1. An employee who had coverage through the State of Arizona and lost the coverage because of a reduction in hours of employment or a termination of employment for a reason other than gross misconduct.
2. An employee's legal spouse, as defined by Arizona Statute, or same-sex domestic partner who had coverage through the State of Arizona and lost the coverage for any of the following reasons:
 - Death of the employee;
 - Termination of the employee's employment for a reason other than gross misconduct;
 - Reduction in the employee's hours of employment resulting in a loss of eligibility for coverage;
 - Divorce or legal separation from the employee;
 - The employee becomes eligible for Medicare.
3. An employee's dependent child who had coverage through the State of Arizona and lost the coverage for any of the following reasons:
 - Death of the employee (parent);
 - Termination of the parent's employment for a reason other than gross misconduct;
 - A reduction in the parent's hours of employment resulting in a loss of eligibility for coverage;
 - The parents' divorce or legal separation, termination of same-sex domestic partnership;
 - The parent becomes eligible for Medicare or,
 - The dependent ceases to be a dependent child as defined by the Benefit Options program.

The ADOA Benefit Services Division will determine final eligibility for COBRA coverage.

Eligible dependent children include:

- Natural, adopted and/or stepchild who is under 26 years old;
- A person under the age of 26 for whom the employee-member has court-ordered guardianship;
- Foster children under the age of 26
- Children placed in the employee-member home by court order pending adoption;

Please note: If your dependent child is approaching age 26 and is disabled, immediately contact the ADOA Benefit Services Division regarding procedures to continue coverage for this dependent. Application for continuation of dependent status must be made within 31 days of the child's 26 birthday. You will need to provide verification that your dependent child has a qualifying permanent disability, in accordance with Social Security Administration (SSA) guidelines, that occurred prior to his or her 26 birthday.

Qualified Medical Child Support Order (QMCSO)

If a QMCSO exists, you must continue coverage for your dependent pursuant to the Order. You may not terminate coverage for a dependent covered by a QMCSO.

ELIGIBILITY Continued

Domestic Partners

Pursuant to a change in Arizona law, A.R.S. § 38-651(O), domestic partners are not eligible dependents under the State of Arizona's benefit plan. As a result, this Arizona law precludes previously qualified same-sex and opposite-sex domestic partners from receiving benefits that were created by administrative rulemaking in Arizona Administrative Code § R2-5-101(22).

Accordingly, the State of Arizona will not be offering benefits to opposite-sex domestic partners.

The State of Arizona intended that this law apply equally to same-sex domestic partners. However, a United States Federal District Court, in *Diaz v. Brewer, et al.* (2:09-cv-02402 JWS), imposed a preliminary injunction preventing the State of Arizona from implementing A.R.S. § 38-651(O) as applied to qualified same-sex domestic partners. The case is still in litigation and the State intends to defend its right to fully implement the statute and discontinue offering benefits to all domestic partners.

COBRA and Medicare Entitlement

If Medicare entitlement is BEFORE COBRA begins, there is no effect on the employee, the employee can be on COBRA for 18 months.
-Spouse or dependents are eligible for 36 months.

If Medicare entitlement is AFTER COBRA begins, COBRA may terminate for the employee, depending on the individual plan description.
-Spouse or dependents treated as 2nd QLE for 36 months, or may have no effect, depending on the individual plan description.

Important Disclosure and Disclaimer to Qualified Same-Sex Domestic partners:

As a result of the U.S. District Court preliminary injunction, the State of Arizona is compelled at this time to continue offering benefits to qualified same-sex domestic partners. Qualified same-sex domestic partners are herein ADVISED and CAUTIONED that the preliminary injunction possibly could be lifted after open enrollment or during the 2013 Plan Year. If that were to occur, the State of Arizona would no longer be compelled by the U.S. District Court injunction and the State of Arizona reserves the right to immediately discontinue offering benefits to same-sex domestic partners during the 2013 Plan Year and thereafter. This also would include dependent children of the non-employee qualified same-sex domestic partner unless those individual(s) were an actual dependent of the State employee as defined under the State's benefit plan. **Qualified same-sex domestic partners and their dependents should not have an expectation that coverage will continue or an expectation that the benefits have vested for an entire plan year because the preliminary injunction may be lifted in the future.**

UNDERSTANDING YOUR COBRA COVERAGE

How Long COBRA Coverage Lasts

If you lose coverage through the State of Arizona plan because of a termination of employment or a reduction in hours, you and your eligible family members may maintain COBRA coverage for a maximum period of 18 months from the date of the event.

If an employee's covered dependents lose their coverage because:

- of the employee's death or entitlement to Medicare;
- of the employee's legal separation or divorce the employee's child is no longer a dependent under the Plan.

The eligible family members may maintain COBRA coverage for a maximum period of 36 months from the date of the event.

