The State of Arizona has awarded new contracts effective January 1, 2015 for Employee Health Benefits, Pharmacy Benefit Management Services, Employee Vision Benefits, and Life, Accidental Death & Dismemberment (AD&D), Short-Term and Long-Term Disability Insurance.

**Medical Networks**
The only change to the medical networks is Blue Cross Blue Shield of Arizona will administer their own network. The health plan networks continue to offer statewide and national coverage. When choosing a network, it is important to check with your current provider to determine if he/she is contracted with your network of choice. More information about the medical plans can be found on pages 17-22 of this guide.

**HSA Medical Plan**
Adjustments have been made to comply with 2015 IRS HSA limitations. Annual Contribution Limits: Single $3,350 and Family $6,650. Plan Year Deductible: Single $1,300 In-Network/$2,600 Out-of-Network and Family $2,600 In-Network/$5,200 Out-of-Network.

**Pharmacy Benefit Management**
The State has selected MedImpact to continue the administration of your pharmacy benefit. MedImpact continues to use the Walgreens Health Initiative system for both mail-order and specialty drug purchases. Members who use these services will experience no disruption.

**Vision**
The State has selected Avesis to continue to provide two vision programs. Beginning in 2015, Avesis is offering the following benefit enhancements:

- Premium reductions and a 4-tier plan structure (see page 15)
- LASIK benefit increase to $600. This benefit is in addition to the corrective eyewear benefit.
- Hearing Discount Program available at no cost for all eligible employees and their dependents.

**BENEFIT CHANGES FOR PLAN YEAR 2015**

**Premiums**
- No premium increases for medical or dental
- Reduction in premium for vision
- Reduction in premium for life and short-term disability

**Active Enrollment**
Participants are required to go online and actively elect their benefits for medical, vision, life and disability, and flexible spending accounts. If you do not re-elect coverage during this enrollment opportunity, you will lose coverage for these plans. You are not required to take action on your dental benefits, your current election will automatically continue.

Note: ASU and UA will require you to actively elect (or re-elect) ALL your benefits, even if you are currently enrolled.

Changes made during this Open Enrollment will be effective January 1, 2015. See pages 13-14 for online enrollment instructions.

**Hearing Aid Benefit**
Due to Affordable Care Act rules and regulations, the Plan has been amended to remove the $1,500 annual limitation for hearing aids effective January 1, 2014. Hearing aid devices are limited to one per ear, per Plan Year when determined to be medically necessary.

BENEFIT CHANGES FOR PLAN YEAR 2015

Life and Disability Insurance
The State has selected The Hartford to continue to provide Short-Term Disability, Long-Term Disability, and Life and Accidental Death & Dismemberment (AD&D) Insurance to eligible employees. The following benefit changes will be effective for any disability occurring on or after January 1, 2015.

Life Insurance Waiver of Premium
The definition for the Waiver of Premium has been revised to meet the definition of Total Disability.

More information about this change can be found on pages 45-46 of this guide.

Supplemental Life/AD&D
The Supplemental Life/AD&D coverage maximum has increased to $500,000 or up to 3x your annual salary, whichever is less. For this Open Enrollment period only, you may elect your coverage in increments of $5,000 up to the benefit maximum. Future enrollments will be limited to increases in increments of $5,000, up to $20,000, not to exceed the benefit maximum.

An additional coverage option of $10,000 is now available for Dependent Life/AD&D.

Short-Term Disability
Two changes will go into effect for a disability that occurs on or after January 1, 2015. First, the maximum duration of benefits is 26 weeks from the date of disability. The maximum benefit payment period is 26, 22, or 18 weeks depending on the length of the benefit waiting period. Second, benefit payments made to you by The Hartford will be offset after the benefit waiting period has been exhausted by any income you receive for sick, annual, and donated leave.

More information about Life/AD&D and Disability changes can be found on pages 44-50 of this guide.
HEALTH IMPACT PROGRAM
PLAN ENHANCEMENT

ADOA is pleased to announce the Health Impact Program (HIP), a wellness enhancement to the current State of Arizona Benefit Options Plan, effective October 1, 2014, through September 31, 2015. Specifically, HIP is designed as a point based employee wellness program for all benefits eligible State of Arizona employees. Employees who successfully complete the program may be eligible to receive up to $200 at the conclusion of the program period.

Registration
Create an account on the Mayo Clinic Healthy Living online portal at bewellstaywell.az.gov to register for the program. You will need your Employee Identification Number (EIN), including leading zeroes to create a complete 9-digit number.

Program Period
The 2014-2015 program will begin on October 1, 2014, running continuously through September 30, 2015. All activities applied toward program completion must fall within this program period and must be logged into the Mayo Healthy Living online portal by the participant prior to the close of the program period.

Eligibility
All benefits eligible employees may participate in HIP. Employees must be active in a pay status at the time incentive payments are made, and for the duration of the program period. HIP is a voluntary, opt-in program; employees will not be automatically enrolled. Spouses, dependents, and retirees are not eligible for HIP at this time. Temporary, part time, and seasonal employees not receiving benefits are not eligible for HIP at this time.

HIP activities
Participants in the program will accrue points throughout the program period by engaging in a variety of wellness activities, including but not limited to: health education classes, preventive screenings, health assessment completion, and engagement in coaching or disease management programs.

Incentives
Program participants must achieve 500 total points by September 30, 2015 to be eligible to receive up to $200; the amount may be lower depending on total participation. The payment will be processed in November 2015 and paid directly through payroll to those who successfully complete the program requirements.

Reporting Requirements
With the exception of the Mayo Clinic Health Assessment and subsequent Mayo Clinic Healthy Living coaching, all activities reported toward HIP completion must be self-reported by the employee. Participants must retain proof of participation for reported activities, and ADOA reserves the right to audit any and all records of participation at its discretion.

Please visit benefitoptions.az.gov/wellness for complete program information.

ELIGIBILITY

Domestic Partners and Eligible Dependents
Pursuant to a change in Arizona law, A.R.S. § 38-651(O), domestic partners are not eligible dependents under the State of Arizona’s benefit plan. As a result, this Arizona law precludes previously qualified same-sex and opposite-sex domestic partners from receiving benefits that were created by administrative rulemaking.

