Return-to-Work Retiree 2022 Benefits Open Enrollment – Nov. 1-19, 2021

No Changes for 2022

- **Premiums** - Your premiums for all plans will stay the same for 2022. While overall healthcare costs continue to rise nationwide, the State pays approximately 88% of your total health care insurance cost. For 2022, the State will absorb the cost increases to keep your premiums unchanged.
- **Plans** - All plans will remain the same for 2022, including medical, prescription drug, dental, vision, short-term disability, life insurance and wellness programs. There are no changes to coverages, copays, deductibles, or out-of-pocket maximums.
- **Carriers** - The carriers for all plans will remain the same for 2022.