By law, these coverage periods may be reduced for any of the following reasons:

- the State of Arizona no longer provides group health coverage to any of its employees;
- you do not pay the amount due for your COBRA coverage on time;
- you or one of your covered family members become covered under another group health plan that does not contain any exclusion or limitation with respect to any pre-existing condition; or
- you or one of your covered family members become entitled to Medicare.

Extended COBRA Coverage

In addition, if during or before an 18 month period of COBRA coverage, you or any of your qualified dependents are determined by the Social Security Administration to be disabled, the maximum period of COBRA coverage may be extended for up to 11 months. This extension is available if: The Social Security Administration determines that the individual's disability began no later than 60

days after the employee's employment was terminated or his/her hours were reduced; and you or another member of your family notifies the ADOA Benefit Services Division of the disability determination by the Social Security Administration before the end of the 18 month COBRA coverage period.

Electing Your COBRA Benefits

Upon termination from State Service, employees and eligible dependents will be notified in writing of their COBRA rights and the deadline for returning their enrollment form(s).

To have the opportunity to continue coverage after a loss of coverage due to a qualified life event, the employee and/or affected family member(s) must inform the ADOA Benefit Services Division in writing no later than 60 days after the event.

If notice is not received by the end of that 60-day period, the affected spouse or dependent will not be entitled to choose COBRA coverage. When notified that one of these events has happened, the ADOA Benefit Services Division will provide the covered dependents with the information and forms needed to elect COBRA coverage.

Under the law, the covered dependents have 60 days from the date they would lose coverage because of one of the events described above, to inform the ADOA Benefit Services Division that they want to elect COBRA coverage.

COBRA coverage may be elected for some members of the family but not others (including one or more dependents, even if the employee does not elect it), as long as those for whom it is chosen were covered by the Plan on the date of the event (e.g., termination of employment, death, divorce) that led to the loss of regular coverage.

UNDERSTANDING YOUR COBRA COVERAGE Continued

A parent may elect or reject COBRA coverage on behalf of dependent children living with him or her.

If one of the dependents elects COBRA coverage for him/herself only, the enrollment form must be signed by that dependent unless the dependent is a minor. When the dependent is a minor, the employee-parent must sign the form.

Changing Your COBRA Benefits

If, while you are enrolled for COBRA coverage, you marry, have a child or have a child placed for adoption, you may enroll that spouse or child for coverage for the balance of the period of your COBRA coverage, provided you do so within 30 days after the marriage, birth or placement. Adding a spouse or child may increase the amount you must pay for COBRA coverage.

A Second Qualified Life Event

If you have a second Qualified Life Event while under COBRA coverage and you were eligible for COBRA coverage as the result of an employee's termination (for other than gross misconduct) or the reduction in hours of an employee, you may be granted an extension of coverage for up to 36 months from the date of termination or reduction in hours.

The extension applies only to qualified beneficiaries, including children of the employee who were born or adopted while the employee was on COBRA coverage. (Qualified beneficiaries include an employee's spouse who was covered by the Plan and an employee's dependent children who were covered by the Plan).

If You and Your Spouse are State Employees

You cannot enroll as a single subscriber and be enrolled as a dependent on your spouse's

policy simultaneously. If you do enroll in this manner, no refunds will be made for the employee contributions.

COBRA Coverage for Dependent Children over 26

If your child is age 26 years old and is no longer eligible to be continued on your coverage, s/he may be eligible for continuation coverage for up to 36 months pursuant to the Consolidated Omnibus Budget Reconciliation Act (COBRA).

The member must notify the Benefit Services Division when a dependent is no longer eligible or fails to meet the criteria for coverage of a dependent and complete an Enrollment/Change form to cancel the dependent from their benefit plan.

A COBRA enrollment form with coverage information and rates will be mailed to the employee's home address on file by the Benefit Services Division.

Your Contributions

By law, while on COBRA coverage, you must pay the total cost of your COBRA coverage. You are charged the full amount of the cost for similarly-situated employees or families – both the employee's and the employer's portion - plus an additional 2% administrative fee.

When to Pay

You must make the first payment within 45 days of notifying the plan administrator of selection of COBRA coverage. Thereafter, premiums are due on the first day of each month of coverage.

After your first premium payment, you may have a grace period of 30 days from the usual due date to pay the premiums.

UNDERSTANDING YOUR COBRA COVERAGE Continued

MEDICAL PLAN INFORMATION

Understanding Your Options

For the plan year beginning January 1, 2013, COBRA participants have the option of three plans, four Networks, and four coverage tiers. The word, “Network”, describes the company contracted with the State to provide access to a group of providers (doctors, hospitals, etc.). Certain providers may belong to one Network but not another. Plans are loosely defined as the structure of your insurance policy: the premium, deductibles, copays, and out-of-Network coverage.

	Aetna	BCBSAZ/ AmeriBen*	CIGNA	UnitedHealthcare
EPO	X	X	X	X
PPO	X	X		X
HSA Option	X			

*Blue Cross Blue Shield of Arizona Network administered by AmeriBen.

