

## Rollover Information for 2021 Flexible Spending Accounts

Due to changes enacted in the second federal COVID stimulus bill signed into law on December 27, 2020, a carryover provision for the Flexible Spending Accounts (FSA) is in place for the 2021 plan year. This is for your TASC card account(s). *Please note this will be the last year that the rollover provision will be in place.*

The rollover is good news because it allows you to spend your unused 2021 funds in 2022 and you will not forfeit your unused 2021 FSA funds. Be sure to read the following information carefully.

**We are informing you during Open Enrollment for 2022 so you can make changes to your contributions if necessary to adjust for any rollover amounts. Open Enrollment ends November 19 at 5 pm Arizona Time. Please visit [hrsystems.azdoa.gov](https://hrsystems.azdoa.gov) > YES Portal to change your elections.**
