Active Employee 2022 Open Enrollment – November 1-19, 2021

No Changes for 2022

- **Premiums** - Your premiums for all plans will stay the same for 2022. While overall healthcare costs continue to rise nationwide, the State pays approximately 88% of your total health care insurance cost. For 2022, the State will absorb the cost increases to keep your premiums unchanged.
- **Plans** - All plans will remain the same for 2022, including medical, prescription drug, dental, vision, short-term disability, life insurance and wellness programs. There are no changes to coverages, copays, deductibles, or out-of-pocket maximums.
- **Carriers** - The carriers for all plans will remain the same for 2022.

Two Options for Open Enrollment

1. **Keep your current coverage:** If you want to keep your current coverage elections for 2022, you do not need to re-enroll. Exception: Flexible Spending Accounts - To keep your FSA for healthcare, limited purpose or daycare/elder care, you must re-enroll each year on hrsystems.azdoa.gov > YES Portal.
2. **Change your coverage:** You may add/drop dependents, and change coverage or carriers. Make new elections online at hrsystems.azdoa.gov > YES Portal.