Finally, choose the tier that meets your needs. A tier describes the number of persons covered by the medical plan.

How the Plans Work

As noted above there are three medical plans offered to active participants under Benefit Options. They are the Exclusive Provider Organization (EPO), the Preferred Provider Organization (PPO), and the Health Savings Account Option (HSA).

The EPO Plan

If you choose the EPO plan under Benefit Options you must obtain services from a Network provider. Out-of-Network services are only covered in emergency situations. Under the EPO plan, you will pay the monthly premium and any required copay at the time of service. The EPO plan is available with all four Networks:

Aetna, Blue Cross Blue Shield of Arizona Network administered by AmeriBen, CIGNA, and UnitedHealthcare.

The PPO Plan

If you choose the PPO plan under Benefit Options you can see providers in-Network or out-of-Network, but will have higher costs for out-of-Network services. Additionally, there is an in-Network and out-of-Network deductible that must be met. Under the PPO plan, you will pay the monthly premium and any required copay or coinsurance (percent of the cost) at the time of service. The PPO plan is available with Aetna, Blue Cross Blue Shield of Arizona Network administered by AmeriBen, and UnitedHealthcare.

The High Deductible Health Plan (HSA Option)

If you choose to enroll in the High Deductible Health Plan (HSA Option), you will be eligible to open a Health Savings Account (HSA), which is a special type of account that allows tax-free contributions, earnings, and healthcare-related withdrawals.

If you choose the HSA Option you can use in-Network and out-of-Network providers. Members pay the copay and/or coinsurance after the deductible is met.

The premiums for the HSA Option are lower, qualified preventative services are covered at 100%, and members pay coinsurance and/or copays. More detailed information on the HSA Option is available on pages 13-16.

Choosing the Best Plan for You and Your Family

To choose the right plan for you:

1. Assess the costs you expect in the coming year including: employee premiums, copays, and coinsurance. Refer to page 10 for per pay period premiums and pages 17 and 18 for plan comparisons to help determine costs.
2. Determine if your doctors are contracted with the Network you are considering. Each medical Network has a website or phone number (listed to the right) to help you determine if your doctor is contracted.
3. Once you have selected which plan best suits your needs and your budget, make your benefit elections online.

Transition of Care (TOC)

If you are undergoing an active course of treatment with a doctor who is not contracted with one of the Networks, you can apply for transition of care.

If you are approved, you will receive in-Network benefits for your current doctor during a transitional period after January 1, 2013.

Transition of care is typically approved if one of the following applies:

1. You have a life threatening disease or condition;
2. You have been receiving care and a continued course of treatment is medically necessary;
3. You are in the third trimester of pregnancy; or
4. You are in the second trimester of pregnancy and your doctor agrees to accept our reimbursement rate and to abide by the Plan's policies,

procedures, and quality assurance requirements.

TOC forms are available on the Benefit Options website benefitoptions.az.gov.

Effective Dates and ID Cards

Changes made during Open Enrollment 2013 will become effective January 1, 2013. Your personal insurance cards typically arrive 7-14 business days after your benefits become effective. If you do not make changes to your current benefits, you can continue to use your current ID card, a new card will not be sent.

Understanding the High Deductible Health Plan (HSA Option)

Things You Should Know:

1. The High Deductible Health Plan (HSA Option) works in conjunction with a Health Savings Account (HSA):
 - Enrolling in the HSA Option automatically enrolls you in a Health Savings Account (HSA) upon completion of the customer identification process (see page 16).
 - HSA is a special type of savings account that allows tax-free contributions, earnings, and healthcare-related withdrawals.
2. The HSA Option offers financial advantages in that:
 - An HSA Option member pays lower employee premiums (paycheck deductions).
 - In the HSA Option, qualified preventative services are free.
 - An HSA Option member may have lower out-of-pocket costs.
 - An HSA Option member is eligible to open and contribute to a Health Savings Account (HSA).
3. The HSA Option presents financial disadvantages in that:
 - HSA HSA Option members pay copays and/or coinsurance after the deductible is met (qualified preventative services are covered at 100%).
4. The HSA Option might be right for you if:
 - You want to open a tax-advantaged HSA and save for future healthcare costs.
 - You are willing to accept some degree of financial risk.
 - You can afford to pay a high deductible if necessary.

5. The HSA Option may be wrong for you if:
 - You like copays because they are simple and predictable.
 - You are not willing to accept some degree of financial risk.
 - You cannot afford to pay a high deductible.

Cost for Services/Prescriptions

The cost for services/prescriptions depends on three things:

Whether the service/prescription is:

- Qualified Preventative
- Non-Preventative
- Emergency

Whether the provider is:

- In-Network
- Out-of-Network

How much you have paid so far during the plan year:

- Less than the deductible
- More than the deductible, but less than the out-of-pocket maximum
- Out-of-pocket maximum

These three areas are shaded in the table on the next page.

