

Location:

Conveniently located minutes from the capitol mall at 301 West Jefferson on the second floor.

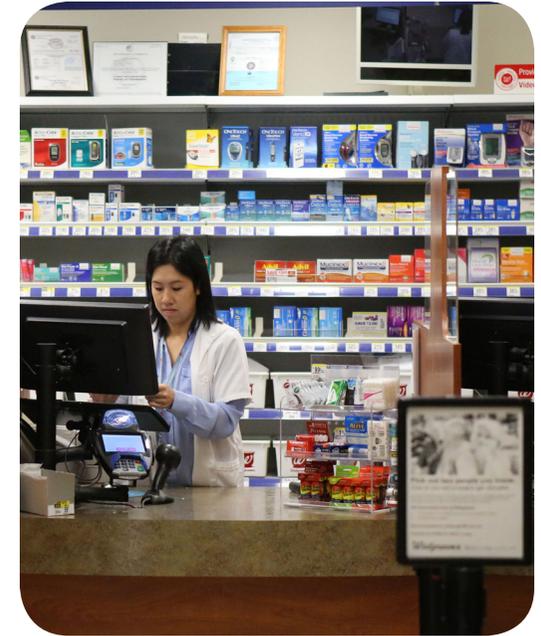

Appointments are highly encouraged, but walk-ins are welcome. Six parking spots are reserved for health center patients, on the north side of Madison Street between 4th and 5th Avenues, just south of the health center on a first-come first-served basis.

Insurance & Copays:

All State of Arizona insurance providers are accepted and the co-pay is the same as a regular office visit.

Providing a close and quick option for the approximately 10,000 state employees that work near the capitol that want to be seen by a medical professional for common colds and illnesses, but don't want to drive to their primary care provider or wait weeks for an appointment.