Accordingly, the State of Arizona will not be offering benefits to opposite-sex domestic partners. The State of Arizona intended that this law apply equally to same-sex domestic partners. However, a United States Federal District Court, in Diaz v. Brewer, et al. (2:09-cv-02402 JWS), imposed a preliminary injunction preventing the State of Arizona from implementing A.R.S. § 38-651(O) as applied to qualified same-sex domestic partners. The case is still in litigation and the State intends to defend its right to fully implement the statute and discontinue offering benefits to all domestic partners.

Important Disclosure and Disclaimer
Employees have been offered same-sex domestic partner coverage pursuant to a preliminary injunction in Diaz v. Brewer (Case No. 2:09-cv02402-JWS), pending in the U.S. District Court for the District of Arizona. Because same-sex couples now may marry, our intention is to apply to the court to have the preliminary injunction lifted. If we are successful, same-sex domestic partners will no longer be eligible for coverage in the Benefit Options plans effective January 1, 2015, or the date the preliminary injunction is lifted, whichever is later.

If the same-sex couple are not married to their same-sex domestic partner at the time that domestic partner benefits no longer are available, COBRA will be offered to same-sex domestic partner at that time.

Eligible Employees
Active employees regularly scheduled to work 20 hours or more per week for at least 90 days or longer (except those listed below as ineligible) and their qualified dependents may participate in the Benefit Options Programs.

Effective January 1, 2015, the definition of eligible employee for the purposes of benefits offered by ADOA pursuant to the Affordable Care Act (ACA), Arizona Revised Statutes Title 38, Chapter 4, Article 4 and Arizona Administrative Code Title 2, Chapter 6, will be:

1) Eligible Employee means an individual who is hired by the State, including the Universities, and is regularly scheduled to work at least 20 hours per week for at least 90 days

2) Ineligible Employee means:

   a) A patient or inmate employed at a state institution

   b) A non-state employee, officer or enlisted personnel of the National Guard of Arizona

   c) A Seasonal Employee, unless they are determined to have been paid for an average of at least 30 hours per week using a 12-month measurement period

   d) A Variable Hour Employee, unless they are determined to have been paid for an average of at least 30 hours per week using a 12-month measurement period
ELIGIBILITY Continued

Eligible Dependents
At Open Enrollment you may add the following dependents to your plans (proper documentation may be required, see below):

A. Your legal spouse

D. Your child defined as:
   a. Your natural, adopted and/or stepchild who is under 26 years old;
   b. A person under the age of 26 for whom you have court-ordered guardianship;
   c. Your foster children under the age of 26;
   d. A child placed in your home by court order pending adoption;
   e. Your natural, adopted and/or stepchild;
     i. Who was disabled as defined by 42 U.S.C. 1382c before the age of 26;
     ii. Who continues to be disabled as defined by 42 U.S.C. 1382c;
     iii. Who is dependent for support and maintenance upon you;
     iv. For whom you had custody before the child was 26.

Dependent Documentation Requirements
A. If your dependent child is approaching age 26 and has a disability, application for continuation of dependent status must be made within 31 days of the child’s 26th birthday. You will need to provide verification that your dependent child has a qualifying permanent disability that occurred prior to his or her 26th birthday in accordance with 42 U.S.C.1382c.

B. If you are enrolling a dependent whose last name is different from your own, the dependent’s coverage will not be processed until supporting documentation such as a marriage license for a spouse or a birth certificate or court order for a dependent, is provided to the Benefit Services Office.
Qualified Medical Child Support Order (QMCSO)
You may not terminate coverage for a dependent covered by a QMCSO.

If You and Your Spouse are Both State Employees
Dual coverage is not permitted under this Plan. An employee may elect coverage for their entire family, including the State employee spouse, or each State employee spouse may elect their own coverage.

You cannot enroll as a single subscriber and be enrolled as a dependent on your spouse’s policy simultaneously. If you do enroll in this manner, no refunds will be made for the employee contributions.

Eligibility Audit
Benefit Services may audit a member’s documentation to determine whether an enrolled dependent is eligible according to the plan requirements. This audit may occur either randomly or in response to uncertainty concerning dependent eligibility.

Should you have questions after receiving a request to provide proof of dependent eligibility, please contact the Audit Services Unit within the Human Resources Division-Benefit Services.

Subrogation
Subrogation is the right of an insurer to recover all amounts paid out on behalf of you, the insured. In the event you, as a Benefit Options member, suffer an injury or illness for which another party may be responsible, such as someone injuring you in an accident, and Benefit Options pays benefits as a result of that injury or illness, Benefit Options has the legal right to recover against the party responsible for your illness or injury or from any settlement or court judgment you may receive, up to the amount of benefits paid out by Benefit Options.

As a Benefit Options member, you are required to cooperate with the vendors acting on behalf of ADOA for subrogation. Failure to do so may result in legal action by the State to recover funds received by you.
End-Stage Renal Disease
If you are eligible to enroll in Medicare as an active employee or retiree because of End-Stage Renal Disease, the plan will pay for the first 30 months, whether or not you are enrolled in Medicare and have a Medicare card. At the end of the 30 months, Medicare becomes the primary payer. If a plan member who is eligible for Medicare Part B does not enroll in Medicare Part B, the plan will only pay secondary benefits after 30 months of primary coverage.

Continuing Eligibility through COBRA
In accordance with the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA), if you experience a loss of coverage due to termination of employment or a qualifying event, you and/or your dependents may extend coverage under the Benefit Options Plan for a limited period of time.

Please refer to the COBRA Participant Benefit Guide for additional information.

Understanding Your Options
For the plan year beginning January 1, 2015, employees have the option of three plans, four Networks, and four coverage tiers. The word, “Network”, describes the company contracted with the State to provide access to a group of providers (doctors, hospitals, etc.). Certain providers may belong to one Network but not another. Plans are loosely defined as the structure of your insurance policy: the premium, deductibles, copays, and out-of-Network coverage.

</tr>
<tr>
<td>UnitedHealthcare</td>
<td>X</td>
<td>X</td>
<td></td>
</tr>
</tbody>
</table>

Finally, choose the tier that meets your needs. A tier describes the number of persons covered by the medical plan.

How the Plans Work
As noted above there are three medical plans offered to active participants under Benefit Options. They are the Exclusive Provider Organization (EPO), the Preferred Provider Organization (PPO), and the Health Savings Account Option (HSA).

### The EPO Plan
If you choose the EPO plan under Benefit Options you must obtain services from a Network provider. Out-of-Network services are only covered in emergency situations. Under the EPO plan, you will pay the monthly premium and any required copay at the time of service. The EPO plan is available with all four Networks:

- Aetna, Blue Cross Blue Shield of Arizona, Cigna, and UnitedHealthcare.

### The PPO Plan
If you choose the PPO plan under Benefit Options you can see providers in-Network or out-of-Network, but will have higher costs for out-of-Network services. Additionally, there are in-Network and out-of-Network deductibles that must be met. Under the PPO plan, you will pay the monthly premium and any required copay or coinsurance (percent of the cost) at the time of service. The PPO plan is available with Aetna, Blue Cross Blue Shield of Arizona, and UnitedHealthcare.

### The High Deductible Health Plan (HSA Option)
If you choose to enroll in the High Deductible Health Plan (HSA Option), you will be eligible to open a Health Savings Account (HSA), which is a special type of account that allows tax-free contributions, earnings, and healthcare-related withdrawals.

If you choose the HSA Option you can use in-Network and out-of-Network providers. Members pay the copay and/or coinsurance after the deductible is met.

The premiums for the HSA Option are lower, qualified preventive services are covered at 100%, and members pay coinsurance and/or copays. More detailed information on the HSA Option is available on pages 19-22.
Choosing the Best Plan for You and Your Family

To choose the right plan for you:

1. Assess the costs you expect in the coming year including: employee premiums, copays, and coinsurance. Refer to pages 15-16 for per pay period premiums and pages 23-24 for plan comparisons to help determine costs.

2. Determine if your doctors are contracted with the Network you are considering. Each medical Network has a website or phone number (listed to the right) to help you determine if your doctor is contracted.

3. Once you have selected which plan best suits your needs and your budget, make your benefit elections online.

Transition of Care (TOC)
If you are undergoing an active course of treatment with a doctor who is not contracted with one of the Networks, you can apply for transition of care.

If you are approved, you will receive in-Network benefits for your current doctor during a transitional period after January 1, 2015. Transition of care is typically approved if one of the following applies:

1. You have a life threatening disease or condition;
2. You have been receiving care and a continued course of treatment is medically necessary;
3. You are in the third trimester of pregnancy; or
4. You are in the second trimester of pregnancy and your doctor agrees to accept our reimbursement rate and to abide by the Plan’s policies, procedures, and quality assurance requirements.

TOC forms are available on the Benefit Options website benefitoptions.az.gov.

ID Cards
Your personal insurance cards typically arrive 7-14 business days after your benefits become effective.

If you are an existing member of Aetna or Cigna and you re-elect the same network, you can continue to use your current ID card for 2015.

If you elect Blue Cross Blue Shield of Arizona or UnitedHealthcare, new ID cards will be issued effective January 1, 2015.

Understanding the High Deductible Health Plan (HSA Option)

**Things You Should Know:**

1. The High Deductible Health Plan (HSA Option) works in conjunction with a Health Savings Account (HSA):
   - Enrolling in the HSA Option automatically enrolls you in a Health Savings Account (HSA) upon completion of the customer identification process (see page 22).
   - HSA is a special type of savings account that allows tax-free contributions, earnings, and healthcare-related withdrawals.

2. The HSA Option offers financial advantages in that, an HSA Option member:
   - Pays lower employee premiums (paycheck deductions).
   - Receives qualified preventive services for free.
   - May have lower out-of-pocket costs.
   - Is eligible to open and contribute to a Health Savings Account (HSA).

3. The HSA Option presents financial considerations in that:
   - HSA Option members pay copays and/or coinsurance after the deductible is met (qualified preventive services are covered at 100%).

4. The HSA Option might be right for you if:
   - You want to open a tax-advantaged HSA and save for future healthcare costs.
   - You are willing to accept some degree of financial risk.
   - You can afford to pay a high deductible if necessary.

5. The HSA Option may be wrong for you if:
   - You like copays because they are simple and predictable.
   - You are not willing to accept some degree of financial risk.
   - You cannot afford to pay a high deductible.

**Note:** Members and dependents (including spouses) enrolled in a Health Savings Account (HSA) do not qualify for a traditional Medical Flexible Spending Account; instead they qualify for a Limited Flexible Spending Account. The only qualifying expenses for this Limited Flexible Spending Account are dental and vision care expenses. Please see page 57 for more details.

**Cost for Services/Prescriptions**
The cost for services/prescriptions depends on three things:

Whether the service/prescription is:
- Qualified Preventive
- Non-Preventive
- Emergency

Whether the provider is:
- In-Network
- Out-of-Network

How much you have paid so far during the plan year:
- Less than the deductible
- More than the deductible, but less than the out-of-pocket maximum
- Out-of-pocket maximum
MEDICAL PLAN INFORMATION
Continued

Cost for Services/Prescriptions - Continued
At the top of the table below you can see that:
- In-Network qualified preventive services are free, even before the deductible is satisfied.
- In-Network qualified preventive prescriptions will cost the regular copay amounts ($10/$20/$40) up to the out-of-pocket maximum.
- Once the out-of-pocket maximum is satisfied, in-Network qualified preventive prescriptions are covered at 100% for the remainder of the plan year.

In the middle of the table you can see that:
- In-Network emergency services will not be covered until after the deductible is satisfied.
- Once the deductible is satisfied, in-Network emergency services will be 90% covered. The remaining 10% must be paid by the member.

- Once the out-of-pocket maximum is satisfied, in-Network emergency services will be 100% covered (no member cost).

Before enrolling in the HSA Option, make sure you fully understand the table below.