At the top of the table you can see that:

- In-Network qualified preventative services are free, even before the deductible is satisfied
- In-Network qualified preventative prescriptions will cost the regular copay amounts (\$10/\$20/\$40) up to the out-of-pocket maximum.
- Once the out-of-pocket maximum is satisfied, in-Network qualified preventative prescriptions are covered at 100% for the remainder of the plan year.

MEDICAL PLAN Continued

Cost for Services/Prescriptions - Continued

In the middle of the table you can see that:

- In-Network emergency services will not be covered until after the deductible is satisfied.
- Once the deductible is satisfied, in-Network emergency services will be 90% covered. The remaining 10% must be paid by the member.
- Once the out-of-pocket maximum is satisfied, in-Network emergency services will be 100% covered (no member cost).

Before enrolling in the HSA Option, make sure you fully understand the table below.

Qualified Preventative care

Preventative care is defined as:

- Periodic health evaluations, including tests and diagnostic procedures ordered in connection with routine examinations (i.e., annual physicals)
- Routine prenatal and well-child care
- Child and adult immunizations
- Tobacco cessation programs
- Certain screening services
- Prescriptions that are preventative in nature.

Individual/emp+adult/emp+child/family total out-of-pocket cost at time of expense →			Less than deductible	More than deductible, less than out-of-pocket maximum	Out-of-pocket maximum
IN-NETWORK	Qualified Preventative	Services	\$0	\$0	\$0
		Prescriptions	\$10/\$20/\$40 copays	\$10/\$20/\$40 copays	
	Non-Preventative	Services	100% of contracted rate	10% of contracted rate	
		Prescriptions	100% of contracted rate	\$10/\$20/\$40 copays	
	Emergency	Services	100% of contracted rate	10% of contracted rate	
	OUT-OF-NETWORK	Qualified Preventative	Services	50% of total cost	
Non-Preventative		Services	100% of total cost	50% of total cost	
		Emergency	Services	100% of total cost	10% of total cost

Understanding Health Savings Accounts (HSAs)

The HSA is only offered if you enroll in the High Deductible Health Plan Option (HSA Option).

HSA Overview

1. You open your HSA.
 - The State cannot restrict what you spend it on.
 - You maintain ownership even after ending State employment.
 - You can invest the money like you would invest money in an IRA.
 - Your funds will earn interest.
2. You can make additional contributions to your HSA through:
 - Payroll deductions (pre-tax);
 - Lump-sum deposits (tax deductible).
3. The Internal Revenue Service sets annual contribution limits. Visit www.irs.gov for additional information.
4. You can spend HSA funds tax-free on qualified healthcare-related expenditures (defined by the Internal Revenue Service)
 - You can use a debit card.
 - Link personal bank account to HSA.
 - Non-qualified withdrawals are allowed, however, effective January 1, 2013 they are subject to tax and a 20% penalty.
5. HSAs should not be confused with FSAs:
 - FSA stands for Flexible Spending Account. It is a special type of savings account that allows tax-free contributions and healthcare-related withdrawals.
 - FSAs have “use-it-or-lose-it” rules. Unused funds do not rollover from year to year.

6. HSAs have no “use-it-or-lose-it” rules. Unused funds will rollover from year to year. This allows you to create a healthcare nest egg.
7. If the member does not require services (other than the free qualified preventative services), the money stays in the HSA and grows tax free. It can be used to pay for qualified healthcare costs anytime in the future.

About the HSA

The HSA offers the following features:

- No set-up fees
- No monthly administration fee
- No withdrawal forms
- HSA tracking through Aetna Navigator
- Cost Estimator Tool—Cost of Care

There are some fees associated with the HSA, visit benefitoptions.az.gov, click on:

- Plan Descriptions,
- Medical Insurance Coverage,
- Under HSA Plan link click where it indicates for more information.

How To Open Your HSA

Your HSA will automatically be established in your name when you enroll in the High Deductible Health Plan Option and pass the Customer Identification Process (see below for additional information). You will receive a welcome kit by mail 3-4 weeks after the account is opened. The State will start contributing to your account on the first pay cycle following the plan year effective date. State contributions will only be made if you receive a paycheck.

MEDICAL PLAN Continued

Using Your HSA

- Use the PayFlex Mastercard to pay for qualified out-of-pocket expenses.
- Invest your HSA funds in a variety of investment options once the funds reach \$1,000.
- You can contribute to the HSA as long as you are enrolled in a qualified health plan (such as the HSA Option). You may use the HSA funds anytime.

Customer Identification Process

Aetna is required to confirm some of your personal information prior to establishing your HSA. This includes your correct name, address, date of birth, and Social Security Number. Doing so is required by Section 326 of the USA Patriot Act. It is a process known as the “Customer Identification Process.”

