subsequent coverage period. The amount due for each coverage period for each qualified beneficiary is shown in this notice. The periodic payments can be made on a monthly basis. Under the Plan, each of these periodic payments for continuation coverage is due on the 1st day for that coverage period. You may instead make payments for continuation coverage for the following coverage periods, due on the following dates: If you make a periodic payment on or before the first day of the coverage period to which it applies your coverage under the Plan will continue for that coverage period without any break.

Billing statements are mailed as a courtesy. If you do not receive a bill, you may call Member Services at 602.542.5008 or 800.304.3687 for assistance.

Grace periods for periodic payments

Although periodic payments are due on the dates shown above, you will be given a grace period of 30 days after the first day of the coverage period to make each periodic payment. Your continuation coverage will be provided for each coverage period as long as payment for that coverage period is made before the end of the grace period for that payment.

Payment Information

All payments shall be made via check or money order payable to ADOA – HITF. If you fail to make a periodic payment before the end of the grace period for that coverage period, you will lose all rights to continuation coverage under the Plan.

COBRA COVERAGE NOTICE

Continued

Declining COBRA coverage

To decline COBRA coverage, return the enclosed COBRA enrollment form with the “I decline COBRA coverage” option marked. COBRA coverage will not be available to you once it is declined.

Can I enroll in another group health plan?

You may be eligible to enroll in coverage under another group health plan (like a spouse’s plan), if you request enrollment within 30 days of the loss of coverage.

If you or your dependent chooses to elect COBRA continuation coverage instead of enrolling in another group health plan for which you’re eligible, you’ll have another opportunity to enroll in the other group health plan within 30 days of losing your COBRA continuation coverage.

What factors should I consider when choosing coverage options?

When considering your options for health coverage, you may want to think about:

- **Premiums:** Your previous plan can charge up to 102% of total plan premiums for COBRA coverage. Other options, like coverage on a spouse’s plan or through the Marketplace, may be less expensive.
- **Provider Networks:** If you’re currently getting care or treatment for a condition, a change in your health coverage may affect your access to a particular health care provider. You may want to check to see if your current health care providers participate in a network as you consider options for health coverage.
- **Drug Formularies:** If you’re currently taking medication, a change in your health coverage may affect your costs for medication – and in some cases, your medication may not be

covered by another plan. You may want to check to see if your current medications are listed in drug formularies for other health coverage.

- **Severance payments:** If you lost your job and got a severance package from your former employer, your former employer may have offered to pay some or all of your COBRA payments for a period of time. In this scenario, you may want to contact the Department of Labor at 1.866.444.3272 to discuss your options.
- **Service Areas:** Some plans limit their benefits to specific service or coverage areas – so if you move to another area of the country, you may not be able to use your benefits. You may want to see if your plan has a service or coverage area, or other similar limitations.
- **Other Cost-Sharing:** In addition to premiums or contributions for health coverage, you probably pay copayments, deductibles, coinsurance, or other amounts as you use your benefits. You may want to check to see what the cost-sharing requirements are for other health coverage options. For example, one option may have much lower monthly premiums, but a much higher deductible and higher copayments.

If you fail to return an enrollment form, your right to COBRA coverage will expire after 60 days from the date on this notice

For more information

This notice does not fully describe continuation coverage or other rights under the Plan. More information about continuation coverage and your rights under the Plan is available in your summary plan description or from the Plan Administrator.

If you have any questions concerning the information in this notice, your rights to coverage, or if you want a copy of your summary plan description, you should contact:

Arizona Department of Administration –
Benefit Services
100 N. 15th Ave., #103
Phoenix, AZ 85007
Phone – 602.542.5008 or 800.304.3687

For more information about your rights under COBRA, the Health Insurance Portability and Accountability Act (HIPAA), and other laws affecting group health plans, visit the U.S. Department of Labor's Employee Benefits Security Administration (EBSA) website at www.dol.gov/ebsa or call their toll-free number at 1.866.444.3272.

Keep Your Plan Informed of Address Changes

In order to protect your and your family's rights, you should keep the Plan Administrator informed of any changes in your address and the addresses of family members. You should also keep a copy, for your records, of any notices you send to the Plan Administrator.

HEALTH INSURANCE MARKETPLACE

You may be able to get coverage through the Health Insurance Marketplace that costs less than COBRA continuation coverage. You can learn more about the Marketplace below.

What is the Health Insurance Marketplace?

