

More Happiness With Mindfulness in Daily Living

It's important to remember that maintaining balance in life is best supported by a regular mindfulness practice. An easy way to keep this in mind is by cultivating positive intentions about maintaining a mindfulness practice. In this session, we will recognize this is more the end of the beginning, rather than the beginning of the end.

In More Happiness With Mindfulness in Daily Living, you will begin to:

- Have a basic understanding of mindfulness
- Understand how to keep the practice alive
- Integrate mindfulness into every day life
