

Don't Lose Money on Your 2019 FSA!

Deadline Extension to April 30, 2020

Just a quick reminder that as of March 23, 2020, you have funds remaining in your 2019 healthcare and/or dependent flexible spending account (FSA). Since the funds don't roll over, you must file any eligible expenses from 2019 so you don't forfeit them as per IRS rules.

Due to the COVID-19 pandemic, the filing deadline has been extended to April 30, 2020, for expenses incurred last year between January 1 - December 31, 2019.

Here's what you need to know:
