

24/7 Nurse Line and Health Information Library

Available around-the-clock to help you and your family

Unsure if you should go to the doctor or Emergency Room? Have a sick child at 2 a.m.? Looking for an answer to a health question? Call the 24/7 Nurse Line to speak with a Registered Nurse who can answer your health questions at no cost to you.

When should I call the 24/7 Nurse Line?

- For answers to health questions any time of the day, even on weekends and holidays!
- When you need help deciding if you should see a doctor or go to the Emergency Room.
- For questions on health conditions like asthma, diabetes or hypertension.
- If you want more information on a medical test or procedure.

When you call, you will speak directly with a Registered Nurse who can help you with your health questions.

You can also access the Health Information Library, which has information on over 1,500 health topics that are available in English and Spanish.

A free benefit to you and your family!
