

LADIES

this is your wellness checklist.

Use it to stay up to date and in the know about your health.

The top six things you can do to live a healthier life:

- › Get recommended screening tests.
- › Be physically active.
- › Maintain a healthy weight.
- › Be tobacco-free.
- › Eat a healthy diet.
- › Take preventive medicines if your doctor prescribes them.

The next time you go in for a checkup, bring this handy checklist along. Decide with your Cigna Medical Group doctor which tests are right for you based on your age and family history. Record the details here, like current and future test dates, results and any questions you need answered. It’s all about keeping you healthy so you can get more out of life.

Cigna Medical Group offers Saturdays for Women appointments at select locations for your convenience. Don’t delay, schedule your wellness visit today. Visit us at CignaMedicalGroup.com to find a location near you, read doctor bios and take a virtual tour.
