

## Managing payment types

1. Under the Payments tab, you can add different payment types and remove them as well.
2. Click on "Manage Funding Sources" you can view all Card accounts and Bank Accounts.
3. By clicking add, you can add other accounts to use for payment

The screenshot shows the 'Manage Funding Sources' interface. At the top, there are navigation tabs: 'Account Summary', 'Payments', and 'Manage Funding Sources'. Below the tabs, there is a text block explaining the available funding sources. The main content is divided into two sections: 'Bank Account Details' and 'Card Details'. Each section contains a table of existing accounts and an 'Add' button. In this image, the 'Add Bank Account' button in the Bank Account Details section and the 'Add Card' button in the Card Details section are highlighted with red boxes.
