Brewer, et al.* (Case No.2:09-cv-02402-JWS), which was pending in the U.S. District Court for the District of Arizona. On November 6, 2014 the preliminary injunction was ordered to be dissolved and the case was ordered to be dismissed effective December 31, 2014. As a result, domestic partners will no longer be eligible for coverage in the Benefit Options plans effective January 1, 2015. For those same-sex couples who have not married by December 31, 2014, COBRA will be offered to the same-sex domestic partner at that time.

ELIGIBILITY

Continued

Qualified Medical Child Support Order (QMCSO)

You may not terminate coverage for a dependent covered by a QMCSO.

If You and Your Spouse are both State Retirees

Dual coverage is not permitted under this Plan. An employee may elect coverage for their entire family, including the State employee spouse, or each State employee spouse may elect their own coverage.

You cannot enroll as a single subscriber and be enrolled as a dependent on your spouse's policy simultaneously. If you do enroll in this manner, no refunds will be made for the premiums paid.

Eligibility Audit

Benefit Services may audit a member's documentation to determine whether an enrolled dependent is eligible according to the plan requirements. This audit may occur either randomly or in response to uncertainty concerning dependent eligibility. Should you have questions after receiving a request to provide proof of dependent eligibility, please contact the Audit Services Unit within Human Resources Division, Benefit Services.

Subrogation

Subrogation is the right of an insurer to recover all amounts paid out on behalf of you, the insured. In the event you, as a Benefit Options member, suffer an injury or illness for which another party may be responsible, such as someone injuring you in an accident, and Benefit Options pays benefits as a result of that injury or illness, Benefit Options has the legal right to recover against the party responsible for your illness or injury or from any settlement or court judgment you may receive, up to the amount of benefits paid out by Benefit Options.

As a Benefit Options member you are required to cooperate with the vendors acting on behalf of ADOA during the subrogation process. Failure to do so may result in legal action by the State to recover funds received by you.

Return to Work Retirees

Former retired State employees returning to Active State Employment can receive health benefits through the Benefit Options Health Plan. If a retiree returns to work and meets the eligibility guidelines, they can elect to enroll in Active benefits and decline retiree benefits. Leaving state service is considered a Qualified Life Event (QLE). The QLE then allows them to enroll in retiree benefits again.

ELIGIBILITY

Continued

End-Stage Renal Disease

If you are eligible to enroll in Medicare as an active employee or retiree because of End-Stage Renal Disease, the plan will pay for the first 30 months, whether or not you are enrolled in Medicare and have a Medicare card. At the end of the 30 months, Medicare becomes the primary payer. If a plan member who is eligible for Medicare Part B does not enroll in Medicare Part B, the plan will only pay secondary benefits after 30 months of primary coverage.

UNDERSTANDING YOUR INSURANCE COST

Calculating your monthly costs, premium benefit, and pension check can be simple. Each retiree's circumstances are different, but understanding how all the pieces work together will make it an easy process. First, premium benefit for the basic program varies depending on your years of service with the State of Arizona, the retirement system you are enrolled in, and the insurance plan in which you enroll. Second, ADOA, ASRS, and PSPRS offer retiree health insurance plans. Premiums differ depending on the plan option selected and whether you are enrolled in single or family coverage.

The worksheet below will help you determine the amount of insurance premiums that will be deducted from your monthly pension. In the event your pension does not cover the net premium, you will be identified as a direct pay member and will be required to pay ADOA or the insurance vendors.

What You Should Know About Premium Payments

You are responsible to pay all premiums. Failure to keep your premiums current will result in cancellation of your insurance coverage. If the sum of your premium benefit subsidy and pension is greater than or equal to the total monthly premium, you will be considered a non-direct pay member. Non-direct pay members do not receive a bill.

- If you are an LTD member or Surviving Spouse not receiving a pension from a recognized state retirement plan, you are a direct pay member. You are responsible for the payment of your premium(s) by the first of each month. The monthly premium is stated on your enrollment form.
- If your monthly pension has insufficient funds to cover your health insurance premiums, then premiums will not be deducted. You will then become a direct pay member. The ADOA Human Resources Division, Benefit Services will mail a bill to you. It will be your responsibility to pay any outstanding premiums to ADOA Human Resources Division, Benefit Services. If you do not receive a bill by the twenty-fifth day of the month, you must contact ADOA Human Resources Division, Benefit Services.

- Should the retirement system begin deducting your premium from your pension and you have also received a bill as a direct pay member, please contact ADOA Human Resources Division, Benefit Services. Please see the section entitled, "Information for Direct Pay Members."

New Retirees/LTD Members

- Depending on when the Retirement System receives your benefit elections, you may owe one or more months of health and/or dental premiums. After enrolling, check your pension deductions. If, by your second pension, the deduction has not occurred or the deduction is incorrect, immediately contact ADOA Human Resources Division, Benefit Services at 602.542.5008.

