Deduction Date Change for Benefits Effective 12/11/10

ANSWER

How will deduction dates be affected by GAO's decision to change the paydate from 12/31/10 being changed to 12/30/10?

ISSUE/QUESTION

The General Accounting Office (GAO) has changed the scheduled paydate from 12/31/10 to 12/30/10. As a result, benefits for a new employee which become effective 12/11/10, will require a deduction start date of 12/30/10 in order for the deduction to be taken from the 12/30/10 paycheck.