Qualified Preventive Care
Preventive care is defined as:
- Periodic health evaluations, including tests and diagnostic procedures ordered in connection with routine examinations (i.e., annual physicals)
- Routine prenatal and well-child care
- Child and adult immunizations
- Tobacco cessation programs
- Certain screening services
- Prescriptions that are preventive in nature.

MEDICAL PLAN INFORMATION

Understanding Health Savings Accounts (HSAs)
The HSA is only offered if you enroll in the High Deductible Health Plan Option (HSA Option).

HSA Overview
1. You open your HSA.
   - The State cannot restrict what you spend it on.
   - You maintain ownership even after ending State employment.
   - You can invest the money like you would invest money in an IRA.
   - Your funds will earn interest.

2. When your HSA is opened, the State will make pay period contributions to your HSA.
   - For Employee only coverage, the State will contribute $27.70 per pay period.
   - For Employee+adult, Employee+child, and Family coverage, the State will contribute $55.39 per pay period.

3. You can make additional contributions to your HSA through:
   - Payroll deductions (pre-tax);
   - Lump-sum deposits (tax deductible).

5. You can spend HSA funds tax-free on qualified healthcare-related expenditures (defined by the Internal Revenue Service)
   - You can use a debit card.
   - Link personal bank account to HSA.
   - Non-qualified withdrawals are allowed, however, they may be subject to tax and a 20% penalty.

6. HSAs should not be confused with FSAs:
   - FSA stands for Flexible Spending Account. It is a special type of savings account that allows tax-free contributions and healthcare-related withdrawals.
   - FSAs have “use-it-or-lose-it” rules. Unused funds do not rollover from year to year.

7. HSAs have no “use-it-or-lose-it” rules. Unused funds will rollover from year to year. This allows you to create a healthcare nest egg.

8. If the member does not require services (other than the free qualified preventive services), the money stays in the HSA and grows tax free. It can be used to pay for qualified healthcare costs anytime in the future.

About the HSA

The HSA offers the following features:
- No set-up fees
- No monthly administration fee
- No withdrawal forms
- HSA tracking through Aetna Navigator
- Cost Estimator Tool—Cost of Care

There are some fees associated with the HSA, visit benefitoptions.az.gov, click on:
- Plan Descriptions,
- Medical Insurance Coverage,
- Under HSA Plan link click where it indicates for more information.
How To Open Your HSA
Your HSA will automatically be established in your name when you enroll in the High Deductible Health Plan Option and complete the Customer Identification Process (see below for additional information). You will receive a welcome kit by mail 3-4 weeks after the account is opened. The State will start contributing to your account on the first pay cycle following the plan year effective date. State contributions will only be made if you receive a paycheck.

Annual Contribution Limits
Individual: $3,350
Family: $6,650

Using Your HSA
- Use the PayFlex Mastercard to pay for qualified out-of-pocket expenses.
- Invest your HSA funds in a variety of investment options once the funds reach $1,000.
- You can contribute to the HSA as long as you are enrolled in a qualified health plan (such as the HSA Option). You may use the HSA funds anytime.

Customer Identification Process
Aetna is required to confirm some of your personal information prior to establishing your HSA. This includes your correct name, address, date of birth, and Social Security Number. Doing so is required by Section 326 of the USA Patriot Act. It is a process known as the “Customer Identification Process.”

Here are some common reasons that may cause a delay:
- Addresses that do not match
- P.O. Boxes are not permitted
- Not legally changing your name after a marriage or divorce
- Use of a nickname
- Inconsistent use of your middle initial
- Americanized version of your name
- Different spelling of your name

Please provide any information Aetna requests for the purpose of establishing your HSA.

MEDICAL MANAGEMENT

Services Available
When you choose Benefit Options medical insurance you get more than basic healthcare coverage. **You get personalized medical management programs at no additional cost.** Under the Benefit Options health plan, the medical Network you select during open enrollment serves their specific members.

Professional, experienced staff work on your behalf to make sure you are getting the best care possible and that you are properly educated on all aspects of your treatment.

Utilization Management
Each Medical network provides prior authorization and utilization review for the ADOA Benefit Options plans when members require non-primary care services. Prior to any elective hospitalization and/or certain outpatient procedures, you or your doctor must contact your medical Network for authorization. Please refer to your Plan Document for the specific list of services that require prior authorization. Each Network has a dedicated line to accept calls and inquiries:

- **Aetna** 1.800.333.4432
- **Blue Cross Blue Shield of Arizona** 1.800.232.2345 ext. 4320
- **Cigna** 1.800.968.7366
- **UnitedHealthcare** 1.800.896.1067

Case Management
Case management is a collaborative process whereby a case manager from your selected medical Network works with you to assess, plan, implement, coordinate, monitor, and evaluate the services you may need.

Often case management is used with complex treatments for severe health conditions. The case manager uses available resources to achieve cost effective health outcomes for both the member and the Benefit Options Plan.

Disease Management
The purpose of disease management programs is to educate you and/or your dependents about complex or chronic health conditions. The programs are typically designed to improve self-management skills and help make lifestyle changes that promote healthy living.

The following disease management programs are available to all Benefit Options members regardless of their selected Networks:

- Asthma
- Diabetes
- Chronic Obstructive Pulmonary Disease
- Congestive Heart Failure
- Pregnancy/Maternity
- Coronary Artery Disease

If you are eligible or become eligible for one of the programs above, a disease manager from your selected Network will assess your needs and work with your physicians to develop a personalized plan. Your personalized plan will establish goals and steps to help you to positively change your specific lifestyle habits and improve your health.

Your assigned disease manager may also:

- Provide tips on how to keep your diet and exercise program on track
- Help you to maintain your necessary medical tests and annual exams
- Offer tips on how to manage stress and help control the symptoms of stress
- Assist with understanding your doctor’s treatment plan
MEDICAL MANAGEMENT
Continued

- Review and discuss medications, how they work and how to use them

Generally a disease manager will work with you as quickly or as slowly as you like - allowing you to complete the program at your own pace. Over the course of the program, participants learn to incorporate healthy habits and improve their overall health.

Getting Involved
The Benefit Options disease management programs offered through each medical Network identify and reach out through phone calls and/or mail to members who may need help managing their health conditions.