Here are some common reasons that may cause a delay:

- Addresses that do not match
- P.O. Boxes are not permitted
- Not legally changing your name after a marriage or divorce
- Use of a nickname
- Inconsistent use of your middle initial
- Americanized version of your name
- Different spelling of your name

Please provide any information Aetna requests for the purpose of establishing your HSA.

PHARMACY PLAN INFORMATION

MedImpact

If you elect any Benefit Options medical plan, MedImpact will be the Network you use for pharmacy benefits. Enrollment is automatic when you enroll in the medical plan.

MedImpact currently services 33 million members nationwide, providing leading prescription drug clinical services, benefit design, and claims processing since 1989 through a comprehensive Network of pharmacies.

How it Works

All prescriptions must be filled at a Network pharmacy by presenting your medical card. You can also fill your prescription through the mail order service. **The cost of prescriptions filled out-of-Network will not be reimbursed.**

No international pharmacy services are covered. Be sure to order your prescriptions prior to your trip and take your prescriptions with you.

The MedImpact plan has a three-tier formulary described in the chart on page 32. The copays listed in the chart are for a 30-day supply of medication bought at a retail pharmacy.

Formulary

The formulary is the list of medications chosen by a committee of doctors and pharmacists to help you maximize the value of your prescription benefit. These generic and brand name medications are available at a lower cost. The use of non-preferred medications will result in a higher copay. Changes to the formulary can occur during the plan year. Medications that no longer offer the best therapeutic value for the plan are deleted from the formulary. Ask your pharmacist to verify the current copay amount at the time your prescription is filled.

To see what medications are on the formulary, go to benefitoptions.az.gov or contact the MedImpact Customer Care Center and ask to have a copy sent to you. Sharing this information with your doctor helps ensure you are getting the best value, which saves money for you and your plan.

Finding a Pharmacy

To find a pharmacy refer to benefitoptions.az.gov. See online features for more information.

The Customer Care Center is available 24 hours a day, 7 days a week. The toll-free telephone number is 1.888.648.6769.

Pharmacy Mail Order Service

A convenient and less expensive mail order service is available for COBRA participants who require medications for on-going health conditions or who will be in an area with no participating retail pharmacies for an extended period of time.

Here are a few guidelines for using the mail order service:

- Submit a 90-day written prescription from your physician.
- Request up to a 90-day supply of medication for **two copays** (offer available to HSA Option members only when copays apply).
- Payments can be made by check or credit card: Visa, MasterCard, American Express, or Discover.
- Register your e-mail address to receive information on your orders.
- Order refills online at WalgreensHealth.com or via phone at 1.866.304.2846. Have your insurance card ready when you call!

PHARMACY PLAN INFORMATION

Continued

Choice90

With this program, COBRA participants who require medications for an on-going health condition can obtain a 90-day supply of medication at a local retail pharmacy for **two and a half copays**. For more information, contact MedImpact Customer Care Center at 1.888.648.6769.

Medication Prior Authorization

Prescriptions for certain medications may require clinical approval before they can be filled, even with a valid prescription. These prescriptions may be limited to quantity, frequency, dosage or may have age restrictions. The authorization process may be initiated by you, your local pharmacy, or your physician by calling MedImpact at 1.888.648.6769.

Step Therapy Program

Step Therapy is a program which promotes the use of safe, cost-effective and clinically appropriate medications. This program requires that members try a generic alternative medication that is safe and equally effective before a brand name medication is covered. For a complete list of drugs under this program, please refer to the formulary at benefitoptions.az.gov.

Specialty Pharmacy Program

Certain medications used for treating chronic or complex health conditions are handled through the Walgreens Specialty Pharmacy Program. This program assists you with monitoring your medication needs and also provides patient education.

The Walgreens Specialty Pharmacy Program includes monitoring of specific injection drugs and other therapies requiring complex administration methods and special storage, handling, and delivery.

Specialty medications are limited to a 30-day supply and may be obtained only at a Walgreens retail pharmacy or by calling 1.888.782.8443.

A Specialty Care Representative may contact you to facilitate your enrollment in the Specialty Pharmacy Program. You may also enroll directly into the program by calling 1.888.782.8443.

Limited Prescription Drug Coverage

Prescription drug coverage will generally be limited to medications that do not have an equally effective over-the-counter substitute.

Non-Covered Drugs

Certain medications are not covered as part of the Benefit Options plan. If you find such a drug has been prescribed for you, discuss an alternative treatment with your doctor.

Extended Vacation or Working Abroad

Whether you go to a retail pharmacy or use mail order for your prescriptions, you will need to notify MedImpact in writing of why you are requesting an additional supply of medication, the date when you are leaving, and how long you plan to be gone. MedImpact will be able to authorize a VACATION OVERRIDE allowing you to have the extra medication you will need *providing you have the appropriate number of refills remaining*.

Order refills at least two weeks in advance of your departure. If there is a problem, such as, *not enough refills*, you will have enough time to phone your physician. If you're using Mail Order, contact MedImpact at least three weeks in advance.

