Benefit Options E-Mail Address

ISSUE/QUESTION

All liaisons need to update the Benefit Options e-mail address to BenefitsIssues@azdoa.gov

ANSWER

ADOA recently migrated all e-mail accounts to Outlook and as a result, you must now use BenefitsIssues@azdoa.gov to contact the Benefit Options staff. You can no longer send e-mails to BeneIssues@azdoa.gov - if you have sent e-mails to this address since Monday, August 9th, you will need to resend those e-mails to BenefitsIssues@azdoa.gov.