The medical Networks work with the Benefit Options plan to provide this additional service. Participation is optional, private, and tailored to your specific needs. Also, members of the Benefit Options plan who are concerned about a health condition and would like to enroll in one of the covered programs can contact their respective medical Networks directly to self enroll.

Please refer to your medical Network’s phone number on page 29 if you or your dependent is interested.

NurseLine
A dedicated team of nurses, physicians, and/or dietitians are available 24/7 for member consultations. Members needing medical advice or who have treatment questions can call the toll-free nurseline:

**Aetna** 1.800.556.1555

**Blue Cross Blue Shield of Arizona**
1.866.422.2729

**Cigna** 1.800.968.7366

**UnitedHealthcare** 1.800.401.7396
The charts below indicate the coverage options and Networks for members who live out-of-state. All four medical Networks offer statewide and nationwide coverage and are not restricted to regional areas. All plans are available in all domestic locations. However, not all plans have equal provider availability, so it is important to check with your current provider to determine if he/she is contracted with your selected Medical Network.

PHARMACY PLAN INFORMATION

MedImpact
If you elect any Benefit Options medical plan, MedImpact will be the Network you use for pharmacy benefits. Enrollment is automatic when you enroll in the medical plan.

MedImpact currently services 47 million members nationwide, providing leading prescription drug clinical services, benefit design, and claims processing since 1989 through a comprehensive Network of pharmacies.

ID Card
You will not receive a pharmacy ID card. The MedImpact Customer Care information can be found on the back of the ID card provided by your medical network.

How it Works
All prescriptions must be filled at a Network pharmacy by presenting your medical card. You can also fill your prescription through the mail order service. The cost of prescriptions filled out-of-Network will not be reimbursed.

No international pharmacy services are covered. Be sure to order your prescriptions prior to your trip and take your prescriptions with you.

The MedImpact plan has a three-tier formulary described in the chart on page 34. The copays listed in the chart are for a 30-day supply of medication bought at a retail pharmacy.

Formulary
The formulary is the list of medications chosen by a committee of doctors and pharmacists to help you maximize the value of your prescription benefit. These generic and brand name medications are available at a lower cost. The use of non-preferred medications will result in a higher copay. Changes to the formulary can occur during the plan year. Medications that no longer offer the best therapeutic value for the plan are deleted from the formulary. Ask your pharmacist to verify the current copay amount at the time your prescription is filled.

To see what medications are on the formulary, go to benefitoptions.az.gov or contact the MedImpact Customer Care Center and ask to have a copy sent to you. Sharing this information with your doctor helps ensure you are getting the best value, which saves money for you and your plan.

Finding a Pharmacy
To find a pharmacy refer to benefitoptions.az.gov. See online features for more information.

The MedImpact Customer Care Center is available 24 hours a day, 7 days a week. The toll-free telephone number is 1.888.648.6769.

Pharmacy Mail Order Service
A convenient and less expensive mail order service is available for employees who require medications for on-going health conditions or who will be in an area with no participating retail pharmacies for an extended period of time.

Here are a few guidelines for using the mail order service:
- Submit a 90-day written prescription from your physician.
- Request up to a 90-day supply of medication for two copays (offer available to HSA Option members only when copays apply).
- Payments can be made by check or credit card: Visa, MasterCard, American Express, or Discover.
- Register your e-mail address to receive information on your orders.
- Order refills online at walgreens.com or via phone at 1.866.304.2846. Have your insurance card ready when you call!
Choice90
With this program, employees who require medications for an on-going health condition can obtain a 90-day supply of medication at a local retail pharmacy for two and a half copays. For more information, contact MedImpact Customer Care Center at 1.888.648.6769.

Medication Prior Authorization
Prescriptions for certain medications may require clinical approval before they can be filled, even with a valid prescription. These prescriptions may be limited to quantity, frequency, dosage or may have age restrictions. The authorization process may be initiated by you, your local pharmacy, or your physician by calling MedImpact at 1.888.648.6769.

Step Therapy Program
Step Therapy is a program which promotes the use of safe, cost-effective and clinically appropriate medications. This program requires that members try a generic alternative medication that is safe and equally effective before a brand name medication is covered. For a complete list of drugs under this program, please refer to the formulary at benefitoptions.az.gov.

Specialty Pharmacy Program
Certain medications used for treating chronic or complex health conditions are handled through the Walgreens Specialty Pharmacy Program. This program assists you with monitoring your medication needs and also provides patient education.

The Walgreens Specialty Pharmacy Program includes monitoring of specific injection drugs and other therapies requiring complex administration methods and special storage, handling, and delivery.

Specialty medications are limited to a 30-day supply and may be obtained only at a Walgreens retail pharmacy or through the Walgreens Specialty Central Fill facility by calling 1.888.782.8443.

A Specialty Care Representative may contact you to facilitate your enrollment in the Specialty Pharmacy Program. You may also enroll directly into the program by calling 1.888.782.8443.

Limited Prescription Drug Coverage
Prescription drug coverage will generally be limited to medications that do not have an equally effective over-the-counter substitute.

Non-Covered Drugs
Certain medications are not covered as part of the Benefit Options plan. If you find such a drug has been prescribed for you, discuss an alternative treatment with your doctor.

Extended Vacation or Working Abroad
Whether you go to a retail pharmacy or use mail order for your prescriptions, you will need to notify MedImpact in writing of why you are requesting an additional supply of medication, the date when you are leaving, and how long you plan to be gone. MedImpact will be able to authorize a VACATION OVERRIDE allowing you to have the extra medication you will need providing you have the appropriate number of refills remaining.

Order refills at least two weeks in advance of your departure. If there is a problem, such as, not enough refills, you will have enough time to phone your physician. If you're using Mail Order, contact MedImpact at least three weeks in advance.
PHARMACY PLAN INFORMATION
Continued

If you are already out of town and need a prescription call MedImpact. Tell the representative you are out of town and need to find a participating pharmacy in the area where you are. You will need the zip code where you are visiting. In most cases you will have several choices.

If your medication is lost, stolen, or damaged, replacement medication is not covered.