Copays will be the same as you would normally pay times the number of refills you need.

PHARMACY PLAN INFORMATION

Continued

If you are already out of town and need a prescription call MedImpact. Tell the representative you are out of town and need to find a participating pharmacy in the area where you are. You will need the zip code where you are visiting. In most cases you will have several choices.

If your medication is lost, stolen, or damaged, replacement medication is not covered.

COBRA COVERAGE NOTICE

COBRA coverage is available when a “qualifying event” occurs that would result in a loss of coverage under the health plan, such as end of employment, reduction of the employee’s hours, employee becoming entitled to Medicare, marriage, divorce, legal separation, annulment, or death.

Federal law requires that most group health plans give qualified beneficiaries the opportunity to continue their group health coverage when there is a qualifying event. Depending on the type of qualifying event, “qualified beneficiaries” can include an employee covered under the group health plan and his/her enrolled dependents. Certain newborns, newly adopted children, and children of parents under Qualified Medical Child Support Orders (QMCSOs) may also be qualified beneficiaries. This is discussed in more detail in separate paragraphs below. COBRA coverage is the same coverage that the State of Arizona offers to participants.

Each qualified beneficiary who elects COBRA coverage will have the same rights under the Plan as other participants, including open enrollment and HIPAA special enrollment rights. The description of COBRA coverage contained in this notice applies only to group health coverage offered by the State of Arizona (medical, dental, vision and healthcare Flexible Spending Account [FSA]). The Plan provides no greater COBRA rights than what COBRA requires – nothing in this notice is intended to expand your rights beyond COBRA’s requirements.

Electing COBRA Coverage

To elect COBRA coverage, you must complete the election form according to the directions on the election form and mail or deliver by the date specified on the election form to the ADOA Benefit Services Division. Each qualified beneficiary has a separate right to elect COBRA coverage.

For example, the employee’s spouse may elect COBRA coverage even if the employee does not and can elect coverage on behalf of all the qualified beneficiaries. COBRA coverage may be elected for only one, several, or for all dependent children who are qualified beneficiaries.

You may elect COBRA under the group health coverage (medical, dental, vision and health care FSA) in which you were covered under the Plan on the day before the qualifying event. Qualified beneficiaries who are entitled to elect COBRA may do so even if they have other group health plan coverage or are entitled to Medicare benefits on or before the date on which COBRA is elected. However, a qualified beneficiary’s COBRA coverage will terminate automatically if, after electing COBRA, he or she becomes entitled to Medicare benefits or becomes covered under another group health plan (but only after any applicable pre-existing condition exclusions of that other plan have been exhausted or satisfied).

Electing COBRA Under the Healthcare FSA

COBRA coverage under the health care FSA will be offered only to qualified beneficiaries losing coverage who have underspent accounts. A qualified beneficiary has an underspent account if the annual limit elected under the health care FSA by the covered employee reduced by reimbursements of expenses incurred up to the time of the qualifying event, is equal to or more than the amount of premiums for healthcare FSA COBRA coverage that will be charged for the remainder of the plan year COBRA coverage will consist of the health care FSA coverage in force at the time of the qualifying event (i.e., the elected annual limit reduced by expenses reimbursed up to the time of the qualifying event).

COBRA COVERAGE NOTICE

Continued

The use-it-or-lose-it rule will continue to apply, so any unused amounts will be forfeited at the end of the plan year. FSA COBRA coverage will terminate at the end of the plan year. All qualified beneficiaries who were covered under the health care FSA will be covered together for health care FSA COBRA. However, each qualified beneficiary has separate election rights, and each could alternatively elect separate COBRA coverage to cover that qualified beneficiary only, with a separate health care FSA annual coverage limit and a separate COBRA premium. Contact the ADOA Benefit Services Division for more information.

Special Considerations in Deciding Whether to Elect COBRA

In considering whether to elect COBRA coverage, you should take into account that a failure to elect COBRA will affect your future rights under federal law. First, you can lose the right to avoid having pre-existing condition exclusions applied to you by other group health plans if you have more than a 63-day gap in health coverage. Election of COBRA coverage may eliminate this gap. Second, you may lose the guaranteed right to purchase individual health insurance policies that do not impose such pre-existing condition exclusions if you do not get COBRA coverage for the maximum time available to you. Finally, you should take into account that you may have special enrollment rights under federal law. You may have the right to request special enrollment in another group health plan for which you are otherwise eligible (such as a plan sponsored by your spouse's employer) within 30 days after your group coverage ends because of the qualifying event.

You will also have the same special enrollment right at the end of COBRA coverage if you get COBRA coverage for the maximum time available to you.

