Effective January 1, 2009, all Active State employees will be required to provide social security numbers (SSNs) for their enrolled dependents.

The SSN is used as the basis for the Medicare HICN. The Medicare program uses the HICN to identify Medicare beneficiaries receiving health care services, and to otherwise meet its administrative responsibilities to pay for health care and operate the Medicare program. In performance of these duties, Medicare is required to protect individual privacy and confidentiality in accordance with applicable laws, including the Privacy Act of 1974 and the Health Insurance Portability and Accountability Act Privacy Rule. Please note that the Centers for Medicare & Medicaid Services (CMS) has a longstanding practice of requesting SSNs or HICNs for coordination of benefit purposes.