The Marketplace offers “one-stop shopping” to find and compare private health insurance options. In the Marketplace, you could be eligible for a new kind of tax credit that lowers your monthly premiums and cost-sharing reductions (amounts that lower your out-of-pocket costs for deductibles, coinsurance, and copayments) right away, and you can see what your premium, deductibles, and out-of-pocket costs will be before you make a decision to enroll. Through the Marketplace you’ll also learn if you qualify for free or low-cost coverage from Medicaid or the Children’s Health Insurance Program (CHIP). You can access the Marketplace for your state at HealthCare.gov. Coverage through the Health Insurance Marketplace may cost less than COBRA continuation coverage. Being offered COBRA continuation coverage won’t limit your eligibility for coverage or for a tax credit through the Marketplace.

When can I enroll in Marketplace coverage?

You always have 60 days from the time you lose your job-based coverage to enroll in the Marketplace. That is because losing your job-based health coverage is a “special enrollment” event. **After 60 days your special enrollment period will end and you may not be able to enroll, so you should take action right away.** In addition, during what is called an “open enrollment” period, anyone can enroll in Marketplace coverage.

If I sign up for COBRA continuation coverage, can I switch to coverage in the Marketplace? What about if I choose Marketplace coverage and want to switch back to COBRA continuation coverage?

If you sign up for COBRA continuation coverage, you can switch to a Marketplace plan during a Marketplace open enrollment period. You can also end your COBRA continuation coverage early and switch to a Marketplace plan if you have another qualifying event such as marriage or birth of a child through something called a “special enrollment period.” But be careful though - if you terminate your COBRA continuation coverage early without another qualifying event, you’ll have to wait to enroll in Marketplace coverage until the next open enrollment period, and could end up without any health coverage in the interim.

If you sign up for Marketplace coverage instead of COBRA continuation coverage, you cannot switch to COBRA continuation coverage under any circumstances.

Once you’ve exhausted your COBRA continuation coverage and the coverage expires, you’ll be eligible to enroll in Marketplace coverage through a special enrollment period, even if Marketplace open enrollment has ended.

To find out more about enrolling in the Marketplace, such as when the next open enrollment period will be and what you need to know about qualifying events and special enrollment periods, visit HealthCare.gov or call 1.800.318.2596.

MEDICAL PLAN INFORMATION

Understanding Your Options

For the plan year beginning January 1, 2015, employees have the option of three plans, four Networks, and four coverage tiers. The word, “Network”, describes the company contracted with the State to provide access to a group of providers (doctors, hospitals, etc.). Certain providers may belong to one Network but not another. Plans are loosely defined as the structure of your insurance policy: the premium, deductibles, copays, and out-of-Network coverage.

Benefit Options Medical Plans			
	EPO	PPO	HSA Option
Aetna	X	X	X
BCBSAZ	X	X	
Cigna	X		
UnitedHealthcare	X	X	

Finally, choose the tier that meets your needs. A tier describes the number of persons covered by the medical plan.

How the Plans Work

As noted above there are three medical plans offered to active participants under Benefit Options. They are the Exclusive Provider Organization (EPO), the Preferred Provider Organization (PPO), and the Health Savings Account Option (HSA).

The EPO Plan

If you choose the EPO plan under Benefit Options you must obtain services from a Network provider. Out-of-Network services are only covered in emergency situations. Under the EPO plan, you will pay the monthly premium and any required copay at the time of service. The EPO plan is available with all four Networks:

Aetna, Blue Cross Blue Shield of Arizona, Cigna, and UnitedHealthcare.

The PPO Plan

If you choose the PPO plan under Benefit Options you can see providers in-Network or out-of-Network, but will have higher costs for out-of-Network services. Additionally, there are in-Network and out-of-Network deductibles that must be met. Under the PPO plan, you will pay the monthly premium and any required copay or coinsurance (percent of the cost) at the time of service. The PPO plan is available with Aetna, Blue Cross Blue Shield of Arizona, and UnitedHealthcare.

The High Deductible Health Plan (HSA Option)

If you choose to enroll in the High Deductible Health Plan (HSA Option), you will be eligible to open a Health Savings Account (HSA), which is a special type of account that allows tax-free contributions, earnings, and healthcare-related withdrawals.

If you choose the HSA Option you can use in-Network and out-of-Network providers. Members pay the copay and/or coinsurance after the deductible is met.

The premiums for the HSA Option are lower, qualified preventive services are covered at 100%, and members pay coinsurance and/or copays. More detailed information on the HSA Option is available on pages 15-18.