Information for Direct Pay Members

If you are or become a direct pay member, you will receive a billing notice regarding future premium payments. If you do not receive a billing notice within 60 days, please call ADOA Human Resources Division, Benefit Services at 602.542.5008.

Vision Premium Payments

If you elect vision coverage, you will be billed directly from Avesis. Vision premiums are NOT deducted from any pension checks. Avesis will bill you directly.

UNDERSTANDING YOUR INSURANCE COST Continued

Calculating Your Premium Benefit Subsidy

The Arizona State Retirement System (ASRS), the Public Safety Personnel Retirement System (PSPRS), the Elected Officials Retirement Plan (EORP) and the Corrections Officer Retirement Plan (CORP) may provide payment toward insurance premiums for eligible members and dependents who elect health coverage through ADOA Human Resources Division, Benefit Services. The chart below reflects the maximum monthly premium benefit available for eligible members and their qualified dependents.

No basic premium benefit is provided to Retirees in the University Optional Retirement Plan or to PSPRS or CORP members who are LTD members.

Your retirement system will determine if you are eligible for a premium benefit and the amount to which you may be entitled. To determine your basic premium benefit, you need to know:

- Your years of credited service in your retirement system or plan if you are an ASRS or EORP member (years of service is not a criterion for CORP and PSPRS members).
- Your coverage type (i.e., single or family coverage).
- Medicare eligibility.

Your Direct Deposit Summary

Pension payments are issued by ASRS or PSPRS. Before either of the retirement systems generates your pension, they apply your premium subsidy (refer to the worksheet on page 14). Once the premium subsidy is added into your pension, the retirement system pays for your dental premium first. ASRS or PSPRS will apply remaining money to pay for your medical premium.

- If your pension is large enough to cover the cost of both your dental and medical premiums, you will receive any remaining money.
- If your pension is not enough to pay for the full cost of your dental and medical premiums you will become a direct pay member.

Please refer to the “Payments” column of the pension Direct Deposit Summary.

An example of an ASRS Direct Deposit Summary is shown. Please note, under the Payment Sources column, the inclusion of additional monies reflected in the premium benefit (HI PREM BENEFIT). This amount is the premium benefit to which you may be entitled and it reduces the full monthly medical and/or

dental premiums you pay.

Also note, under the deductions column, the full health insurance premium for your medical and/or dental coverage (HLTH INS PREM). Though the total premium for health insurance is shown, you are only paying the net premium after the premium benefit is applied.

MEDICARE PART A & B

To help you calculate, use the three step worksheet on page 18. If you feel your pension is not accurate, you must notify your Retirement System (ASRS or PSPRS) as soon as possible. If your enrollment is not processed until after the third of the month, it is possible the correct premiums will not be deducted from your pension until the month following the effective date of your enrollment or change.

Eligibility

Medicare is health insurance available to people who are:

- Age 65 or over.
- Under age 65 with disabilities (receiving LTD from a State-sponsored LTD plan or SSI).
- Diagnosed with End-Stage Renal Disease.

Medicare eligibility is determined by the Social Security Administration. Many people automatically receive Part A and Part B. If you receive benefits from Social Security, you will receive Part A and Part B starting the first day of the month you turn 65. If you are under the age of 65 and disabled, you automatically receive Parts A and B after you receive disability benefits from Social Security. You should receive your Medicare card in the mail 3 months before your 65th birthday or your 25th month of disability.

Eligibility Notification

If you become eligible to receive Medicare due to a disability, receive your Medicare Card prior to your 65th birthday, or there is a change in your Medicare status, you must contact ADOA Human Resources Division, Benefit Services with this information.

When you receive your new Medicare card, you must provide a copy of it to Human Resources Division, Benefit Services. Medicare does not communicate directly with ADOA.

Parts of Medicare

The different parts of Medicare help you cover specific health services. Medicare has the following parts:

Medicare Part A (Hospital Insurance)

- Helps cover inpatient care in hospitals
- Helps cover skilled nursing facility, hospice, and home healthcare

Medicare Part B (Medical Insurance)

- Helps cover doctors' services and outpatient care
- Helps cover some preventive services to help maintain your health (See Chart on page 20)

Medicare Part C (Medicare Advantage Plans)

- A health coverage choice run by private companies approved by Medicare
- Includes Part A, Part B, and usually other coverage including prescription drugs

Medicare Part D (Prescription Drug Coverage)

- Helps cover the cost of prescription drugs
- May help lower your prescription drug costs and help protect against higher costs in the future

If you enroll in either Medicare Part C or Part D plan other than Medicare GenerationRx, you will not be eligible for Benefit Options Medical Coverage. (Example: if you enroll in the Humana Part D Plan outside of the Benefit Options program, you are not eligible to enroll with any of the ADOA Medical Plans.)