LIFE INSURANCE

The Hartford
The Hartford is the Benefit Options vendor for Life Insurance. The Hartford is one of the largest insurance companies and serves millions of customers worldwide with over 200 years in business.

Benefit Changes for 2015
Changes made to the Life and Accidental Death & Dismemberment (AD&D) benefits becomes effective January 1, 2015.

Supplemental Life Insurance and AD&D
Increased maximum supplemental life coverage of $500,000 or up to 3 times your annual salary, whichever is less.
- For the 2015 Open Enrollment period only, coverage can be elected in increments of $5,000 up to the maximum amount.
- Reduction in premiums for supplemental life.

Dependent Life Insurance and AD&D
You have an additional coverage option to purchase $10,000 for Dependent Life and AD&D.

Basic Life Insurance and AD&D
You are automatically covered for $15,000 of basic life insurance provided by the State at no cost to you. Non-smokers will receive an additional $1,000; eligibility is determined at the point of claim.

The State also pays for $15,000 of AD&D insurance coverage. A $15,000 Seat Belt Benefit may also be payable if you die in an automobile accident and are wearing a seat belt. You are automatically covered in these three programs.

Supplemental Life Insurance
Supplemental coverage is available in increments of $5,000 if you would like additional insurance beyond the $15,000 that the State already provides to you. Your cost for supplemental life and AD&D insurance is based on your age as of January 1st (the first day of the plan year). Premiums for supplemental life coverage above $35,000 are paid on an after-tax basis.

You may elect to increase or decrease your supplemental life and AD&D coverage only during Open Enrollment. This year you may elect your coverage in increments of $5,000 up to the maximum of $500,000 or 3 times your annual salary, whichever is less. Even if you previously waived coverage, you can elect up to the plan maximum during this open enrollment period only.

At future open enrollment periods you may increase coverage in increments of $5,000 up to $20,000 not to exceed the maximum benefit of $500,000 or 3 times your annual salary, whichever is less. You can also decrease your coverage in increments of $5,000 or cancel coverage.

Your employee supplemental AD&D coverage amount is the same as the supplemental life amount that you elect.

In the event of your death, employee life and AD&D benefits are paid to your designated beneficiary. It is important to keep your beneficiary information current. If you choose more than one beneficiary, you can specify the amount paid or a percent paid to each beneficiary. You may change your beneficiary online during enrollment.

Remember: adding a beneficiary does not automatically delete a previously-designated beneficiary. If you wish to change a previously designated beneficiary, you must actively do so while enrolling or as needed throughout the year.
LIFE INSURANCE
Continued

Dependent Life Insurance
You may purchase life insurance coverage for your dependents in the amount of $2,000, $4,000, $6,000, $10,000, $12,000, $15,000, or $50,000. You do not have to elect any supplemental coverage with The Hartford for yourself in order to choose this dependent plan for up to $15,000. For the $50,000 amount, you must have a combined basic and supplemental coverage of at least $50,000. Each person will be covered for the amount you choose for a small employee premium. In the event of a claim, you are automatically the beneficiary.

Life Insurance Waiver of Premium

Benefit Changes for 2015
Changes made to the Waiver of Premium for Life Insurance will be effective for dates of disability on or after January 1, 2015.

The definition for Waiver of Premium while disabled is revised to meet the definition of Total Disability.
• At the end of 6 consecutive months, you may qualify for Waiver of Premium if you are prevented from performing one or more essential duties of any occupation
• ASRS participants will be required to contact The Hartford for Waiver of Premium claim filing

The Hartford provides a Waiver of Premium provision under the Life Insurance provided to eligible State of Arizona employees. Waiver of Premium is a provision which allows insured employees to continue the employee’s and the employee’s dependent’s Life Insurance coverage without paying a premium if the employee:
• becomes disabled (as defined in the Life Insurance Policy) prior to age 65 and provides proof within one year,
• remains disabled for at least 6 consecutive months (elimination period). Premium payment is required during the elimination period.

Coverage continues while the employee remains disabled for the duration specified in the contract even if the Group Life Policy terminates. Any dependent coverage will terminate if the Group Life Policy terminates.

What does disabled mean?
Disabled means you are prevented by injury or sickness from doing any work for which you are, or could become qualified by:
• education;
• training; or
• experience.

In addition, you will be considered disabled if you have been diagnosed with a life expectancy of 12 months or less.

The Hartford makes the determination of disability to qualify for Waiver of Premium for your Life Insurance.

Filing a Life Insurance Waiver of Premium Claim
If you are enrolled in The Hartford Long-Term Disability (LTD) plan, a Waiver of Premium will be automatically considered and no claim filing will be required. Approval for LTD does not automatically approve Waiver of Premium for Life Insurance.

If you are not enrolled in The Hartford Long-Term Disability (LTD) plan because you are an Arizona State Retirement System (ASRS) participant, and you expect to be out for longer than 90 days from the date of illness or injury, it is necessary for you to initiate review for Waiver of Premium. Call The Hartford at 1.866.712.3443, 7am to 6pm, Monday through Friday.

UNIVERSITY FACULTY AND STAFF: To assist you in making an informed decision, please refer to your Human Resources website to compare both the state-sponsored and university-sponsored plans.
The Hartford
The Hartford is the Benefit Options vendor for Short-Term Disability (STD).

Benefit Changes for 2015
Changes made to the Short-Term Disability benefits will be effective for a disability that occurs on or after January 1, 2015.
- Maximum duration of benefits will be 26 weeks if disabled due to an injury. For illness, 22 weeks if your benefits start on day 31 or 18 weeks if your benefits start on day 61. Benefits end after 26 weeks from the date of injury or illness.
- Benefit payment will be offset by 100% of any sick, annual and donated leave paid to you after the benefit elimination period is exhausted.

How STD Works
If you elect Short-Term Disability (STD) insurance and The Hartford determines you are unable to work due to illness, pregnancy, or a non-work-related injury, you may receive a weekly benefit for up to 26 weeks for an injury, 22 or 18 weeks for illness. The STD benefits will pay up to 66-2/3% of your pre-disability earnings during your disability. The weekly minimum benefit is $57.69; the weekly maximum benefit is $769.27. There are no pre-existing conditions or limitations. You must meet the actively-at-work provision.