Choosing the Best Plan for You and Your Family

To choose the right plan for you:

1. Assess the costs you expect in the coming year including: employee premiums, copays, and coinsurance. Refer to page 12 for premiums and pages 19-20 for plan comparisons to help determine costs.
2. Determine if your doctors are contracted with the Network you are considering. Each medical Network has a website or phone number (listed to the right) to help you determine if your doctor is contracted.
3. Once you have selected which plan best suits your needs and your budget, make your benefit elections online.

Transition of Care (TOC)

If you are undergoing an active course of treatment with a doctor who is not contracted with one of the Networks, you can apply for transition of care.

If you are approved, you will receive in-Network benefits for your current doctor during a transitional period after January 1, 2015. Transition of care is typically approved if one of the following applies:

1. You have a life threatening disease or condition;
2. You have been receiving care and a continued course of treatment is medically necessary;
3. You are in the third trimester of pregnancy; or
4. You are in the second trimester of pregnancy and your doctor agrees to accept our

reimbursement rate and to abide by the Plan's policies, procedures, and quality assurance requirements.

TOC forms are available on the Benefit Options website *benefitoptions.az.gov*.

ID Cards

Your personal insurance cards typically arrive 7-14 business days after your benefits become effective.

If you are an existing member of Aetna or Cigna and you re-elect the same network, you can continue to use your current ID card for 2015.

If you elect Blue Cross Blue Shield of Arizona or UnitedHealthcare, new ID cards will be issued effective January 1, 2015.

Understanding the High Deductible Health Plan (HSA Option)

Things You Should Know:

1. The High Deductible Health Plan (HSA Option) works in conjunction with a Health Savings Account (HSA):
 - Enrolling in the HSA Option automatically enrolls you in a Health Savings Account (HSA) upon completion of the customer identification process (see Page 18).
 - HSA is a special type of savings account that allows tax-free contributions, earnings, and healthcare-related withdrawals.
2. The HSA Option offers financial advantages in that, an HSA Option member:
 - Pays lower employee premiums (paycheck deductions).
 - Receives qualified preventive services for free.
 - May have lower out-of-pocket costs.
 - Is eligible to open and contribute to a Health Savings Account (HSA).
3. The HSA Option presents financial considerations in that:
 - HSA Option members pay copays and/or coinsurance after the deductible is met (qualified preventive services are covered at 100%).
4. The HSA Option might be right for you if:
 - You want to open a tax-advantaged HSA and save for future healthcare costs.
 - You are willing to accept some degree of financial risk.
 - You can afford to pay a high deductible if necessary.
5. The HSA Option may be wrong for you if:
 - You like copays because they are simple and predictable.
 - You are not willing to accept some degree of financial risk.
 - You cannot afford to pay a high deductible.

Cost for Services/Prescriptions

The cost for services/prescriptions depends on three things:

Whether the service/prescription is:

- Qualified Preventive
- Non-Preventive
- Emergency

Whether the provider is:

- In-Network
- Out-of-Network

How much you have paid so far during the plan year:

- Less than the deductible
- More than the deductible, but less than the out-of-pocket maximum
- Out-of-pocket maximum

Cost for Services/Prescriptions - Continued

At the top of the table below you can see that:

- In-Network qualified preventive services are free, even before the deductible is satisfied
- In-Network qualified preventive prescriptions will cost the regular copay amounts (\$10/\$20/\$40) up to the out-of-pocket maximum.
- Once the out-of-pocket maximum is satisfied, in-Network qualified preventive prescriptions are covered at 100% for the remainder of the plan year.

In the middle of the table you can see that:

- In-Network emergency services will not be covered until after the deductible is satisfied.
- Once the deductible is satisfied, in-Network emergency services will be 90% covered. The remaining 10% must be paid by the member.

MEDICAL PLAN INFORMATION

Continued

- Once the out-of-pocket maximum is satisfied, in-Network emergency services will be 100% covered (no member cost).

Before enrolling in the HSA Option, make sure you fully understand the table below.

Qualified Preventive Care

Preventive care is defined as:

- Periodic health evaluations, including tests and diagnostic procedures ordered in connection with routine examinations (i.e., annual physicals)
- Routine prenatal and well-child care
- Child and adult immunizations
- Tobacco cessation programs
- Certain screening services
- Prescriptions that are preventive in nature.

Understanding Health Savings Accounts (HSAs)

The HSA is only offered if you enroll in the High Deductible Health Plan Option (HSA Option).