MEDICARE PART A & B

Continued

Medicare Payments

- You will not typically have a monthly premium for Part A if you or your spouse paid Medicare taxes while working.
- You must pay the standard Medicare Part B premium.

Benefit Options does not pay for Medicare Part B claims. If you decline or disenroll from Medicare Part B, you will be financially responsible for ALL Part B claims.

Medicare and ADOA

If you have Medicare A & B during open enrollment, you may elect either the EPO or PPO plan offered at the “with Medicare” premium.

Medicare Primary

If you are retired and receiving a pension from a recognized State-sponsored Retirement Plan, OR you are receiving LTD benefits from a State-sponsored disability plan (Sedgwick, The Standard, Cigna, or The Hartford):

- Medicare is primary coverage
- Benefit Options is secondary coverage

How it Works

Medicare A and B will only pay 80% of covered charges once you have met your deductible. Doctors often charge patients the remaining portion of the bill that Medicare has not paid. If you enroll in the Benefit Options plan the remaining portion less copays (20%) will be covered since Benefit Options becomes the secondary payor. Benefit Options will pay up to the total allowable amount less copays

as determined by the Plan.

Copays

A copay is a portion paid by the member to share in the cost of medical services, supplies and prescriptions. Cost sharing helps Benefit Options with healthcare costs. Medicare also applies cost sharing. For covered services, the Benefit Options plans absorb the Medicare deductible you would otherwise pay for hospital and medical services. The Benefit Options program will pay up to the total allowable amount as determined by the Plan. Most physicians charge 20% above the amount covered by Medicare. Copays are required for all plan members regardless of Medicare eligibility or disability. Your medical provider understands medical payments will be reduced by the copay. Therefore, the copay must be made at the time the services are rendered.

Medicare Crossover Program

Medicare Crossover is a process by which Medicare automatically forwards medical claims to your health plan after they have paid as the primary payor. All vendors have a Medicare Crossover program. Please call the number on the back of your card and let them know you would like to enroll in the Medicare Crossover program.

MEDICARE PART D

The Medicare Modernization Act (MMA) established a voluntary prescription drug benefit known as Medicare Part D. This benefit is offered to all Medicare-eligible Retirees or LTD members enrolled in Medicare Parts A and/or B.

All Medicare-eligible participants covered under the State of Arizona Benefit Options Program will be enrolled in a Medicare Prescription Drug Plan (PDP) that combines a standard Medicare Part D plan with additional prescription drug coverage provided by Benefit Options. The plan name is Medicare GenerationRx (Employer PDP). We refer to this program as Medicare GenerationRx for Benefit Options.

Low Income Subsidy (LIS)

Medicare-eligible retirees and their Medicare-eligible dependents with limited income may qualify for Extra Help to pay for their prescription drug costs. If eligible, Medicare may pay for up to 100% of drug costs, and coinsurance/copayments.

Eligible members are identified during the enrollment process. Plan participants that are eligible will receive a Low Income Subsidy (LIS) Rider with their Explanation of Coverage explaining their benefit.

For more information about Extra Help, members may contact their local Social Security office or call 1.800.MEDICARE (1.800.633.4227), 24 hours per day, 7 days per week. TTY/TDD users should call 1.877.486.2048, or visit medicare.gov.

Part D Income Related Monthly Adjustment Amount (IRMAA)

If your income is over \$85,000 for an individual or \$170,000 for married filing jointly, Medicare requires that you pay an additional premium based on your income. You will be notified by Social Security if this affects you.

For more information about Part D premiums based on income, visit www.medicare.gov on the web or call 1.800.MEDICARE (1.800.633.4227), 24 hours a day, 7 days a week. TTY users should call 1.877.486.2048. Members may also call Social Security at 1.800.772.1213. TTY users should call 1.800.325.0778.

The Medicare GenerationRx for Benefit Options plan provides equal to or better coverage than what is offered through Medicare Part D. Learn more about Medicare GenerationRx for Benefit Options on page 38.

MEDICAL PLAN INFORMATION

Understanding Your Options

For the plan year beginning January 1, 2015 retirees have the option of two plans and four networks. The word “Network” describes the company contracted with the State to provide access to a group of providers (e.g., doctors, hospitals). Certain providers may belong to one network but not another. Plans are loosely defined as the structure of your insurance policy: the premium, deductibles, copays, and out-of-network coverage associated with your medical benefit.

