Payroll Update

ANNOUNCEMENT

Warrants mailed to employees since July 1<sup>st</sup> may have an issue with how benefit deductions are displayed on the pay stub. The amount paid on the warrant is correct; however some deductions have been grouped which may display incorrect amounts. Employees may view the correct information for deductions on the Y.E.S. website.

GAO Central Payroll is working to correct the issue. If you have any questions regarding pay stubs, please contact the HRIS Help Desk at 602-542-4700.