HSA Overview

1. You open your HSA.
 - The State cannot restrict what you spend it on.
 - You maintain ownership even after ending State employment.
 - You can invest the money like you would invest money in an IRA.
 - Your funds will earn interest.
2. When your HSA is opened, the State will make pay period contributions to your HSA.
 - For Employee only coverage, the State will contribute \$27.70 per pay period.
 - For Employee+adult, Employee+child, and Family coverage, the State will contribute \$55.39 per pay period.

Individual/emp+adult/emp+child/family total out-of-pocket cost at time of expense →			Less than deductible	More than deductible, less than out-of-pocket maximum	Out-of-pocket maximum
IN-NETWORK	Qualified Preventive	Services	\$0	\$0	\$0
		Prescriptions	\$10/\$20/\$40 copays	\$10/\$20/\$40 copays	
	Non-Preventive	Services	100% of contracted rate	10% of contracted rate	
		Prescriptions	100% of contracted rate	\$10/\$20/\$40 copays	
	Emergency	Services	100% of contracted rate	10% of contracted rate	
	OUT-OF-NETWORK	Qualified Preventive	Services	50% of total cost	
Non-Preventive		Services	100% of total cost	50% of total cost	
		Emergency	Services	100% of total cost	10% of total cost

MEDICAL PLAN INFORMATION

3. You can make additional contributions to your HSA through:
 - Payroll deductions (pre-tax);
 - Lump-sum deposits (tax deductible).
4. The Internal Revenue Service sets annual contribution limits. Visit www.irs.gov for additional information.
5. You can spend HSA funds tax-free on qualified healthcare-related expenditures (defined by the Internal Revenue Service)
 - You can use a debit card.
 - Link personal bank account to HSA.
 - Non-qualified withdrawals are allowed, however, they may be subject to tax and a 20% penalty.
6. HSAs should not be confused with FSAs:
 - FSA stands for Flexible Spending Account. It is a special type of savings account that allows tax-free contributions and healthcare-related withdrawals.
 - FSAs have “use-it-or-lose-it” rules. Unused funds do not rollover from year to year.
7. HSAs have no “use-it-or-lose-it” rules. Unused funds will rollover from year to year. This allows you to create a healthcare nest egg.
8. If the member does not require services (other than the free qualified preventive services), the money stays in the HSA and grows tax free. It can be used to pay for qualified healthcare costs anytime in the future.

About the HSA

The HSA offers the following features:

- No set-up fees
- No monthly administration fee
- No withdrawal forms

- HSA tracking through Aetna Navigator
- Cost Estimator Tool—Cost of Care

There are some fees associated with the HSA, visit benefitoptions.az.gov, click on:

- Plan Descriptions,
- Medical Insurance Coverage,
- Under HSA Plan link click where it indicates for more information.

How To Open Your HSA

Your HSA will automatically be established in your name when you enroll in the High Deductible Health Plan Option and complete the Customer Identification Process (see below for additional information). You will receive a welcome kit by mail 3-4 weeks after the account is opened. The State will start contributing to your account on the first pay cycle following the plan year effective date. State contributions will only be made if you receive a paycheck.

Using Your HSA

- Use the PayFlex Mastercard to pay for qualified out-of-pocket expenses.
- Invest your HSA funds in a variety of investment options once the funds reach \$1,000.
- You can contribute to the HSA as long as you are enrolled in a qualified health plan (such as the HSA Option). You may use the HSA funds anytime.

Customer Identification Process

Aetna is required to confirm some of your personal information prior to establishing your HSA. This includes your correct name, address, date of birth, and Social Security Number. Doing so is required by Section 326 of the USA Patriot Act. It is a process known as the “Customer Identification Process.”

Here are some common reasons that may cause a delay:

- Addresses that do not match
- P.O. Boxes are not permitted
- Not legally changing your name after a marriage or divorce
- Use of a nickname
- Inconsistent use of your middle initial
- Americanized version of your name
- Different spelling of your name

Please provide any information Aetna requests for the purpose of establishing your HSA.

PHARMACY PLAN INFORMATION

MedImpact

If you elect any Benefit Options medical plan, MedImpact will be the Network you use for pharmacy benefits. Enrollment is automatic when you enroll in the medical plan.

MedImpact currently services 47 million members nationwide, providing leading prescription drug clinical services, benefit design, and claims processing since 1989 through a comprehensive Network of pharmacies.

ID Card

You will not receive a pharmacy ID card. The MedImpact Customer Care information can be found on the back of the ID card provided by your medical network.

How it Works

All prescriptions must be filled at a Network pharmacy by presenting your medical card. You can also fill your prescription through the mail order service. **The cost of prescriptions filled out-of-Network will not be reimbursed.**

No international pharmacy services are covered. Be sure to order your prescriptions prior to your trip and take your prescriptions with you.