Benefit Options Medical Plans		
	EPO	PPO
Aetna	X	X
BCBSAZ	X	X
Cigna	X	
UnitedHealthcare	X	X

How the Plans Work

As noted below there are two medical plans offered to retirees under Benefit Options. They are the Exclusive Provider Organization (EPO) and the Preferred Provider Organization (PPO).

The EPO Plan

If you choose the EPO plan under Benefit Options you must obtain services from a network provider. Out-of-network services are only covered in emergency situations.

Under the EPO plan, you will pay the monthly premium and any required copay at the time of service. The EPO plan is available with all four networks: Aetna, BlueCross Blue Shield of Arizona, Cigna and UnitedHealthcare.

The PPO Plan

If you choose the PPO plan under Benefit Options you can see providers in-Network or out-of-Network, but will have higher costs for out-of-Network services. Additionally, there are in-Network and out-of-Network deductibles that must be met. Under the PPO plan, you will pay the monthly premium and any required copay or coinsurance (percent of the cost) at the time of service. The PPO plan is available with Aetna, Blue Cross Blue Shield of Arizona, and UnitedHealthcare.

Choosing the Best Plan for You and Your Family

The first thing to know when making your medical benefit elections with Benefit Options is that the coverage is the same for all choices. This means that the same services are covered under the EPO and PPO, but the network of providers is different. To choose the right plan:

1. Assess the costs you expect in the coming year including: monthly premiums, copays, and out-of-pocket. Refer to pages 12-13 for monthly premiums and page 24 for the plan comparisons to help determine cost.
2. Determine if your doctors and specialists are contracted with the network you are considering. Each medical network has a website or phone number (under Contacts) for you to determine if your doctor is contracted.

MEDICAL PLAN INFORMATION

3. Once you have selected which plan best suits your needs and your budget, make any changes to your benefit by completing your benefit elections online or 2015 Enrollment Form.

Transition of Care (TOC)

If you are undergoing an active course of treatment with a provider who is not contracted with one of the new networks, you can apply for transition of care. If you are approved, you will receive in-network benefits for your current provider during a transitional period after January 1, 2015. Transition of care is typically approved if one of the following applies:

1. You have a life threatening disease or condition;
2. You have been receiving care and a continued course of treatment is medically necessary;
3. You are in the third trimester of pregnancy; or
4. You are in the second trimester of pregnancy and your doctor agrees to accept our reimbursement rate and to abide by the Plan's policies, procedures, and quality assurance requirements.

TOC forms are available on the Benefit Options website benefitoptions.az.gov.

ID Cards

Your personal insurance cards typically arrive 7-14 business days after your benefits become effective.

If you are an existing member of Aetna or Cigna and you re-elect the same network, you can continue to use your current ID card for 2015.

If you elect Blue Cross Blue Shield of Arizona or UnitedHealthcare, new ID cards will be issued effective January 1, 2015.

MEDICAL MANAGEMENT

Services Available

When you choose Benefit Options medical insurance you get more than basic healthcare coverage. **You get personalized medical management programs at no additional cost.** Under the Benefit Options health plan, the medical Network you select serves their specific members.

Professional, experienced staff work on your behalf to make sure you are getting the best care possible and that you are properly educated on all aspects of your treatment.

Utilization Management

Each Medical network provides prior authorization and utilization review for the ADOA Benefit Options plans when members require non-primary care services. Prior to any elective hospitalization and/or certain outpatient procedures, you or your doctor must contact your medical Network for authorization. Please refer to your Plan Document for the specific list of services that require prior authorization. Each Network has a dedicated line to accept calls and inquiries:

Aetna 1.800.333.4432

Blue Cross Blue Shield of Arizona
1.800.232.2345 ext. 4320

Cigna 1.800.968.7366

UnitedHealthcare 1.800.896.1067

Case Management

Case management is a collaborative process whereby a case manager from your selected medical Network works with you to assess, plan, implement, coordinate, monitor, and evaluate the services you may need.

Often case management is used with complex treatments for severe health conditions. The case manager uses available resources to achieve cost effective health outcomes for both the member and the Benefit Options Plan.

Disease Management

The purpose of disease management programs is to educate you and/or your dependents about complex or chronic health conditions. The programs are typically designed to improve self-management skills and help make lifestyle changes that promote healthy living.

The following disease management programs are available to all Benefit Options members regardless of their selected Networks:

- Asthma
- Diabetes
- Chronic Obstructive Pulmonary Disease
- Congestive Heart Failure
- Pregnancy/Maternity
- Coronary Artery Disease

If you are eligible or become eligible for one of the programs above, a disease manager from your selected Network will assess your needs and work with your physicians to develop a personalized plan. Your personalized plan will establish goals and

steps to help you to positively change your specific lifestyle habits and improve your health.

