### 2012 Medical Plan Descriptions

#### ANNOUNCEMENT

The Benefit Services Division has prepared the 2012 plan descriptions for the EPO, PPO, and HSA plans. The Plan Descriptions are scheduled to be mailed to all Benefit Options members by January 31, 2012. The plan description provides information about the benefits offered under each specific plan for the 2012 plan year.

You can preview the plan descriptions on the Benefit Liaison website at [www.benefitoptions.az.gov/liaison](http://www.benefitoptions.az.gov/liaison) under the Plan Descriptions.

Please take some time to review the Plan Descriptions, so you are able to assist employees in your agency. If you receive questions beyond what is included in the Plan Descriptions, please refer employees to the Benefit Services Division website [www.benefitoptions.az.gov](http://www.benefitoptions.az.gov) or to our member services representatives at 602-542-5008 for more information.
