BUILD YOUR TALENT BASE FROM A BROAD SCOPE OF DEGREE PROGRAMS

Are you ready to build an engaged workforce that is prepared to meet your organization's current and future needs?

Engage your workforce with DeVry University and its Keller School of Management pool of graduates in business, technology, healthcare and other disciplines. The DeVryWORKS team works with our employer-partners to truly understand their business objectives and workforce needs, so we can help them meet their talent acquisition needs.

DETERMINED CANDIDATES READY TO MAKE A DIFFERENCE

Our priority has always been ensuring that our students are career-ready from day one. Accredited by The Higher Learning Commission, www.hlcommission.org, DeVry University provides career-oriented education relevant for today's workplace. Partnering with DeVry gives you access to diverse, dynamic candidates from a broad scope of degree programs, graduating from one of our five distinguished colleges of study, as well as Keller graduates.

College of Business Management, College of Engineering & Information Sciences, College of Health Sciences, College of Liberal Arts & Sciences, College of Media Arts & Technology, and Keller Graduate School of Management

Our Keller Graduate School of Management offers Master's Degree Programs, Graduate Certificates and specialized degree programs in: Accounting (MSAC), Accounting & Financial Management (MAFM), Human Resource Management (MHRM), Information Systems Management (MISM), Network & Communications Management (MNCM), Project Management (MPM) and Public Administration (MPA).

Our team of Employer Relations and Internship Advisors provide personalized talent sourcing for your organization with resume referrals that match the skills needed for your open positions.

INTERNSHIPS & EXPERIENTIAL LEARNING

DVU partners with employers to connect students with internships and experiential learning.

Our interns are available year-round for part-time, full-time, and project based experiential learning.

REGIONAL AND NATIONAL VIRTUAL RECRUITING EVENTS

SUPPORT YOUR BUSINESS STRATEGY WITH YOUR TALENT STRATEGY

Ready to build on strategic talent initiatives to meet the pressing challenges of a competitive marketplace?

We've enhanced our Career Fair opportunities for employers with a national calendar of virtual events so recruiters can connect with a diverse candidate pool at locations nationwide. Attend a Virtual Career Fair and connect directly with candidates in live 1:1 text based conversations.

The Online Career Fair will connect your company with top talent from our vast community of professionals from DeVry University and its Keller Graduate School of Management, representing markets around the country. Candidates represent campuses nationwide plus an online student and alumni population across the U.S.

This online format provides an easy, effective way to discover talent from our undergraduate and graduate community. DeVry's students and graduates represent a diverse student population with varied levels of experience from entry level to mid-level to professional level. If you value what this diverse community brings to the workforce, you'll want to attend these events!

This is a unique opportunity to recruit members of our organization all from the comfort of your home or office, desktop or tablet.

Virtual events are added throughout the year. Please inquire to get the latest Virtual Career Fair calendar.

Branding Opportunities

Of course, the payoff of any good branding effort is more of the right candidates in your talent pipeline. Our targeted campaigns are focused on maximizing your key audiences by supporting your engagement with an array of branding options.

EMPLOYER EMAIL CAMPAIGN

Engage specific segments of our candidate pool with a targeted email campaign to students and alumni that is relevant to your talent needs. Whether it's internships, entry level graduates, military and veteran students or experienced talent from our diverse candidate pool, we can zero in on the audience your workforce demands.

VIRTUAL EMPLOYER WEBINAR

We facilitate high-impact, live, interactive virtual presentations that feature and educate candidate pools about your organization. The live webinar provides information about your organization, training programs, career paths and how to join your talent community. Each webinar ends with a Q&A session with the attendees.

OUR PORTAL BUILDS YOUR TALENT BRAND

An online career portal for DeVry students and alumni, My Compass to My Career presents a unique opportunity to raise awareness of your organization and its current openings.

HOME PAGE BANNER ADS

Leveraging your logo, artwork and key organizational messages, a banner ad on our portal's homepage can give your organization a high volume of repeated exposure to draw talent to your career portal.

FEATURED EMPLOYER PROFILE

It's easy for potential graduates, alumni and interns to learn more about your brand with a Featured Employer Profile on My Compass to My Career. We will compile text, artwork, videos - any assets you feel necessary to tell your story. You'll gain ongoing exposure to our diverse pool of students.

COMPLIMENTARY JOB POSTINGS

Stand out as an employer of choice with job postings on HireDeVry and My Compass to My Career at no cost to you. Targeted postings can be posted to align with the geographic areas, degree levels, experience levels and degree programs that match your talent needs. We can help promote your open positions and multiple job openings in any location nationwide on our internal job board, HireDeVry. You may also have an account on HireDeVry so that your recruiters can post jobs directly at no cost to you.