Your assigned disease manager may also:

- Provide tips on how to keep your diet and exercise program on track
- Help you to maintain your necessary medical tests and annual exams
- Offer tips on how to manage stress and help control the symptoms of stress
- Assist with understanding your doctor's treatment plan
- Review and discuss medications, how they work and how to use them

Generally a disease manager will work with you as quickly or as slowly as you like - allowing you to complete the program at your own pace. Over the course of the program, participants learn to incorporate healthy habits and improve their overall health.

Getting Involved

The Benefit Options disease management programs offered through Aetna, Blue Cross Blue Shield of Arizona, Cigna, and UnitedHealthcare identify and reach out through phone calls and/or mail to members who may need help managing their health conditions. The disease management companies work with the Benefit Options plan to provide this additional service.

Participation is optional, private, and tailored to your specific needs. Also, members of the Benefit Options plan who are concerned about a health condition and would like to enroll in one of the covered

programs can contact their respective disease management vendors directly to self enroll. Please refer to the your medical management vendor's phone number on page 29 if you or your dependent is interested.

PRE-MEDICARE PHARMACY PLAN INFORMATION

MedImpact

If you elect any Benefit Options medical plan, MedImpact will be the Network you use for pharmacy benefits. Enrollment is automatic when you enroll in the medical plan.

MedImpact currently services 47 million members nationwide, providing leading prescription drug clinical services, benefit design, and claims processing since 1989 through a comprehensive Network of pharmacies.

ID Card

You will not receive a pharmacy ID card. The MedImpact Customer Care information can be found on the back of the ID card provided by your medical network.

How it Works

All prescriptions must be filled at a Network pharmacy by presenting your medical card. You can also fill your prescription through the mail order service. **The cost of prescriptions filled out-of-Network will not be reimbursed.**

No international pharmacy services are covered. Be sure to order your prescriptions prior to your trip and take your prescriptions with you.

The MedImpact plan has a three-tier formulary described in the chart on page 37. The copays listed in the chart are for a 30-day supply of medication bought at a retail pharmacy.

Formulary

The formulary is the list of medications chosen by a committee of doctors and pharmacists to help you maximize the value of your prescription benefit. These generic and brand name medications are available at a lower cost. The use of non-preferred medications will result in a higher copay. Changes to the formulary can occur during the plan year. Medications that no longer offer the best therapeutic value for the plan are deleted from the formulary. Ask your pharmacist to verify the current copay amount at the time your prescription is filled.

To see what medications are on the formulary, go to *benefitoptions.az.gov* or contact the MedImpact Customer Care Center and ask to have a copy sent to you. Sharing this information with your doctor helps ensure you are getting the best value, which saves money for you and your plan.

Finding a Pharmacy

To find a pharmacy refer to *benefitoptions.az.gov*. See online features for more information.

The MedImpact Customer Care Center is available 24 hours a day, 7 days a week. The toll-free telephone number is 1.888.648.6769.

Pharmacy Mail Order Service

A convenient and less expensive mail order service is available for employees who require medications for on-going health conditions or who will be in an area with no participating retail pharmacies for an extended period of time.

PRE-MEDICARE PHARMACY PLAN INFORMATION Continued

Here are a few guidelines for using the mail order service:

- Submit a 90-day written prescription from your physician.
- Request up to a 90-day supply of medication for **two copays** (offer available to HSA Option members only when copays apply).
- Payments can be made by check or credit card: Visa, MasterCard, American Express, or Discover.
- Register your e-mail address to receive information on your orders.
- Order refills online at *walgreens.com* or via phone at 1.866.304.2846. Have your insurance card ready when you call!

Choice90

With this program, employees who require medications for an on-going health condition can obtain a 90-day supply of medication at a local retail pharmacy for **two and a half copays**. For more information, contact MedImpact Customer Care Center at 1.888.648.6769.

Medication Prior Authorization

Prescriptions for certain medications may require clinical approval before they can be filled, even with a valid prescription. These prescriptions may be limited to quantity, frequency, dosage or may have age restrictions. The authorization process may be initiated by you, your local pharmacy, or your physician by calling MedImpact at 1.888.648.6769.

Step Therapy Program

Step Therapy is a program which promotes the use of safe, cost-effective and clinically appropriate medications. This program requires that members try a generic alternative medication that is safe and equally effective before a brand name medication is covered. For a complete list of drugs under this program, please refer to the formulary at *benefitoptions.az.gov*.

Specialty Pharmacy Program

Certain medications used for treating chronic or complex health conditions are handled through the Walgreens Specialty Pharmacy Program. This program assists you with monitoring your medication needs and also provides patient education.

The Walgreens Specialty Pharmacy Program includes monitoring of specific injection drugs and other therapies requiring complex administration methods and special storage, handling, and delivery.