How Long Will COBRA Coverage Last

COBRA coverage will generally be continued only for up to a total of 18 months. When the qualifying event is the end of employment or reduction of the employee's hours of employment, and the employee became entitled to Medicare benefits less than 18 months before the qualifying event, COBRA coverage for qualified beneficiaries (other than the employee) who lose coverage under the Plan as a result of the qualifying event can last up to 36 months from the date of Medicare entitlement.

This COBRA coverage period is available only if the covered employee becomes entitled to Medicare within 18 months before the termination of employment or reduction of hours. In the case of a loss of coverage due to a employee's death, divorce or legal separation, or a dependent child ceasing to be a dependent under the terms of the Plan, COBRA coverage may be continued for up to a total of 36 months. Regardless of the qualifying event, health care FSA COBRA coverage may only be continued to the end of the plan year in which the qualifying event occurred and cannot be extended for any reason. This notice shows the maximum period of COBRA coverage available to qualified beneficiaries. COBRA coverage will automatically terminate before the end of the maximum period if:

- any required premium is not paid in full on time,
- a qualified beneficiary becomes covered, after electing COBRA coverage, under another group health plan (but only after any applicable pre-existing condition exclusions of that other plan have been exhausted or satisfied),
- the State ceases to provide any group health plan for its employees; or

COBRA COVERAGE NOTICE

Continued

- during a disability extension period (the disability extension is explained below), the disabled qualified beneficiary is determined by the Social Security Administration to no longer be disabled.

COBRA coverage may also be terminated for any reason that traditional enrollment would be terminated (for example, the Plan would terminate coverage of a participant or beneficiary not receiving COBRA coverage in a case of fraud).

You must notify the COBRA administrator(s) in writing within 30 days if, after electing COBRA, a qualified beneficiary becomes entitled to Medicare (Part A, Part B or both) or becomes covered under another group health plan (but only after any preexisting condition exclusions of that other plan have been exhausted). COBRA coverage will terminate (retroactively if applicable) as of the date of Medicare entitlement or as of the beginning date of the other group health coverage (after satisfaction of any applicable preexisting condition exclusions). The plan will require repayment of all benefits paid after the termination date, regardless of whether or when you provide notice of Medicare entitlement or other group health plan coverage.

Extending the Length of COBRA Coverage

If you elect COBRA coverage, an extension of the period of coverage may be available if a qualified beneficiary is or becomes disabled or a second qualifying event occurs. You must notify the COBRA administrators in writing of a disability or a second qualifying event in order to extend the period of COBRA coverage.

Failure to provide notice of a disability or second qualifying event will affect the right to extend the period of COBRA coverage (the period of

COBRA health care FSA cannot be extended end of the current plan year under any circumstances).

Disability

If any of the qualified beneficiaries is determined by the Social Security Administration to be disabled, the maximum COBRA coverage period that results from the covered employee's termination of employment or reduction of hours (generally 18 months as described above) may be extended up to a total of 29 months.

The disability must have started at some time before the 61st day of COBRA coverage obtained due to the covered employee's termination of employment or reduction of hours with the State and must last until the end of the 18-month period of COBRA coverage.

Each qualified beneficiary who has elected COBRA coverage will be entitled to the disability extension if one of them qualifies. The disability extension is available only if you notify the COBRA administrator(s) in writing of the Social Security Administration's determination of disability within 60 days after the latest of:

- the date of the Social Security Administration's disability determination;
- the date on which the qualified beneficiary loses (or would lose) coverage under the terms of the Plan as a result of the covered employee's termination of employment or reduction of hours; and
- the date on which the qualified beneficiary loses (or would lose) coverage under the terms of the Plan as a result of the covered employee's termination or reduction of hours. You must also provide this notice within the original 18 months of COBRA coverage obtained due to the covered employee's loss of coverage in order to be entitled to a disability extension.

COBRA COVERAGE NOTICE

Continued

The notice must be provided in writing and must include the following information:

- the name(s) and address(es) of all qualified beneficiaries who are receiving COBRA due to the initial qualifying event;
- the name and address of the disabled qualified beneficiary;
- the date that the qualified beneficiary became disabled;
- the date that the Social Security Administration made its determination of disability;
- a statement as to whether or not the Social Security Administration has subsequently determined that the qualified beneficiary is no longer disabled; and
- the signature, name and contact information of the individual sending the notice.

Your notice must include a copy of the Social Security Administration's determination of disability. You must mail this notice within the required time periods to the ADOA Benefits Office.

If the above procedures are not followed or if the notice is not provided within the 60-day notice period, there will be no COBRA coverage disability extension. If the qualified beneficiary is determined by the Social Security Administration to no longer be disabled, you must notify the COBRA administrator(s) of that fact within 30 days after the Social Security Administration's determination. The notice must be provided in the same manner as, and include the same information required for, a notice of disability as described above.

Second Qualifying Event

An extension of coverage will be available to spouses and dependent children who are receiving COBRA coverage if a second qualifying event occurs during the first 18

months (or, in the case of a disability extension, the first 29 months) of COBRA coverage following the covered employee's loss of coverage.

