

# Time to Get Moving! Overcoming Obstacles to Becoming More Active

Do you frequently find reasons not to exercise or increase your physical activity? Too tired? Not enough time in the day? Learning how to overcome these hindrances with mindful changes in your thought patterns can do wonders for your metabolism.

In Time to Get moving!, you will begin to:

- Increase your physical activity with gentle movements and solutions
- Better manage your weight
- Learn mindfulness practices that will help you look forward to increasing your activity level

# Improving Productivity and Performance with Emotional Intelligence and Mindfulness

We juggle multiple tasks at work and home every day. How well we perform or succeed has much to do with how mindful we are at any given moment. Learning mindfulness practices to better understand your own behavior patterns allows you to change in ways that improve your productivity, health and personal relationships.

In Improving Productivity and Performance you will begin to:

- Be aware of your own behavior patterns and how to better manage them
- Be more productive, both professionally and personally
- Integrate mindfulness practices into your life