Specialty medications are limited to a 30-day supply and may be obtained only at a Walgreens retail pharmacy or through the Walgreens Specialty Central Fill facility by calling 1.888.782.8443.

A Specialty Care Representative may contact you to facilitate your enrollment in the Specialty Pharmacy Program. You may also enroll directly into the program by calling 1.888.782.8443.

PRE-MEDICARE PHARMACY PLAN INFORMATION Continued

Limited Prescription Drug Coverage

Prescription drug coverage will generally be limited to medications that do not have an equally effective over-the-counter substitute.

Non-Covered Drugs

Certain medications are not covered as part of the Benefit Options plan. If you find such a drug has been prescribed for you, discuss an alternative treatment with your doctor.

Extended Vacation or Travel Abroad

Whether you go to a retail pharmacy or use mail order for your prescriptions, you will need to notify MedImpact in writing of why you are requesting an additional supply of medication, the date when you are leaving, and how long you plan to be gone.

MedImpact will be able to authorize a VACATION OVERRIDE allowing you to have an extra medication you will need *providing you have the appropriate number of refills remaining.*

Order refills at least two weeks in advance of your departure. If there is a problem, such as, *not enough refills*, you will have enough time to phone your physician. If you're using Mail Order, contact MedImpact at least three weeks in advance.

If you are already out of town and need a prescription call MedImpact. Tell the representative you are out of town and need to find a participating pharmacy in the area where you are. You will need the zip code where you are visiting. In most cases you will have several choices.

If your medication is lost, stolen, or damaged, replacement medication is not covered.

PRE-MEDICARE PHARMACY PLAN INFORMATION Continued

NAU Retiree BCBS

Member only

There is no need to elect or enroll in this plan; it is part of your Medical Plan coverage. Prescription drug benefits are available at four cost-sharing levels. The amount you pay depends on the specific drug dispensed by the pharmacy. The pharmacy will charge you a generic, preferred brand, non-preferred brand A, or non-preferred brand B copay.

The BCBSAZ Prescription Medication Guide can be used to determine your copay and this guide can be found on the BCBS website at www.bcbsaz.com. Go to 4 level prescription drug benefits.

Up to a 90-day supply of maintenance drugs (the same drug and drug strength) may be obtained through the Walgreens Prescription Drug Mail-Order Program. Maintenance drugs are drugs you take consistently. The copay for the 90-day supply is equivalent to one month's copay.

MEDICARE ELIGIBLE PHARMACY PLAN INFORMATION

**Medicare GenerationRx
(Employer PDP) for Medicare eligible
retirees & Medicare eligible dependents**
Effective January 1, 2015, if you elect any
Benefit Options medical plan, you will be
automatically enrolled in the Medicare
GenerationRx for Benefit Options.

Medicare GenerationRx is sponsored by
Stonebridge Life Insurance Company, a
Medicare approved Part D sponsor. All
Medicare GenerationRx communications will
include the Medicare GenerationRx logo.

How it Works

Medicare-eligible retirees and their Medicare
-eligible dependents enrolled in Medicare
GenerationRx will each receive their own
prescription drug ID card.

The new ID card will be issued by Medicare
GenerationRx, and will NOT replace your
medical card. The new prescription drug ID
card is in addition to your medical card.
Show your Medicare GenerationRx card
when you fill your prescription medications
at the pharmacy.

Members will need to use their new Medicare
GenerationRx prescription ID card if they're
enrolled in Medicare GenerationRx Part D
Prescription Drug Program for Benefit
Options. Members will receive their new
card within 10 days of their effective date.

All prescriptions must be filled at a Network
pharmacy by presenting your Medicare
GenerationRx prescription ID card. You can
also fill your prescription through the
Walgreens mail order service.

The Medicare GenerationRx for Benefit
Options plan has a four-tier formulary.

The Plan provides you full coverage so there
is no Coverage Gap, or "Donut Hole." This
allows your cost sharing to remain consistent.
You pay the same copays throughout the year
during all the Medicare Part D stages.

If you reach the catastrophic coverage stage
(\$4,700 in total out-of-pocket costs for 2015),
your Benefit Options copayment will be the
maximum amount charged.

Benefits, formulary pharmacy network,
premium and/or co-payments/co-insurance
may change on January 1 of each year.

The benefit information provided is a brief
summary, not a complete description of
benefits.

Limitations, copayments, and restrictions
may apply. For more information contact
Medicare GenerationRx.

Formulary

The formulary is the list of medications
chosen by a committee of doctors and
pharmacists to help maximize the value of
your prescription benefit.