Paid benefits will be offset after the benefit elimination period is exhausted by any sick, annual and donated leave paid to you.

Coverage Effective Dates
If you previously waived STD coverage and enroll during Open Enrollment, your insurance becomes effective on January 1, 2015.

Benefit Effective Dates/Waiting Periods
Your benefits will start on your first day of disability due to non-work related injury or the 31st day of disability due to illness or pregnancy, if coverage was elected during your initial new hire/eligibility enrollment period. If you elect coverage after your initial new hire/eligibility enrollment period and become disabled during the first 12 months of being covered under the plan, your benefits will start on the 61st day of disability due to illness or pregnancy.

For the this Open Enrollment period only, if you elect STD coverage, your benefits will start on the 31st day of disability due to illness or pregnancy. Even if you previously waived coverage.

Future open enrollments, if you did not elect coverage during your initial new hire/eligibility enrollment period, your benefits will start on the 61st day of disability due to illness or pregnancy.

Disabled and Working Benefits
The Hartford STD program allows you to return to work and receive up to 100% of your pre-disability earnings between the STD benefit and your current weekly earnings.

Weekly Benefit Calculation under the Disabled and Working Formula

Weekly benefit: \[ \frac{(A - B) \times C}{A} \]

A = weekly pre-disability earnings (what the STD plan benefit is based on).
B = your current weekly earnings (earnings while disabled).
C = the weekly STD benefit payable if a claimant were totally disabled.
SHORT-TERM DISABILITY
(STD) Continued

To learn how your benefits are calculated for this program, see the following example:

Assume an employee is covered by the STD plan. The employee's covered earnings (base earnings) are $1,000 a week. The employee wants to return to work part-time and is able to do so on a reduced schedule.

A = $1,000; this is what the employee was making weekly prior to being disabled.
Assume B = $300; this is what the employee is making now on a part-time basis, reduced schedule, while still being considered disabled.
C = $667; this is the STD benefit the employee would receive if the employee was not working at all ($1,000 x the STD benefit percentage of 66 2/3%).

The Benefit the employee will receive under the Disabled and Working formula is:

\[
\frac{467 - (1000 - 300)}{1000} \times 667
\]

Filing a claim is as simple as visiting http://groupbenefits.thehartford.com/arizona/ or calling 1.866.712.3443.

UNIVERSITY FACULTY AND STAFF: To assist you in making an informed decision, please refer to your Human Resources website to compare both the state-sponsored and university-sponsored plans.
LONG-TERM DISABILITY (LTD)

As a benefits-eligible employee, you are automatically enrolled in one of the State’s two Long-Term Disability (LTD) programs, starting the day after you complete your initial hire/eligibility waiting period (participation is mandatory). The retirement system to which you contribute determines the LTD program available to you. Refer to the list below for the name of your LTD program:

**Arizona State Retirement System (ASRS) Participants**

**Sedgwick, CMS** (formerly VPA, Inc.) is administered through ASRS. Your LTD benefit will pay up to 66-2/3% of your income earnings during your disability as determined by Sedgwick, CMS and based on supporting medical documentation. Your benefits may be subject to an offset based on Social Security payments, retirement benefits and other disability benefits. LTD benefits can be paid until age 65 or until you are able to return to work after your disability as determined by Sedgwick, CMS. Medical documentation of your disability is required to continue your payment of benefits. You may learn more about the LTD plan offered by ASRS by visiting: azasrs.gov or calling 602.240.2000 or 1.800.621.3778 if outside of Phoenix. For hearing impaired, please call TTY 602.240.5333.

**Public Safety Personnel Retirement System (PSPRS), Corrections Officer Retirement Plan (CORP), Elected Officials’ Retirement Plan (EORP), Optional Retirement Plans of the Universities (TIAA-CREF, and Fidelity Investments) - Non-ASRS Participants:**

The Hartford is the vendor for Long-Term Disability administered through Benefit Options to non-ASRS participants. Your LTD benefit may pay up to 66-2/3% of your monthly pre-disability earnings with a maximum benefit of $10,000 per month during your disability as determined by The Hartford and based on supporting medical documentation.

Your benefits may be subject to an offset based on Social Security payments, retirement benefits and other income benefits. LTD benefits can be paid until age 65 or until you are able to return to work after your disability as determined by The Hartford. Medical documentation of your disability is required to continue your payment of benefits. You can learn more about the LTD plan offered by The Hartford by visiting http://groupbenefits.thehartford.com/arizona/ or calling 1.866.712.3443.

If you are facing a possible long-term disability, you should contact The Hartford within 90 days from the date of your illness or injury. You will be provided the information you need to apply for LTD benefits. This could include a waiver of insurance premiums or you may be eligible for life insurance conversion (converting your supplemental policy from a group policy to an individual one). Although your life and/or disability insurance premiums may be waived, your medical, dental and vision insurance premiums are not waived. You are still responsible for payment of these premiums.

**Changing Retirement Systems**

Changing jobs between state agencies or within a single agency may result in a change to your retirement system. Please be aware that this change could impact your LTD coverage.

FLEXIBLE SPENDING ACCOUNTS

Employees have the option to open Medical and/or Dependent Care (child care) Flexible Spending Accounts (FSAs) administered by ASI.

The FSAs allow you to pay eligible out-of-pocket medical and dependent care expenses with pretax dollars, reducing your taxable wages and, therefore, decreasing your taxes.

It is important to set aside only as much money in your Flexible Spending Accounts as you intend to use each plan year. Any monies not claimed by the employee within the specified period will be forfeited in accordance with the Internal Revenue Service Regulations.

You specify the annual dollar amount of your earnings to be deposited to each account. This amount is deducted in 26 equal payments, one each pay period.

At your request, your FSA reimbursement may be deposited into your checking or savings account by enrolling in direct deposit. To obtain an application, visit the ASI website at asiflex.com. A description of each type of account is provided below.

Medical FSA
This account allows you to set aside pretax dollars to pay for copays, coinsurance, deductibles, some prescriptions and over-the-counter supplies and other expenses.