The maximum amount of COBRA coverage available when a second qualifying event occurs is 36 months from the date COBRA coverage began. Such second qualifying events include the death of a covered employee, divorce or legal separation from the covered employee, or a dependent child's ceasing to be eligible for coverage as a dependent under the Plan.

This extension due to a second qualifying event is available only if you notify the COBRA administrator(s) in writing of the second qualifying event within 60 days after the date of the second qualifying event. The notice must include the following information:

- the name(s) and address(es) of all qualified beneficiaries who are receiving COBRA due to the initial qualifying event;
- a description of the second qualifying event;
- the date of the second qualifying event;
- the signature, name and contact information of the individual sending the notice.

In addition, you must provide documentation supporting the occurrence of the second qualifying event, if the ADOA Benefit Services Division requests it. Acceptable documentation includes a copy of the divorce decree, death certificate, or dependent child's birth certificate, driver's License, marriage license or letter from a university or institution indicating a change in student status. You must mail this notice within the required time periods to the ADOA Benefit Services Division. If the above procedures are not followed or if the notice is not provided within the 60-day notice period, there will be no extension of COBRA coverage due to a second qualifying event.

COBRA COVERAGE NOTICE

Continued

COBRA Coverage Cost

Generally each qualified beneficiary is required to pay the entire cost of COBRA coverage. The amount a qualified beneficiary is required to pay may not exceed 102 percent (or, in the case of an extension of COBRA coverage due to a disability, 150 percent) of the cost to the group health plan (including both employer and employee contributions) for coverage of a similarly situated plan participant who is not receiving COBRA coverage. The required monthly payment for each group health benefit provided under the Plan under which you are entitled to elect COBRA is noted on the Enrollment/Change form.

Making Your COBRA Coverage Payment

If you elect COBRA coverage, you do not have to send any payment with the election form. However, you must make your first payment for COBRA coverage no later than 45 days after the date of your election (this is the date the election form is postmarked, if mailed, or the date your election form is received by the individual at the address specified for delivery on the election form, if hand delivered). If you do not make your first payment for COBRA coverage in full within 45 days after the date of your election, you will lose all COBRA rights under the Plan. Your first payment must cover the cost of COBRA coverage from the time your coverage under the Plan would have otherwise terminated up through the end of the month before the month in which you make your first payment. You are responsible for making sure that the amount of your first payment is correct.

Please contact the ADOA Benefit Services Division for information about your COBRA payment including how much you owe.

Monthly Payments for COBRA Coverage

After you make your first payment for COBRA coverage, you will be required to make monthly payments for each subsequent month of COBRA coverage.

The amount due for each coverage period for each qualified beneficiary will be shown in the notice you receive. Under the Plan, each of these monthly payments for COBRA coverage is due on the first day of the month for that month's COBRA coverage.

If you make a monthly payment on or before the first day of the month to which it applies, your COBRA coverage under the Plan will continue for that month without any break. You will be billed for your COBRA coverage. It is your responsibility to pay your COBRA premiums on time.

Grace Periods for Monthly Payments

Although monthly payments are due on the first day of each month of COBRA coverage, you will be given a grace period of 30 days after the first day of the month to make each payment for that month. Your COBRA coverage will be provided for each month as long as payment for that month is made before the end of the grace period for that payment.

However, if you pay a monthly payment later than the first day of the month to which it applies, but before the end of the grace period for the month, your coverage under the Plan will be suspended as of the first day of the month and then retroactively reinstated (going back to the first day of the month) when the monthly payment is received. This means that your coverage will be suspended.

COBRA COVERAGE NOTICE

Continued

If you fail to make a monthly payment before the end of the grace period for that month, you will lose all rights to COBRA coverage under the Plan. If mailed, your payment is considered to have been made on the date that it is postmarked. If hand delivered, your payment is considered to have been made when it is received. Payments received or postmarked after the due date will not be accepted. You will not be considered to have made any payment if your check is returned due to insufficient funds or otherwise.

More Information About Individuals Who May be Qualified Beneficiaries

A child born to, adopted by, or placed for adoption with a covered member during a period of COBRA coverage is considered to be a qualified beneficiary provided that, if the covered member is a qualified beneficiary, the covered member has elected COBRA coverage for himself or herself and enrolls the child within 30 days of the birth, adoption or placement for adoption. To be enrolled in the Plan, the child must satisfy the otherwise applicable eligibility requirements (for example, age).

Alternative Recipients Under QMCSOs

A child of the covered employee who is receiving benefits under the Plan pursuant to a Qualified Medical Child Support Order (QMCSO) received by the State during the covered employee dates of coverage with the State is entitled to the same rights to elect COBRA as any other eligible dependent child of the covered employee.

This notice does not fully describe COBRA coverage or other rights under the Plan. More information about COBRA coverage and your rights under the Plan is available from the ADOA Benefit Services Division.