MEDICARE ELIGIBLE PHARMACY PLAN INFORMATION Continued

Tier Number / Name	Retail (up to 31-day supply)	Mail Order (up to 90-day supply)	Choice90Rx – extended supply at retail (up to 90-day supply)
Tier 1: Generic	\$10	\$20	\$25
Tier 2: Preferred Brand	\$20	\$40	\$50
Tier 3: Non-Preferred Brand	\$40	\$80	\$100
Tier 4: Specialty - Over \$600*	\$40	Not available	Not available

* Total medication cost.

Members will use Medicare GenerationRx’s 4 tier formulary. Generic and brand name medications are available at a lower cost.

Generally, your formulary will not change during the year except for cases in which you can save additional money or to ensure your safety. If we remove drugs from our formulary, add prior authorization, quantity limits and/or step therapy restrictions on a drug or move a drug to a higher cost-sharing tier, we must notify affected members of the change at least 60 days before the change becomes effective.

Some drugs may have additional requirements or limits on coverage. These requirements and limits may include:

- **Prior Authorization:** Prescriptions for certain medications may require clinical approval before they can be filled, even with a valid prescription. You or your physician will need to obtain approval from Medicare GenerationRx before these drugs can be covered by the plan.

- **Step Therapy Program:** The program promotes the use of safe, cost-effective and clinically appropriate medications. This requirement encourages you to try less costly but just as effective drugs before the plan covers another drug. For example, if Drug A and Drug B treat the same medical condition, the plan may require you to try Drug A first. If Drug A does not work for you, the plan will then cover Drug B. This requirement to try a different drug first is called “**step therapy**”.

- **Quantity Limits:** For certain drugs, Medicare GenerationRx limits the amount of the drug that Medicare GenerationRx will cover.

To see what medications are on the formulary and get additional information about drug restrictions, go to medicaregenerationrx.com/stateofaz or call Medicare GenerationRx’s Member Services at 1.877.633.7943. TTY users should call 711. Member Services is open 24 hours a day, 365 days a year. Sharing this information with your doctor helps ensure you are getting the best value, which saves money for you and your plan.

MEDICARE ELIGIBLE PHARMACY PLAN INFORMATION Continued

Finding a Pharmacy

Medicare GenerationRx has over 65,000 pharmacies in its network. Members may continue to fill their prescriptions at their current pharmacy as long as it is a MedicareGenerationRx for Benefit Options network pharmacy. Members will receive a pharmacy directory based on their permanent address as part of the Welcome Kit.

Members may request additional directories from Member Services or use the online Pharmacy Locator at medicaregenerationrx.com/stateofaz.

Pharmacy Mail Order Service

A convenient and less expensive mail order service is available for members who need medications for ongoing health conditions or who will be in an area with no participating retail pharmacies for an extended period of time.

Here are a few guidelines for using the mail order service:

- Submit a 90-day written prescription from your physician, but verification is required every 30 days.
- Auto refill is not available.
- Request up to a 90-day supply of medication for **two copays**. (Example: A 31-day supply retail prescription for a \$10 copay versus a 90-day supply mail order prescription for a \$20 copay)
- Payments can be made by check or credit card: Visa, MasterCard, American Express, or Discover.
- Register your e-mail address to receive information on your orders.

- Order refills online at Walgreens.com or via phone at 1.866.304.2846. Have your prescription card ready when you call!

Choice90Rx

With this program, members who require medications for an ongoing health condition can obtain a 90-day supply of medication at a local retail pharmacy for **two and a half copays**.

For more information or to find a participating Choice90Rx pharmacy, please visit our web site at medicaregenerationrx.com/stateofaz, refer to your Pharmacy Directory or call Medicare GenerationRx Member Services at 1.877.633.7943, 24 hours a day/365 days a year. TTY/TDD users should call 711.

Specialty Pharmacy Program

If you are taking a medication that is on the Specialty tier of your prescription benefit, you may use Walgreens Specialty pharmacy, or any specialty pharmacy in the Medicare GenerationRx specialty pharmacy network.*

To enroll in Walgreens Specialty Pharmacy's Patient Care Programs, please call 1.888.782.8443 to speak with a Patient Care Coordinator. Walgreens Specialty Pharmacy will reach out to your health care provider to get a new prescription for you or have your specialty prescriptions transferred from your current pharmacy. For more information on Walgreens Specialty Pharmacy, visit walgreens.com/specialty.

MEDICARE ELIGIBLE PHARMACY PLAN INFORMATION Continued

Specialty medications are limited to a 31-day supply.

*Other pharmacies are available in our network.

Under Medicare Part D

Extra Help (Low Income Subsidy)

Eligible retirees and their dependents with limited incomes may qualify for Extra Help to pay for their prescription drug costs. If eligible, Medicare could pay for up to 100% of drug costs including coinsurance/copayments.

Additionally, those who qualify will not be subject to the coverage gap or a late enrollment penalty. Many Medicare eligible retirees and their dependents are eligible for these savings and don't even know it.