The MedImpact plan has a three-tier formulary described in the chart on page 28. The copays listed in the chart are for a 30-day supply of medication bought at a retail pharmacy.

Formulary

The formulary is the list of medications chosen by a committee of doctors and pharmacists to help you maximize the value of your prescription benefit. These generic and brand name medications are available at a lower cost. The use of non-preferred medications will result in a higher copay. Changes to the formulary can occur during the plan year. Medications that no

longer offer the best therapeutic value for the plan are deleted from the formulary. Ask your pharmacist to verify the current copay amount at the time your prescription is filled.

To see what medications are on the formulary, go to *benefitoptions.az.gov* or contact the MedImpact Customer Care Center and ask to have a copy sent to you. Sharing this information with your doctor helps ensure you are getting the best value, which saves money for you and your plan.

Finding a Pharmacy

To find a pharmacy refer to *benefitoptions.az.gov*. See online features for more information.

The MedImpact Customer Care Center is available 24 hours a day, 7 days a week. The toll-free telephone number is 1.888.648.6769.

Pharmacy Mail Order Service

A convenient and less expensive mail order service is available for employees who require medications for on-going health conditions or who will be in an area with no participating retail pharmacies for an extended period of time.

Here are a few guidelines for using the mail order service:

- Submit a 90-day written prescription from your physician.
- Request up to a 90-day supply of medication for **two copays** (offer available to HSA Option members only when copays apply).
- Payments can be made by check or credit card: Visa, MasterCard, American Express, or Discover.
- Register your e-mail address to receive information on your orders.
- Order refills online at *walgreens.com* or via phone at 1.866.304.2846. Have your insurance card ready when you call!

PHARMACY PLAN INFORMATION

Choice90

With this program, employees who require medications for an on-going health condition can obtain a 90-day supply of medication at a local retail pharmacy for **two and a half copays**. For more information, contact MedImpact Customer Care Center at 1.888.648.6769.

Medication Prior Authorization

Prescriptions for certain medications may require clinical approval before they can be filled, even with a valid prescription. These prescriptions may be limited to quantity, frequency, dosage or may have age restrictions. The authorization process may be initiated by you, your local pharmacy, or your physician by calling MedImpact at 1.888.648.6769.

Step Therapy Program

Step Therapy is a program which promotes the use of safe, cost-effective and clinically appropriate medications. This program requires that members try a generic alternative medication that is safe and equally effective before a brand name medication is covered. For a complete list of drugs under this program, please refer to the formulary at benefitoptions.az.gov.

Specialty Pharmacy Program

Certain medications used for treating chronic or complex health conditions are handled through the Walgreens Specialty Pharmacy Program. This program assists you with monitoring your medication needs and also provides patient education.

The Walgreens Specialty Pharmacy Program includes monitoring of specific injection drugs and other therapies requiring complex administration methods and special storage, handling, and delivery.

Specialty medications are limited to a 30-day supply and may be obtained only at a Walgreens retail pharmacy or through the Walgreens Specialty Central Fill facility by calling 1.888.782.8443.

A Specialty Care Representative may contact you to facilitate your enrollment in the Specialty Pharmacy Program. You may also enroll directly into the program by calling 1.888.782.8443.

Limited Prescription Drug Coverage

Prescription drug coverage will generally be limited to medications that do not have an equally effective over-the-counter substitute.

Non-Covered Drugs

Certain medications are not covered as part of the Benefit Options plan. If you find such a drug has been prescribed for you, discuss an alternative treatment with your doctor.

Extended Vacation or Working Abroad

Whether you go to a retail pharmacy or use mail order for your prescriptions, you will need to notify MedImpact in writing of why you are requesting an additional supply of medication, the date when you are leaving, and how long you plan to be gone. MedImpact will be able to authorize a VACATION OVERRIDE allowing you to have the extra medication you will need *providing you have the appropriate number of refills remaining*.

Order refills at least two weeks in advance of your departure. If there is a problem, such as, *not enough refills*, you will have enough time to phone your physician. If you're using Mail Order, contact MedImpact at least three weeks in advance.

PHARMACY PLAN INFORMATION

Continued

If you are already out of town and need a prescription call MedImpact. Tell the representative you are out of town and need to find a participating pharmacy in the area where you are. You will need the zip code where you are visiting. In most cases you will have several choices.

If your medication is lost, stolen, or damaged, replacement medication is not covered.