Please note that you are required to submit a prescription for over-the-counter medications in order for these expenses to be eligible for reimbursement through your Medical FSA.

Dependent Care FSA
A dependent care FSA can be used to pay for out-of-pocket child care expenses for children under the age of 13. Also, you can use the account to pay for care for older dependents that live with you at least 8 hours each day and require assistance with daily living.

Note: Dependent medical and/or other expenses should be submitted through the medical FSA not the dependent care FSA.

There are additional IRS rules that apply to your dependent care FSA contributions. You may be eligible to claim the dependent care tax credit on your federal income tax return. Consult a tax advisor to determine if participating in this program or taking the dependent care tax credit gives you the greater advantage.

Before you incur an expense, determine if it is eligible for reimbursement on the ASI website, asiflex.com.

UNIVERSITY FACULTY AND STAFF: Please refer to your Human Resources website for the Flexible Spending Account options available to you.
File a Claim
You will need to fill out your claim form and attach copies of invoices for services you received.

You may file claims as soon as you incur charges and services have been provided.

Submitting a Claim Form
You can:
- Fax your claim and documentation, toll-free to ASI at 1.877.879.9038
- Mail the claim form and documentation to the location indicated on the claim form, or
- Submit your claims online at https://my.asiflex.com. You need your ASI-assigned PIN, along with your State of Arizona employee identification number (EIN), if you have not previously set up a user name and password.
- File a claim using the ASIFlex mobile app on your smart phone or tablet.
- All documentation must be scanned into PDF format.

Reimbursement
Your reimbursement can be by direct deposit or check. An email notification of your reimbursement will be sent to you if you elect direct deposit.

Claims are processed within two business days of receipt. However, processing time will depend upon the volume of the claims received.

If you wish to start direct deposit after the Open Enrollment period, you will need to do so through ASI. The direct deposit request form is available at asiflex.com.

You have from January 1, 2015 through December 31, 2015 to use account funds.

All the claims for medical and dependent care expenditures must be filed with ASI prior to March 31, 2016 for reimbursement.

End of Employment
Your coverage ends at the end of the pay period of your last deduction when you leave employment.

If your employment ends prior to the end of the plan year, any expenses must be incurred prior to your termination date in order for you to receive reimbursement.

Note: Members and dependents (including spouses) enrolled in a Health Savings Account (HSA) do not qualify for a traditional Medical FSA; instead they qualify for a Limited Flexible Spending Account. The only qualifying expenses for a Limited Flexible Spending Account are dental and vision care expenses. Please see page 56 for more details.

ASIFlex Mobile App
Using their phone or tablet, the ASIFlex mobile app allows participants to file claims and view their FSA account!

The claim filing feature allows a participant to capture documentation using the mobile device's camera feature and submit that documentation with the claim. The mobile app also allows participants to use the microphone feature on smart devices to enter claims. This means participants can choose to speak, rather than type, some of the claim information. In addition to filing claims, participants can view the annual election amount, account balance, payments, contributions and previously submitted claims.

The app is free and available online at www.asiflex.com or through Google Play or the App Store.

Deferred Compensation Plan

You’ve probably heard of the different types of retirement plans: 457(b) Deferred Compensation, 401(k), 403(b), 401(a) and Roth 457 Plan Account. As an Arizona state public employee, the State of Arizona Deferred Compensation Plan was created specifically for you.

What Are The Plans

The State of Arizona offers retirement plans for employees like you to put aside money from each paycheck toward retirement. These plans can help bridge the gap between what you have in your pension and Social Security, and how much you’ll need in retirement. The available plans include:

457(b) Traditional Deferred Compensation Plan – tax-deferred, available to all State employees paid through the state.

457(b) Roth Deferred Compensation Plan — after-tax, available to all State employees who receive a check through the State.

401(a) Deferred Compensation Plan – tax-deferred, and available to all fulltime, benefited State employee.

How Does It Work

There are three steps to participating in a deferred compensation plan:

Enroll in your plan – It’s easy to participate in deferred compensation. You can enroll on-line or on paper. Contributions are automatically deducted from each paycheck and deposited to your account, so you don’t have to remember to write a check.

Use the Paycheck Impact Calculator to see how saving pre-tax will affect your paycheck.
Invest your money – You’ll choose funds from the list of investment options available within your plan. Keep in mind, any investment involves risk and there’s no guarantee that any fund will achieve its investment objectives. But, we’re here to help.

Use the Morningstar Retirement Manager to get a personalized retirement strategy, including recommendations for your retirement income goal, savings rate and portfolio asset mix. You’ll need to enroll first and then set up online access to use this tool.

Receive income – Many public employees retire earlier than those in the private sector, and if that’s the case, you’ll want to invest enough to live in retirement on your terms. Before you begin taking payments, review our Retirement Checklist to make sure you’re ready to transition from saving to spending.

Depending on the plan type you’re invested in, there may also be a 10% penalty on distributions prior to age 59½.

Why Should I Participate?
The State of Arizona Deferred Compensation Plan helps put you in control of when, where and how much you invest. And that’s just the beginning—here are four more reasons why it’s smart to participate in your deferred compensation plan:

You can start anytime – Your deferred compensation plan will work for you whether you’re approaching retirement or just getting started.

Every little bit helps – Even investing a small amount of money can really add up over time. And if you increase your contributions on a regular basis, the overall impact to your paycheck may not seem too painful.

Consider putting raises or bonuses into deferred compensation – it’s an easy way to invest a little more.

This plan is made for you – Unlike other retirement plans, a 457(b) deferred compensation plan takes into account that you may retire sooner than workers in the private sector. Generally, you don’t have to worry about paying a penalty for retiring early or beginning to take income from the plan before age 59½. Withdrawals are taxable income to you in the year the payments are made.

You will get On Your Side® service – Nationwide is ready and willing to answer your questions. We’ve been helping public sector employees save for retirement for more than 30 years and our Retirement Specialists have helped educate thousands of employees about investing through their retirement plans. Feel free to call today — we don’t charge a fee to work with a Retirement Specialist.