Members eligible for “Extra Help” are identified during the enrollment process. Plan participants that are eligible will receive a Low Income Subsidy (LIS) Rider with their Explanation of Coverage explaining what their benefit will be.

For more information about Extra Help, members may contact their local Social Security office or call **1.800.MEDICARE** (1.800.633.4227), 24 hours per day, 7 days per week. TTY/TDD users should call 1.877.486.2048, or visit *medicare.gov*.

Part D Income Related Adjustment Amount (IRMAA)

Some Medicare eligible members and their dependents pay an extra amount for Part D because of their yearly income. If a member's income is \$85,000 or above for an individual (or married individuals filing separately) or \$170,000 or above for married couples, they must pay an extra amount directly to the government (not the Medicare plan) for Medicare Part D coverage.

- If a member is required to pay the extra amount and does not pay it, they will be disenrolled from the plan and lose prescription drug coverage.
- If the member needs to pay an extra amount, Social Security, not the Medicare plan, will send the member a letter telling them what that extra amount will be.
- For more information about Part D premiums based on income, visit *medicare.gov* on the web or call 1.800.MEDICARE (1.800.633.4227), 24 hours a day, 7 days a week. TTY users should call 1.877.486.2048. Members may also call Social Security at 1.800.772.1213. TTY users should call 1.800.325.0778.

The booklet *Medicare & You 2015* gives information about the Medicare premiums in the section called “2015 Medicare Costs.” This explains how the Medicare Part B and Part D premiums differ for Medicare eligible members and their dependents with different incomes.

MEDICARE ELIGIBLE PHARMACY PLAN INFORMATION Continued

Everyone with Medicare receives a copy of *Medicare & You* each year in the fall. Those new to Medicare receive it within a month after first signing up. You can also download a copy of *Medicare & You 2015* from the Medicare website (*medicare.gov*). Or, you can order a printed copy by phone at 1.800.MEDICARE (1.800.633.4227), 24 hours a day, 7 days a week. TTY users should call 1.877.486.2048.

Many members are required to pay other Medicare premiums. Some plan members (those who aren't eligible for premium-free Part A) pay a premium for Medicare Part A. Most plan members also pay a premium for Medicare Part B.

Members who owe the income-related adjustment amount (IRMAA or "extra amount") will receive a letter directly from the Social Security Administration (SSA). Medicare GenerationRx is not aware whether the member qualifies for this additional premium or not as it is managed strictly through the SSA.

Medicare GenerationRx is only made aware of IRMAA if the member is disenrolled for non-payment. See Ch. 4, Section 11 of the Evidence Of Coverage for more information about the extra amount.

If a member feels they should not have to pay the additional premium, they should call the SSA number listed in the letter.

SSA will either make an appointment for the

member at their local SSA office or they will transfer them to the local SSA phone number for an income re-determination.

A member's income may have increased/decreased due to capital gains (e.g. sale of a home, cashing in a 401k, marriage, divorce or death).

Extended Vacation or Travel Abroad

If you take a prescription drug on a regular basis and you are going on a trip, be sure to check your supply of the drug before you leave. When possible, take along all the medication you will need.

Whether you go to a retail pharmacy or use mail order for your prescriptions, you will need to notify Medicare GenerationRx in writing of why you are requesting an additional supply of medication, the date when you are leaving, and how long you plan to be gone.

Medicare GenerationRx will generally be able to authorize a VACATION OVERRIDE allowing you to have the extra medication you will need *providing you have the appropriate number of refills remaining*.

Order refills at least two weeks in advance of your departure. If there is a problem, such as, *not enough refills*, you will have enough time to phone your physician.

MEDICARE ELIGIBLE PHARMACY PLAN INFORMATION Continued

Copays will be the same as you would normally pay times the number of refills you need.

Medicare GenerationRx cannot pay for any prescriptions that are filled by pharmacies outside the United States, even for a medical emergency.

No Longer Eligible for LTD Benefits and Not Able to Retire

Your eligibility in the Benefit Options plan terminates the end of the month in which you lose eligibility. You may wish to contact your retirement system to determine if you are eligible to enroll in their health plan. It is your responsibility to notify us when your LTD entitlement ends.

Returning to Work

Your return to work will be considered a Qualified Life Event. You must make your new benefit elections within 31 days of your return to work. Please contact your agency Human Resources personnel for further instructions immediately after you lose your LTD eligibility status.

A Waiver of Premium only applies to life insurance and does not apply to your health, dental and vision benefits. Even if your life insurance premiums are waived, you are still responsible for payment of your medical, dental, and vision monthly premiums. Your Waiver of Premium eligibility is determined by the LTD carrier.

Please contact your LTD carrier with any questions and to learn if you are eligible for a Waiver.
